Proviso West is a place of activity;
It is a place of change,
A place of growing and
Of sharing, and of Learning.
It becomes a part of each
Student who spends a portion of
His life here. As a tribute to
The people and the activity,
The **Mural** presents a
Study in pictures.

West On The Move . . .

Volume 17

Activity

Keeps West on the move.

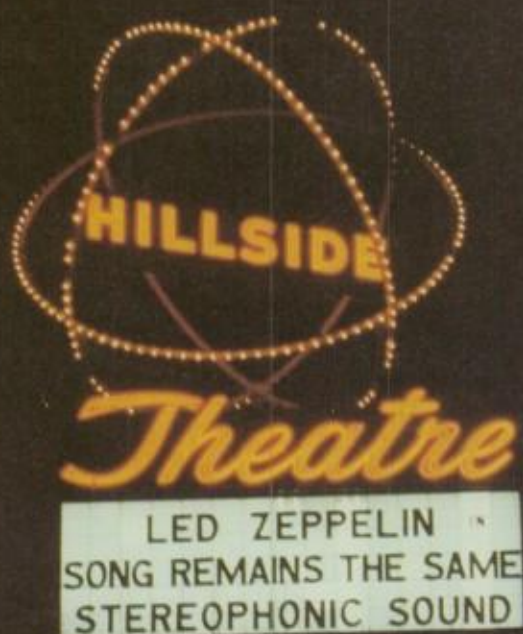

The library is a place
for Active research,
While the many outdoor
Conversation areas offer
A place to break from
Study and work.

The commons provides
A meeting place and proves
To be the center of "fun"
Activities.

The large West campus
Offers room for outdoor
Gym activity. Sometimes
West activity takes students
Away from the campus, perhaps
Downtown Chicago.
Throughout the day,
West's people are truly
Active.

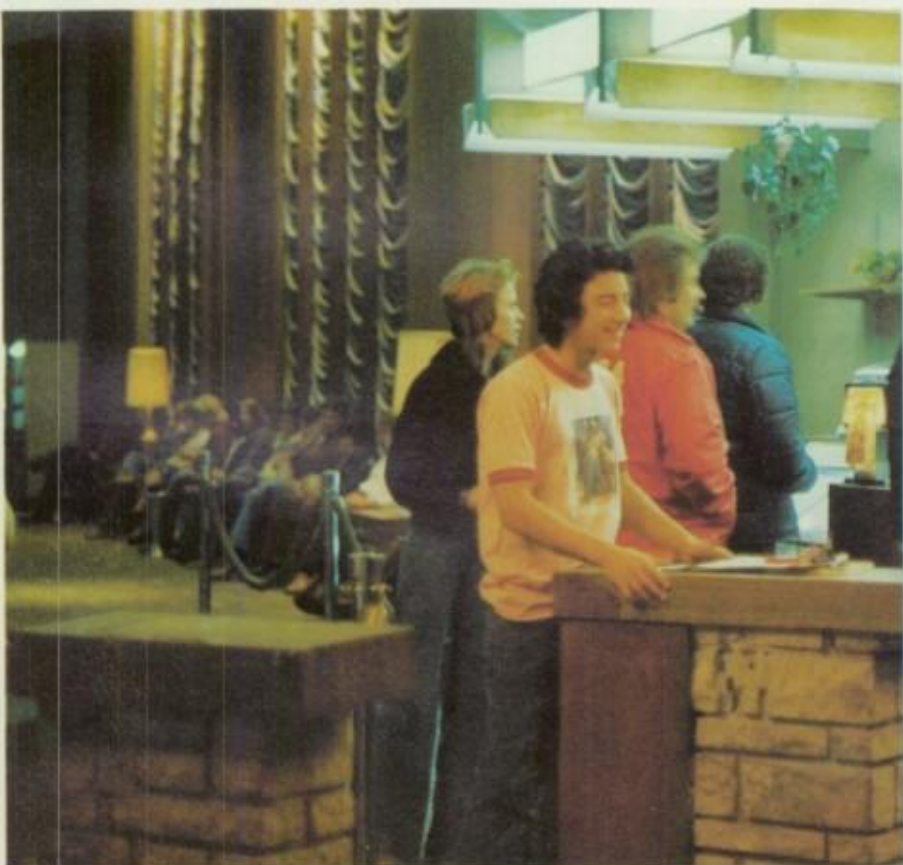

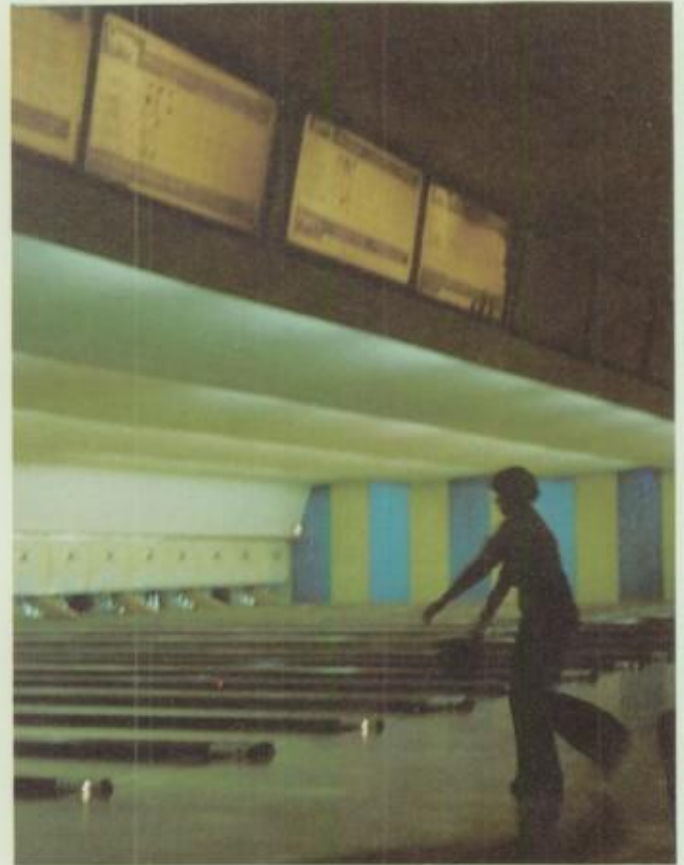

Enjoyment

Really begins when the
3:20 bell rings.
West's people relax and
Socialize in so many ways.
The local theater provides
A variety of entertainment,
As well as a place for
Part-time student jobs.
The sports events and the
Festive Homecoming activities
Prove to be exciting.
Then, of course, there are
Club activities and even class
Functions, like the Senior
Ice-cream social.
West's people know how to
Relax, have fun, and
Enjoy.

New Courses

Are constantly being added,
Keeping West moving forward;
Science labs have made
Students actively involved
In learning. Future secretaries,
Computer operators, child
Specialists, doctors, lawyers,
And even some future teachers
Find the right courses
To prepare them for the
Future.

New Facilities

Provide modern and pleasant Atmosphere for West students. Additions to "B" building in The last few years Expanded both the English And Math departments, While additions to "D" building Gave the Social Studies department Room to breathe. The newer facilities allow More room for team taught Instruction, thus extending Proviso students' opportunities to Learn.

West's Campus

Has changed considerably
Over the years. When West
First opened its doors,
"C" building was just a plan.
The mosaic mural facing
Into the commons courtyard
Came later too. A faculty
Parking lot made more space
In the student lot.
Class gifts help to change
West's appearance with
Additions like Senior Circle,
The sun dial, and the sculpture.

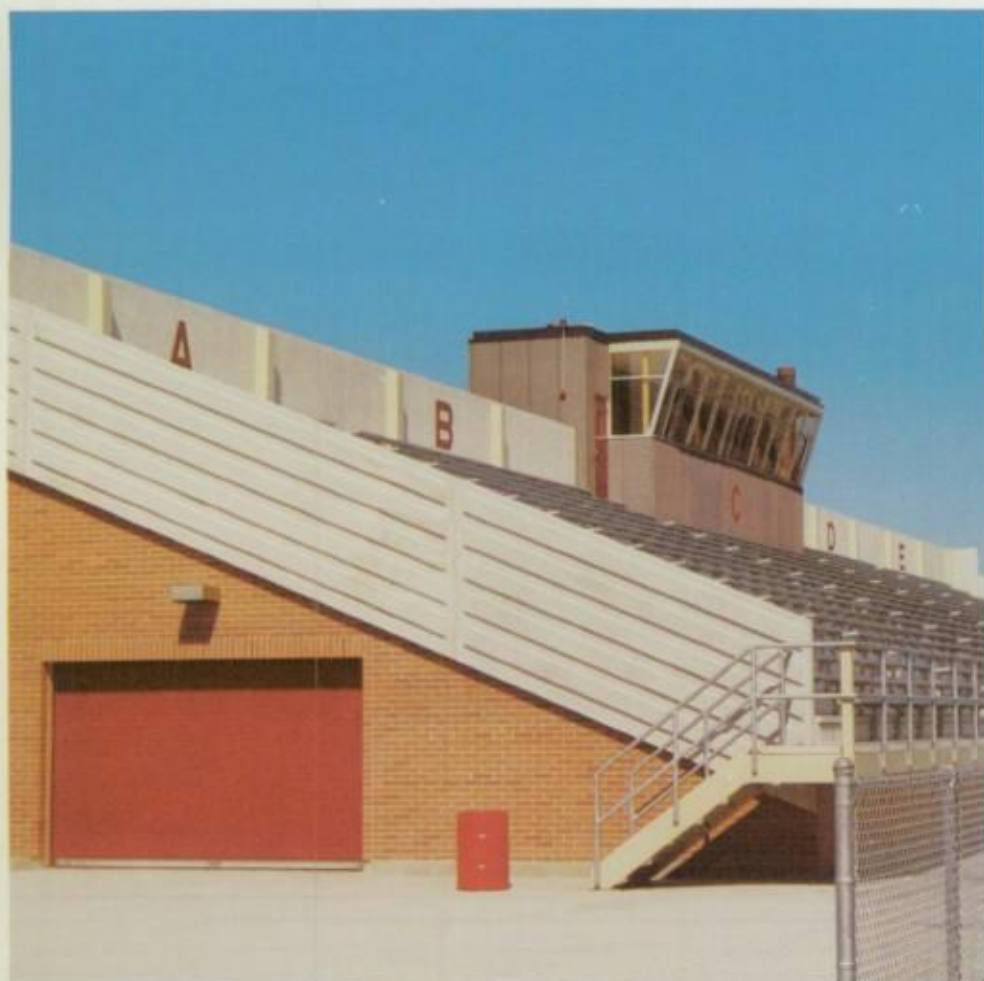

The Stadium

Opened during the '76-'77 year,
 Giving West's football teams
 A modern, fully equipped
 Place to compete.
 It houses dressing rooms,
 Weight rooms, a concession
 Stand, and a fully enclosed
 Press box. The large
 Numbers of people at games
 Seem to show that West students
 Are proud of their stadium
 And intend to keep it
 A place of spirited
 Activity.

Policy Changes

Kept West on the move.
By the end of the school
Year, the exit-entrance
Mechanism in the library
Had become familiar sights.
The problem of book thefts
Had been brought under control.
Perhaps the most disturbing change
Involved the attendance policy.
Many students found that
Having the responsibility for
Their own attendance was
Just a bit too difficult to
Handle.

Students Care

About their school environment.

For some, the pressure of

Doing well is great. For

Others, having to sit in

Study halls is unbearable.

Even worse, is having to study

In the cafeteria. For many

The lure of the shopping center,

Visible across the baseball field,

Is too great to ignore.

Even the busses get their share

of student comments and

Complaints.

West Stays On the Move

Activity goes on.
Life, in all shapes, sizes, and forms,
Can be found here.
Something is always happening.
Someone is always doing
Something — or going somewhere.
West is, and will continue
To be, a busy, active
Place.

September

And school is well under way
 Again. Summer quickly
 Becomes a memory as
 Leaves begin to fall and
 Homework begins to mount.
 Activity surrounds West,
 But sometimes that activity
 Is not the most desirable
 To the local authorities.

Homecoming

Arrives,
Bringing an end to many hours
Of hard work on floats,
And an end to the question
Of who will represent West as
Homecoming Queen.
The game does not go well,
But the excitement and spirit
Are, nevertheless, still there.
And the day will be remembered
As a success.

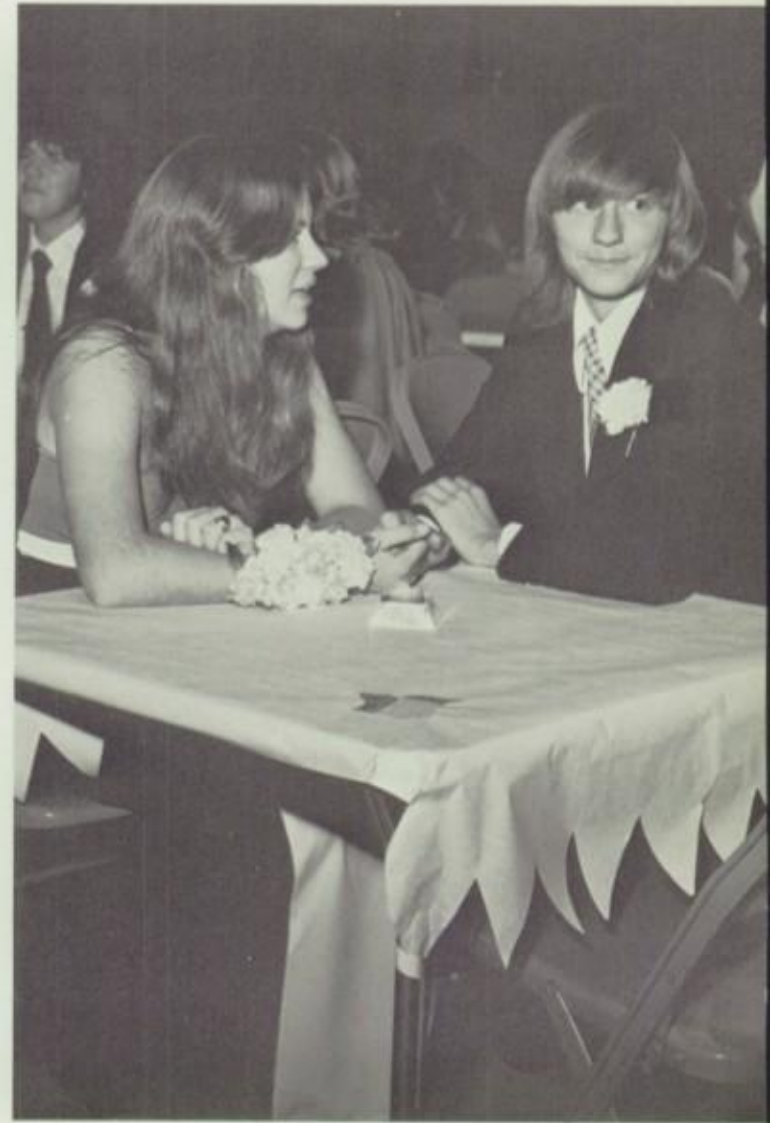

The Dance

Proves to be a good time
For most. Fast steps lead to
Slow ones as the evening wears
On. Beth Murray is crowned
Queen and excitement hangs
In the air until the last
Dancer has gone home.

Christmas

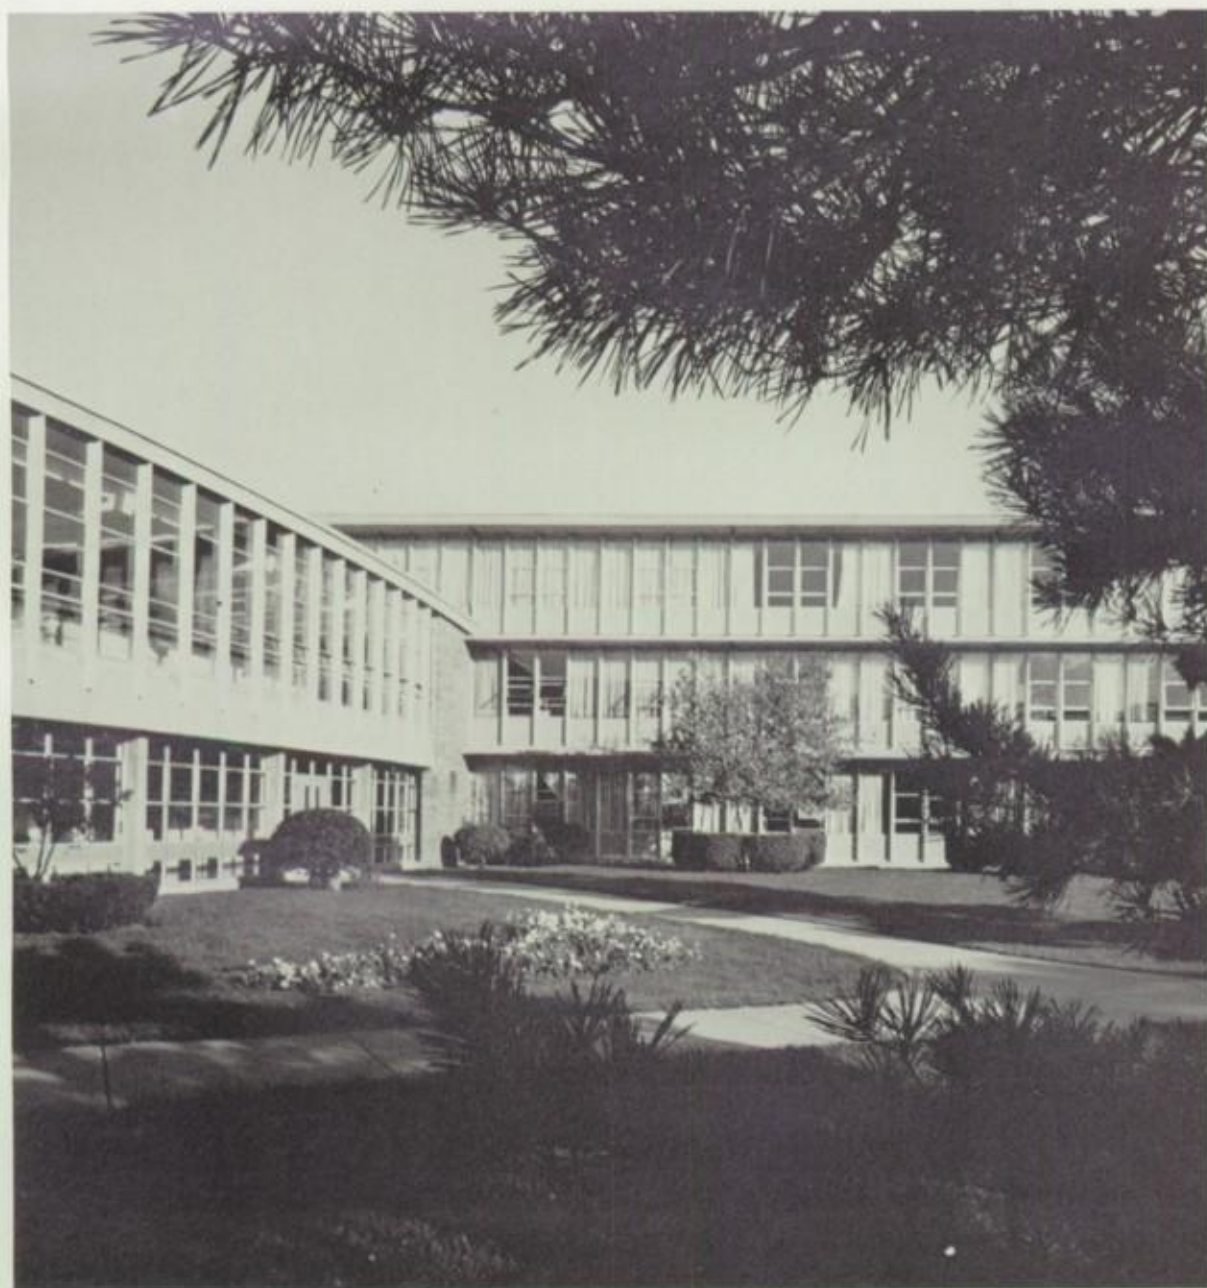

Brings out the crowds at the Shopping centers as well as the Crowds at the annual Holiday Tournament. West's basketball Team places second in the Tournament. Again this year, Many students get involved in The annual Dec-A-Door contest. The Christmas spirit lives on At West.

Spring

Revives the enthusiasm
That seems to have been
Asleep during the long winter.
Interest turns from books
And school toward outdoor
Activities as West's campus
Comes alive with fresh green leaves
And spring flowers.

The Prom

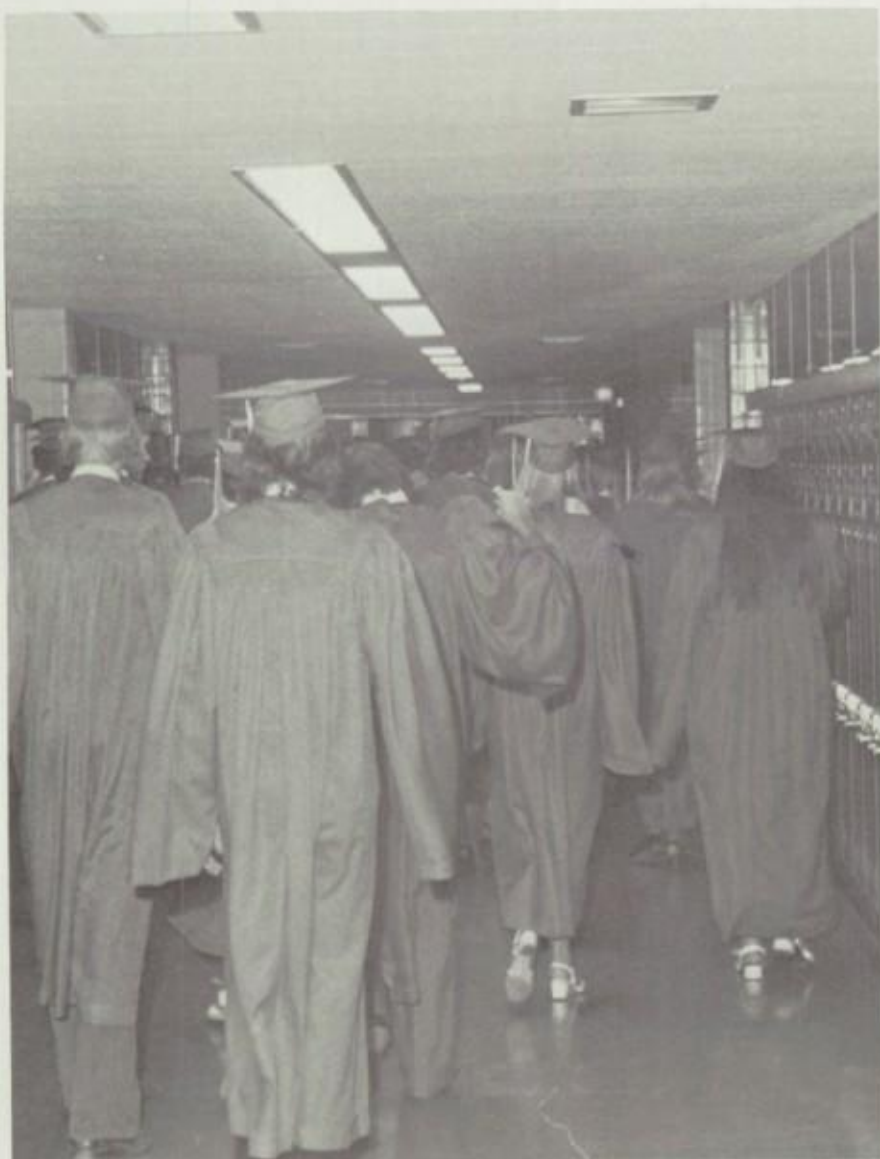

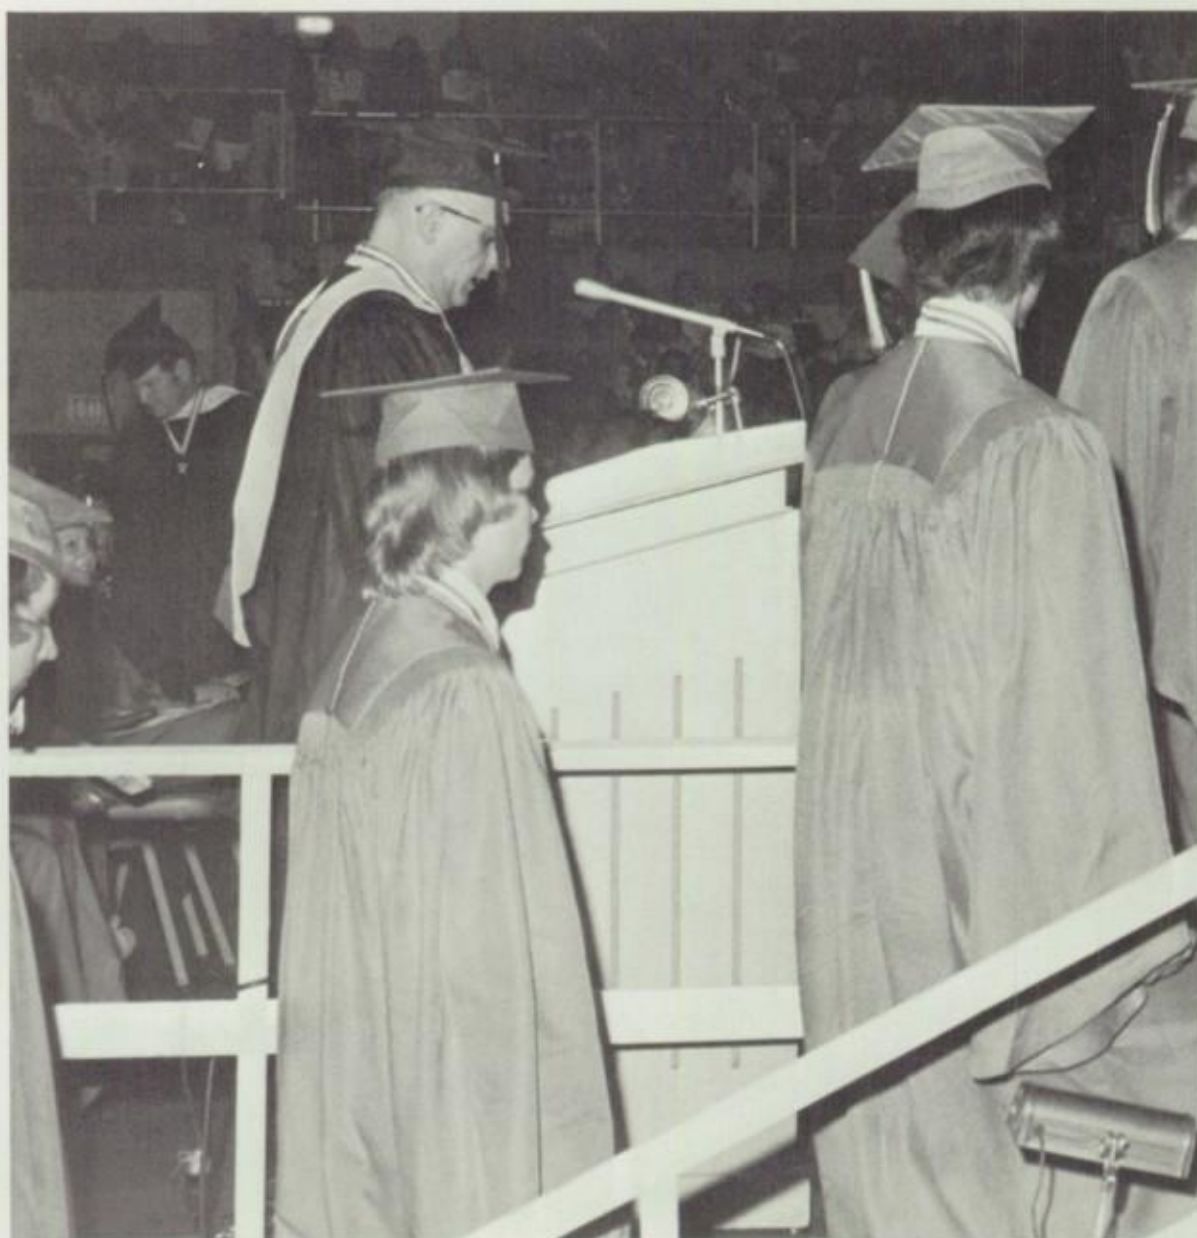

A special evening
That highlights senior year.
Everyone dresses the part with
Tuxedos, fancy gowns, and flowers.
There is magic in the air.
After the last dance ends,
The favors will stand as
The reminder of one
Beautiful memory.

Graduation

An end; yet a beginning.
You leave behind four years
Of work and of laughter.
Friends part, everyone going
His own way, ready to lead
The life for which he has
Been preparing. Somehow, though,
West will always be a part of
Each graduate.

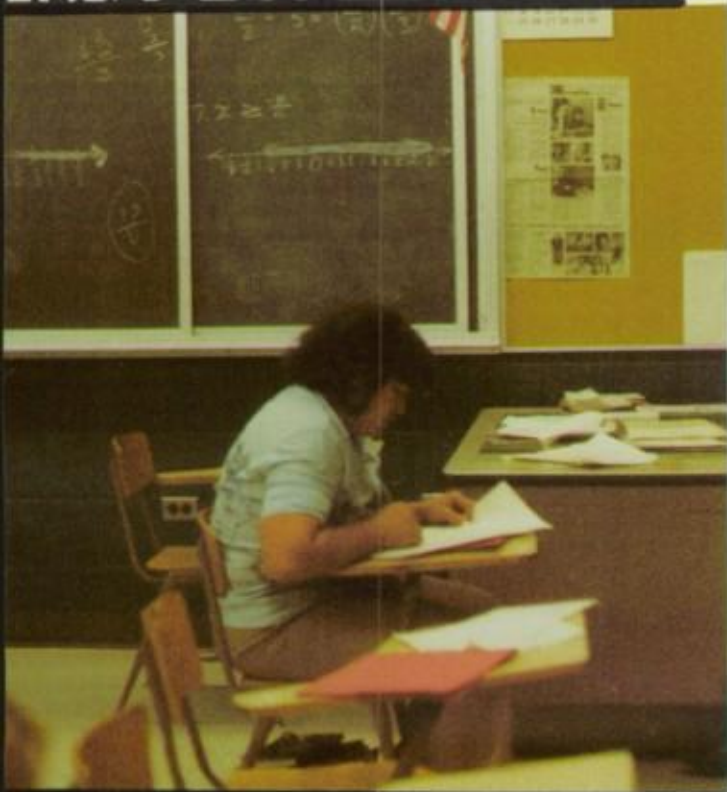

Vacation

Finally comes,
 Leaving West a quiet
 Deserted shell. Gone
 Is the laughter; Gone
 Are the cheers, and the
 Classes; Gone is the
 Very pulse of Proviso-
 The students. The halls
 Are deserted; they seem
 Almost forlorn as they
 Face a lonely summer.

West Students Excel In Art

From elementary sketching to complicated commercial art renderings the art students express their abilities with the confidence and skill that comes from being instructed in West's art department. Awards for excellence are becoming everyday accomplishments, as still life drawings, multi-media compositions and various sculptures find their way into first place finishes regularly.

Right: Being a good model for the others to sketch is important too. **Below Left:** Using just the right touch can make the difference in the finished pottery. **Below Right:** An artist quickly learns that a pencil and a good ruler are two essential tools.

Above: Sketching a real person proves to be much more difficult than it seems. **Below:** Regardless of whether the finished product is to be large or small, careful forming is still necessary in pottery making.

Business Gives Sound Advice

Future accountants, typists, and value-wise consumers are shaped daily by the Business Department curriculum. While the future accountants explore the intricacies of credits, and debits, future secretaries are learning that the home row is no place to set up housekeeping. Future consumers are made aware of the "bait and switch" tactic, and other dishonest advertising techniques. Whatever specific skill the business student searches for, he is sure to find it in the West business department.

Above: Typing classes provide future secretaries with practical experience. **Right:** Learning to operate the computer proves to be not only useful, but also interesting. **Opposite Page:** Keeping your eyes on the copy is important for speed. **Opposite Bottom Left:** Pushing the wrong keys when programming the computer can be disastrous. **Opposite Bottom Right:** Mr. Kaminski demonstrates the proper typing technique.

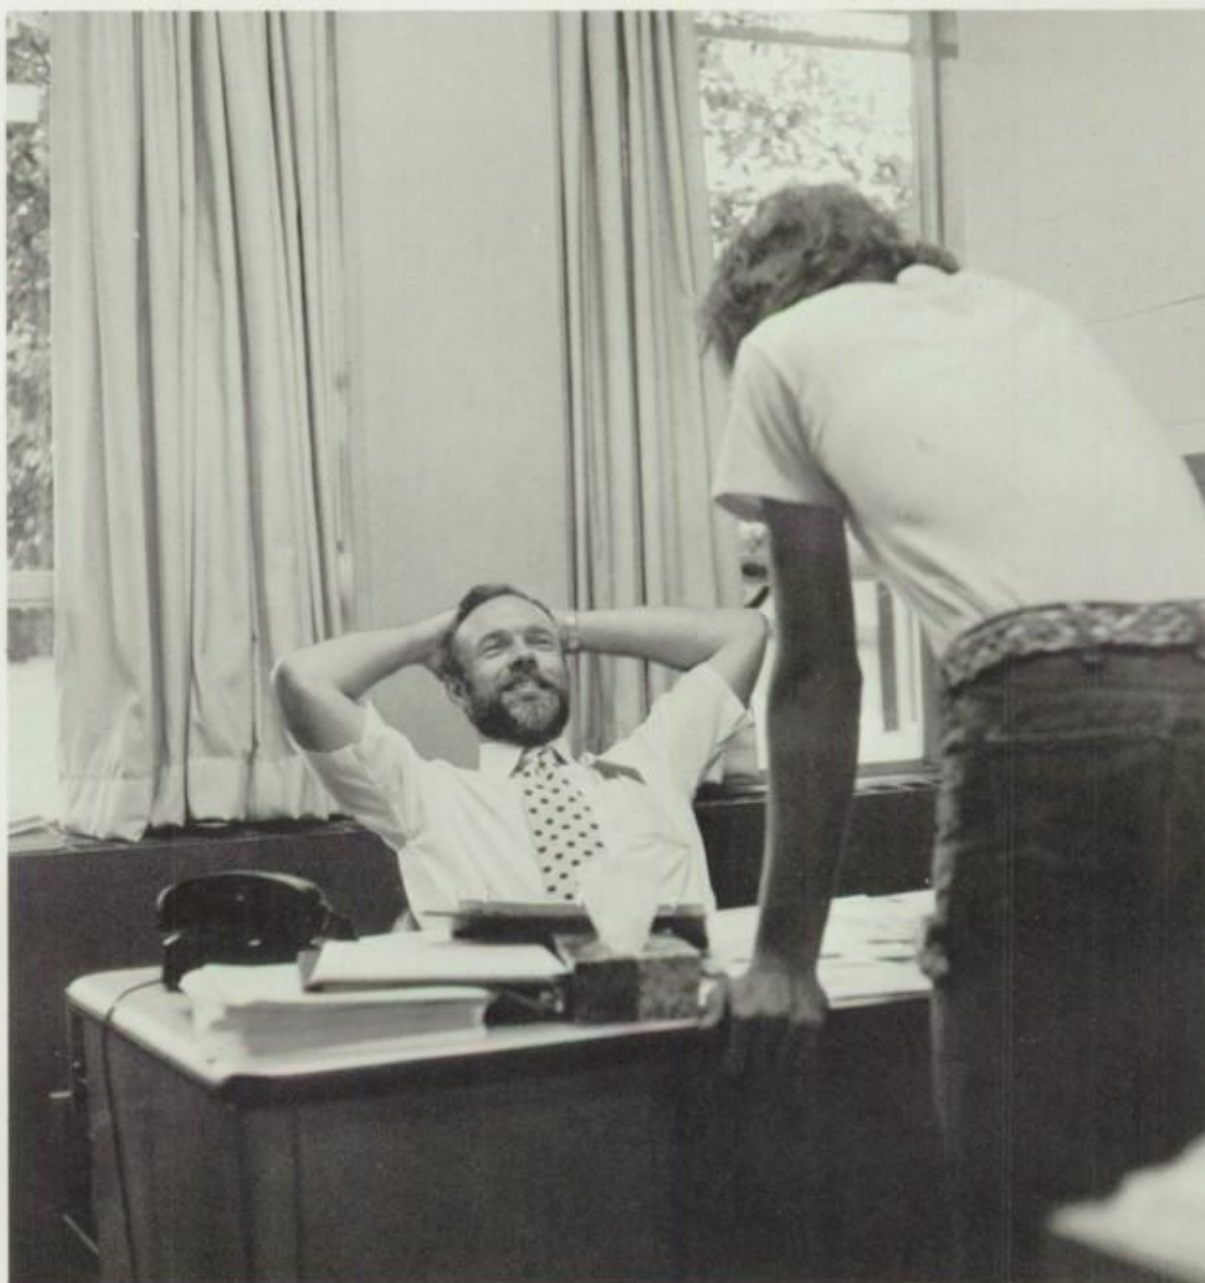

Counselors Add Helpful Touch

Counselors worked closely with both students and parents this year. Students found themselves going to counselors for college materials, career information through CVIS, and academic and social problems, and an understanding shoulder to lean on.

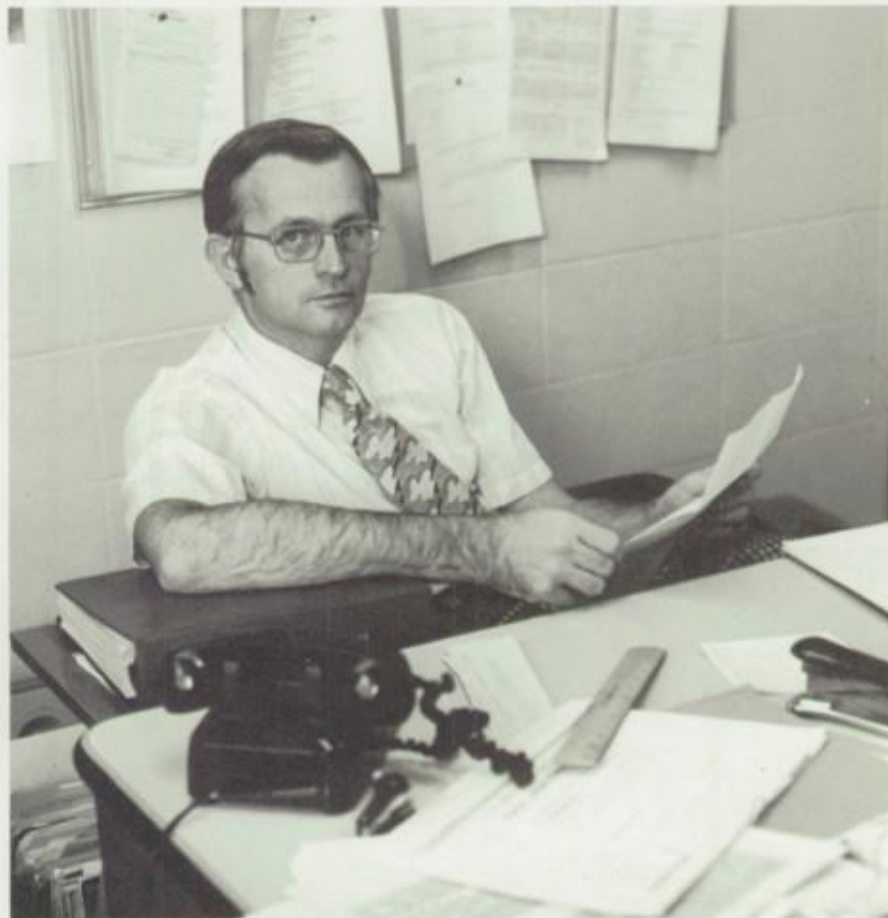

Even though the counselling department was reduced by several members, they continued to do an excellent, if somewhat busy job. Counselors also do an excellent job in scheduling and advising the students of Proviso West.

Above: Help in choosing the right college is what senior counsellors like Mr. Danes offer. Cathy and Nancy Spachman appreciate this kind of help. **Right:** A friendly smile helps set the mood in Mr. Ruby's office.

Left: Mrs. Schuett faces a desk covered with student schedules and referrals. **Below:** Mr. Lyne finds himself with a brief moment between counselling problems. **Bottom:** Working with seniors proves to be a challenge for Miss Hamilton.

English Offers Varied Activities

"Proviso Pete", theme folders, and novels were again part of the familiar English routine for returning students but new experiences for Freshmen and transfer students. Again this year, English classes offered a wide variety of activities and challenges.

This year's juniors found brand new courses opening up to them. Among the new courses, only one is a required course. The others are electives. The required course as well as the electives are based on contemporary American literature with an emphasis on student interests and student opinions.

Freshmen basic students found themselves in the middle of a new program which is being partially funded by government funds. If the program is successful, it will expand next year.

Above: Sophomore Academic students find team teaching classes a new challenge. **Middle:** Contemporary Humanities students pause on the steps of the Art Institute, which is one of the many places they visit during a typical semester. **Bottom:** DOWT students demonstrate their creativity while exploring philosophies.

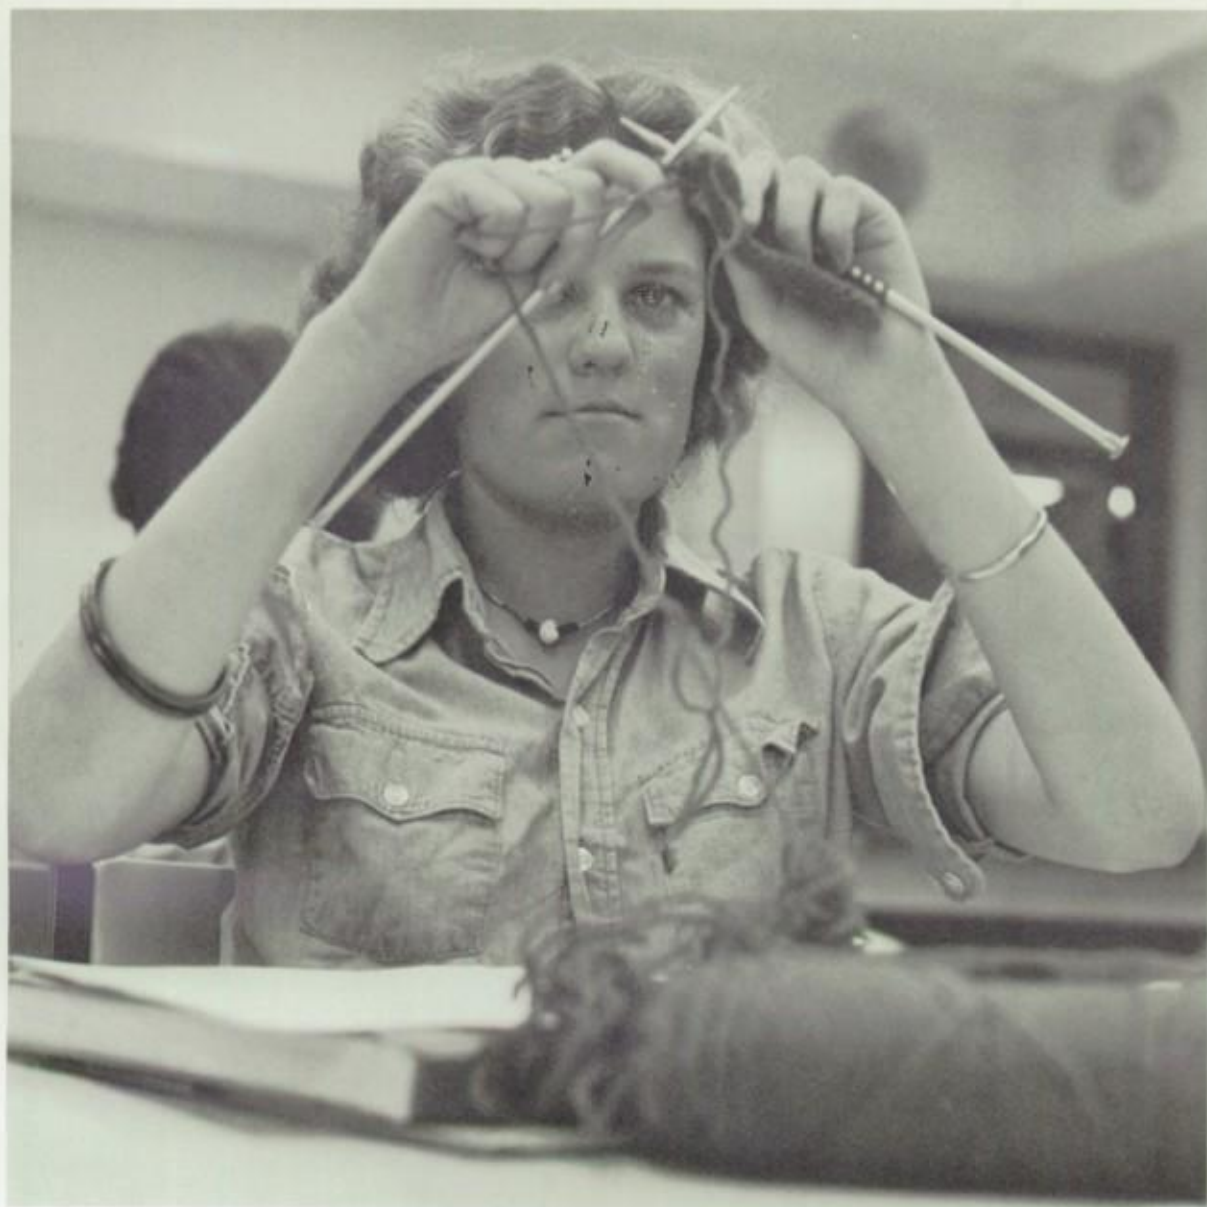

Above Left: Examining trends in local and Chicago newspapers is just one of the interesting activities that journalism students find themselves involved in. **Above Right:** Sometimes you just can't help but get involved in an interesting story, even if it is in a novel for English class. **Below:** Examination of news treatment of political candidates proved to be most interesting in this national election year.

Top: Keeping the flame at the right temperature is just one of the many things to remember in Foods classes. **Above:** Current films on common household problems help child care students learn important concepts. **Right:** Whoever thought sifting flour could be so much fun?

Home Ec. Gives Practical Skills

Home Economics again offered a variety of activities including "Foods," "Home Management," "Needlecrafts," "Clothing," and "Child Care Careers."

"Child Care Careers," which originated last year, continued to give students a chance to teach children of nursery school age. While in charge, students work with a predetermined theme for the day and teach nursery school children concepts related to the theme.

Left: Keeping all those stitches on the needles is one of the things that makes knitting a challenge. **Below:** Every good seamstress makes herself aware of the different grades of wool.

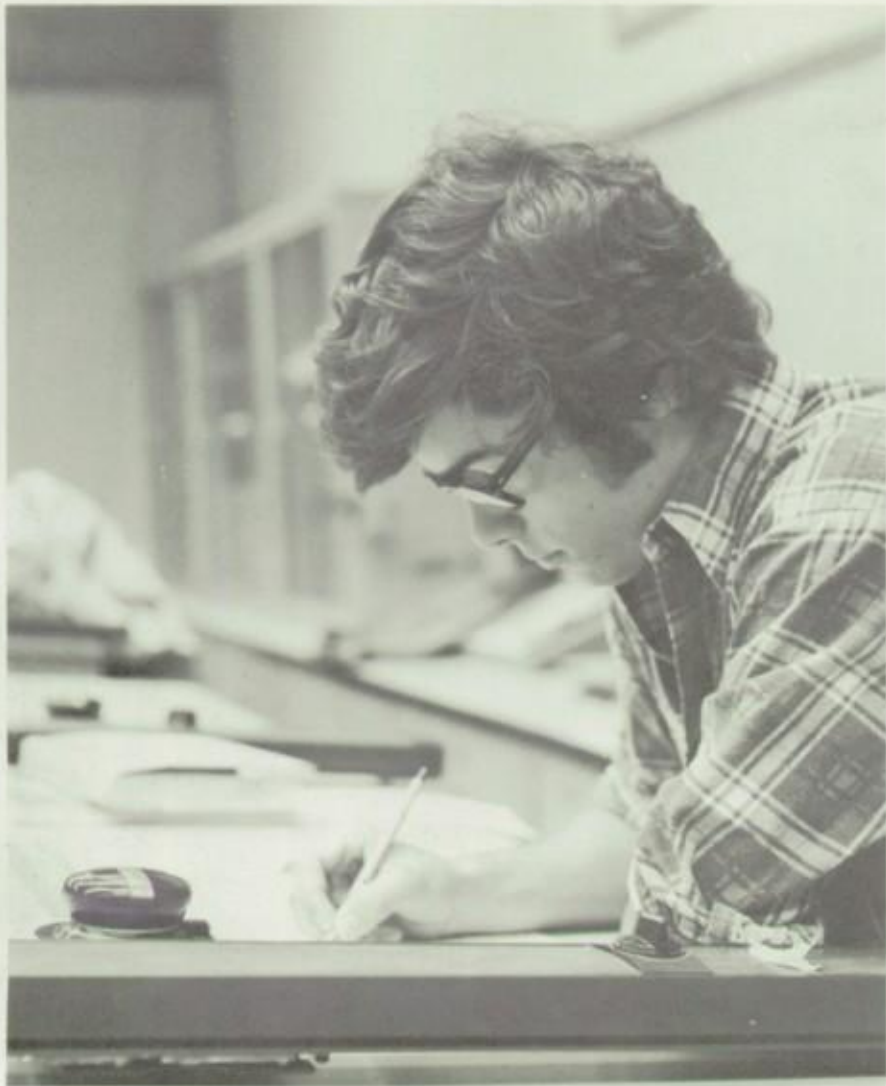

Industrial Arts Builds Skills

Students come to grips with mechanical drawing. Others make themselves familiar with the offset press; while others find that the California job case does not always offer sunshine and light. Nevertheless, students further their mechanical aptitude by taking the variety of courses offered by the Industrial Education department. Courses like Woodshop, Electricity, and Auto shop offer avenues for improvement to industrially inclined students.

Above Left: Patience, skill, and concentration are all part of successful mechanical drawing. **Above Right:** Running the printing press is not as easy as it looks. **Right:** Girls are interested in practical skills too!

Left: Accuracy is of key importance in mechanical drawing. **Below:** Mr. Larimer offers a bit of advice to an anxious student. **Bottom:** A true printing student finds himself lost in his job case.

Language Offers Real Challenge

Verb conjugations may seem to be the most important part of a foreign language student's life at some times of the year, but foreign language offers much more. The challenge of being able to express yourself in another language is a rewarding experience. Student's study vocabulary, sentence structure, and general grammar rules of what ever language they choose. West students become competent users of their chosen languages before the school year closes.

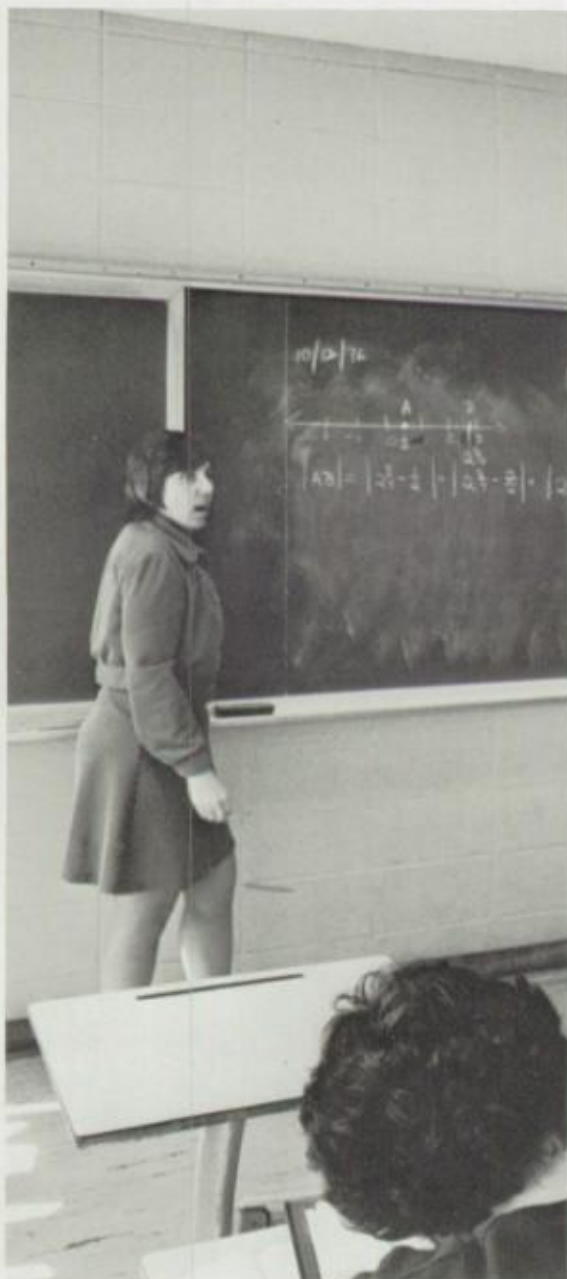

Left: Learning a foreign language like Spanish is hard work and sometimes just plain fun. **Above:** Miss Koumelis drills her class on vocabulary. **Below:** Mr. Wallace works with his French I class.

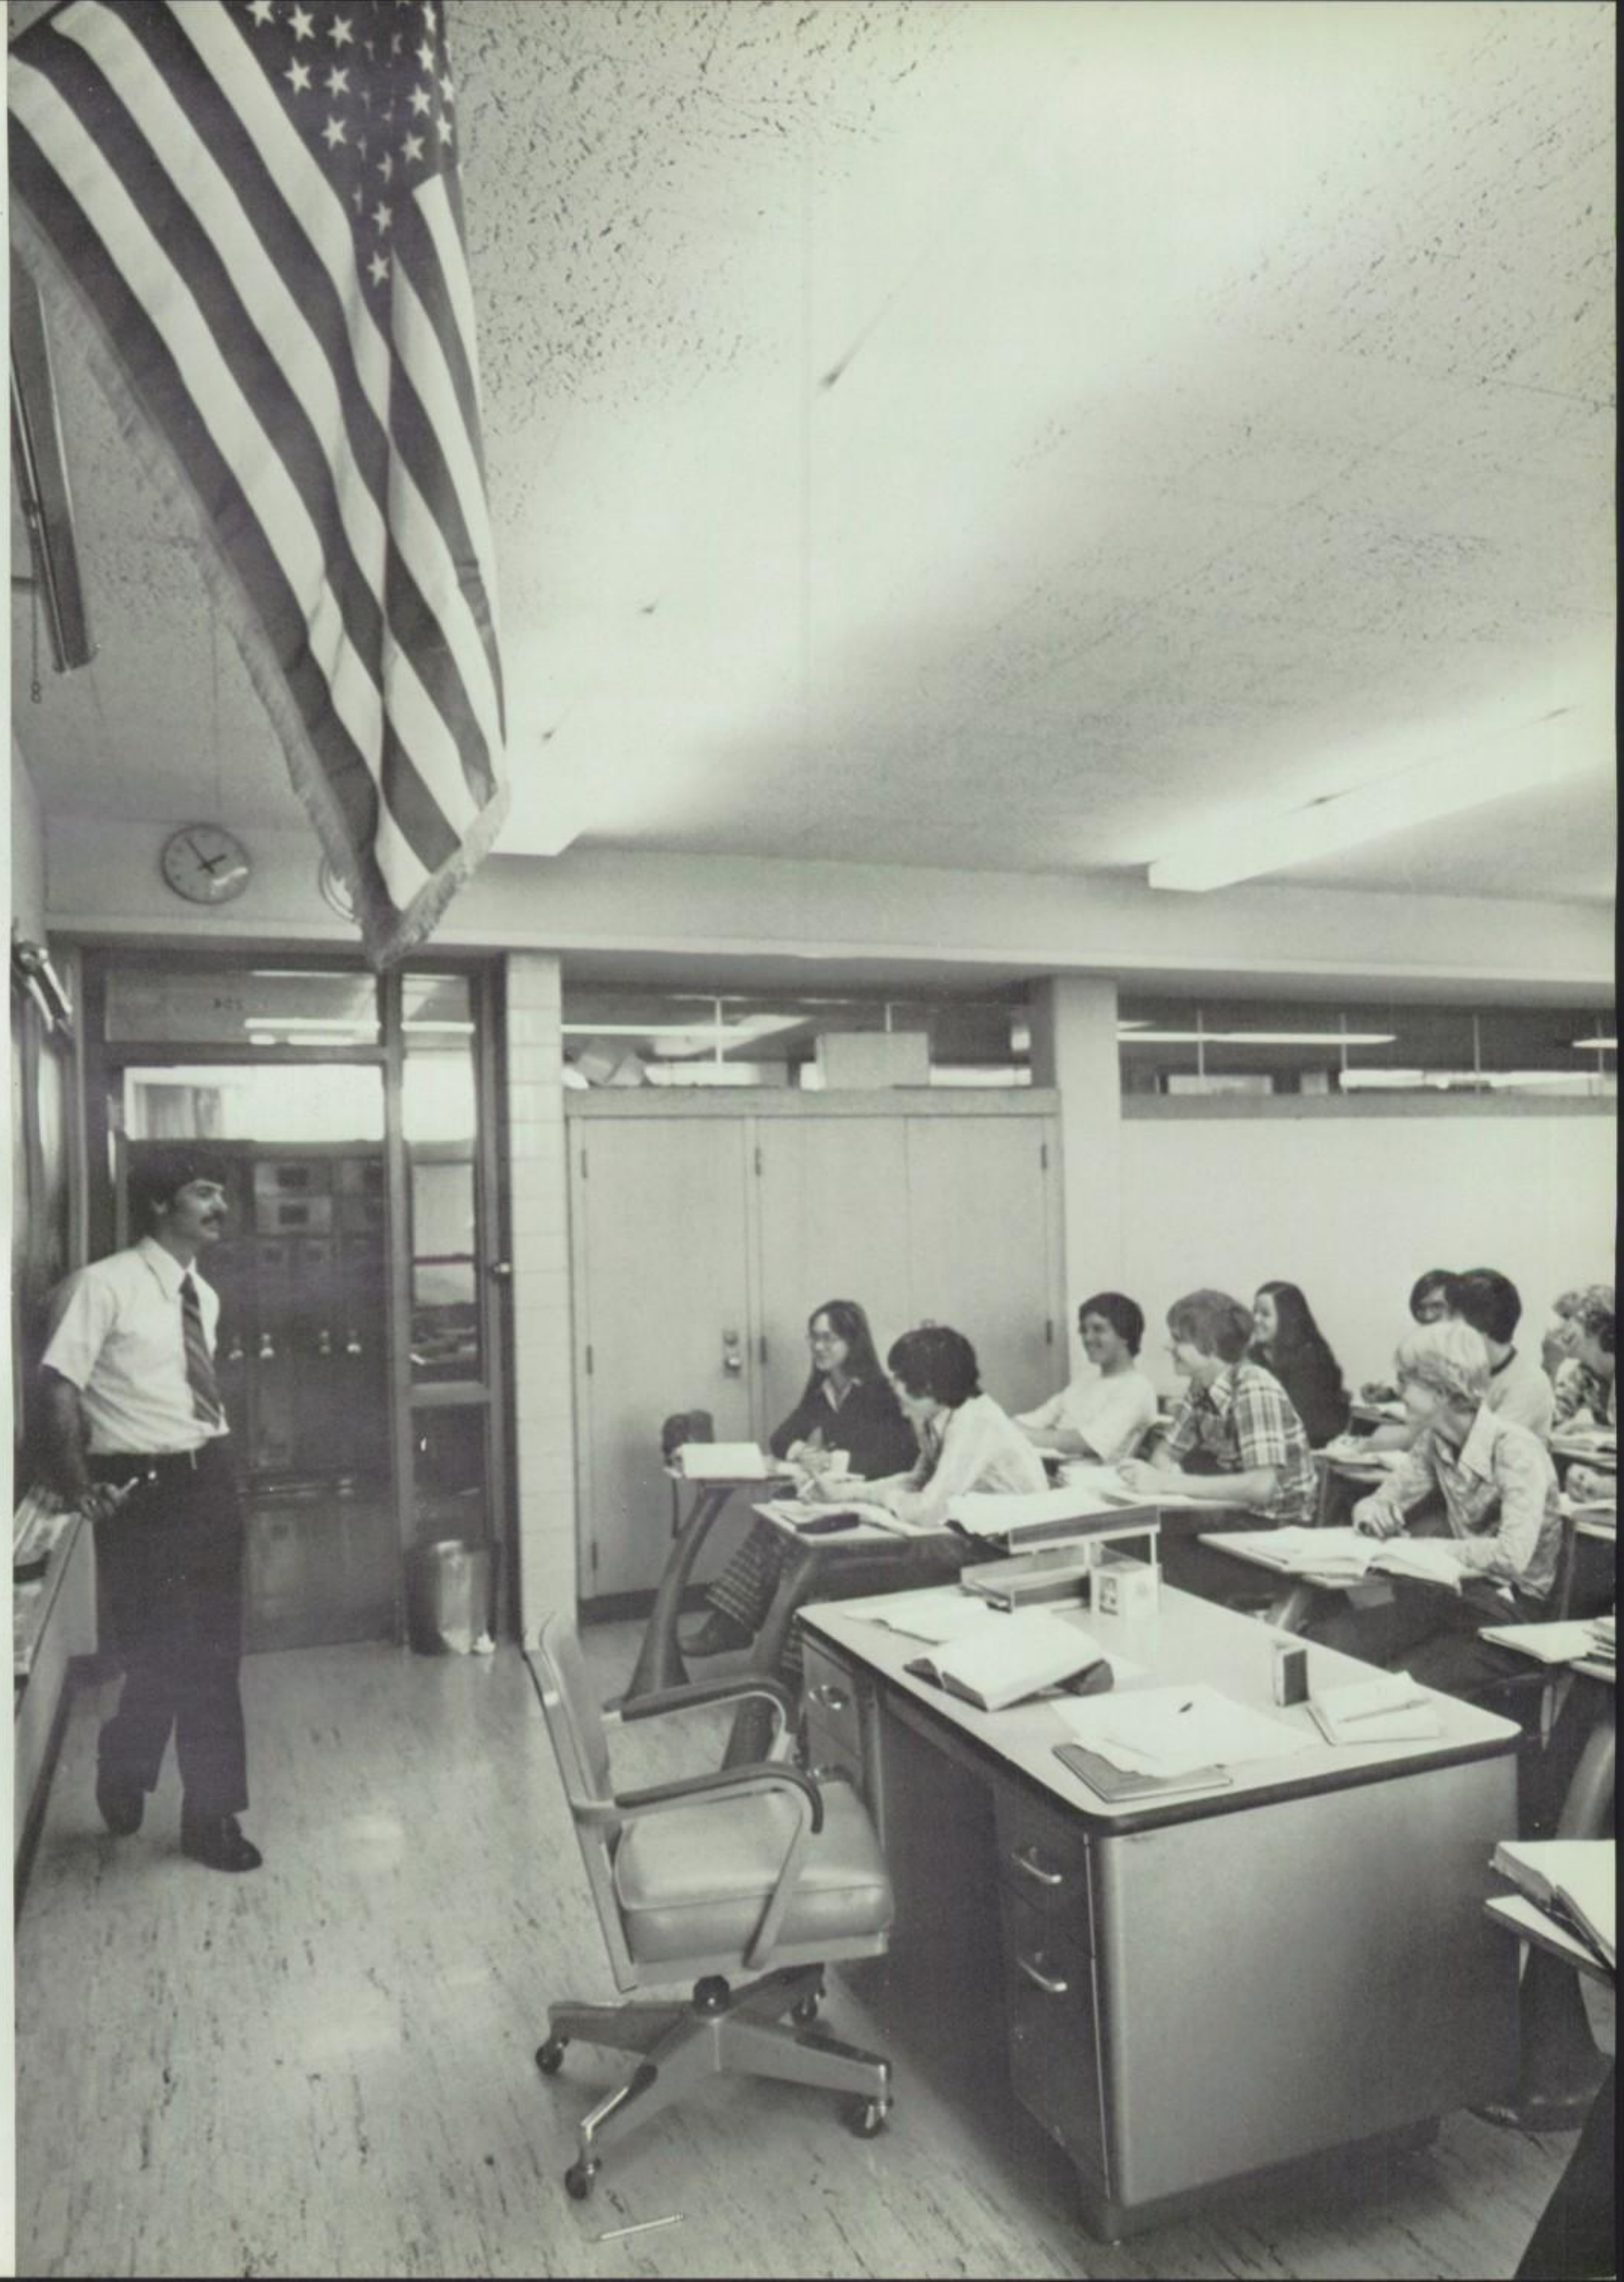

Math Offers New Experience

Computer assisted instruction was introduced into Math Fundamentals classes for the first time this year. Students in Math Fundamentals were able to communicate with the computer at East through terminals at Proviso West. Mr. Jack Turner and Miss Marie Hill continued with an experiment to teach Algebra I through applications; and Mr. John Woodward returned after a one year sabbatical leave during which he worked on his doctorate degree.

Right: Miss Hill explains today's Algebra problems. **Below Left:** Mrs. Bickel shows how to find the answer to what seems to be a difficult problem. **Below Right:** Mr. Boyd finds that working on a one to one basis is helpful in teaching math. **Opposite Page:** Mr. Chipman shows his sixth period students how to work tomorrow's assignment.

Musical Talent Sounds At West

If you're ever wandering through E Building, you're likely to hear the strains of the symphonic, varsity, or cadet bands as they work their way towards perfection. Probably one of the busiest departments in the school, the members of the music department find themselves constantly performing with various groups, whether they be the madrigal singers, one of the many other choral groups, or one of the bands.

Above Left: Playing the sax takes many hours of practice. **Above Right:** Practice makes perfect, even on the French horn. **Far Left:** West students learn that the voice can be an effective instrument. **Left:** Holding the instrument just right is part of the trick. **Above:** Playing the flute takes intense concentration.

P.E. Builds Strong Bodies

Jumping jacks, push-ups and laps around the track are not the only things that keep PE students moving. An extensive extra curricular program coupled with an outstanding extra mural program for both boys and girls helps to give Proviso students all of the chances that they need to develop strong minds and bodies. Proviso physical education classes offer West students an opportunity to excel in areas such as strength, speed, or agility.

Right: Weightlifting provides a challenge as well as a strain. **Below:** Girls classes warm up before getting down to business for the day.

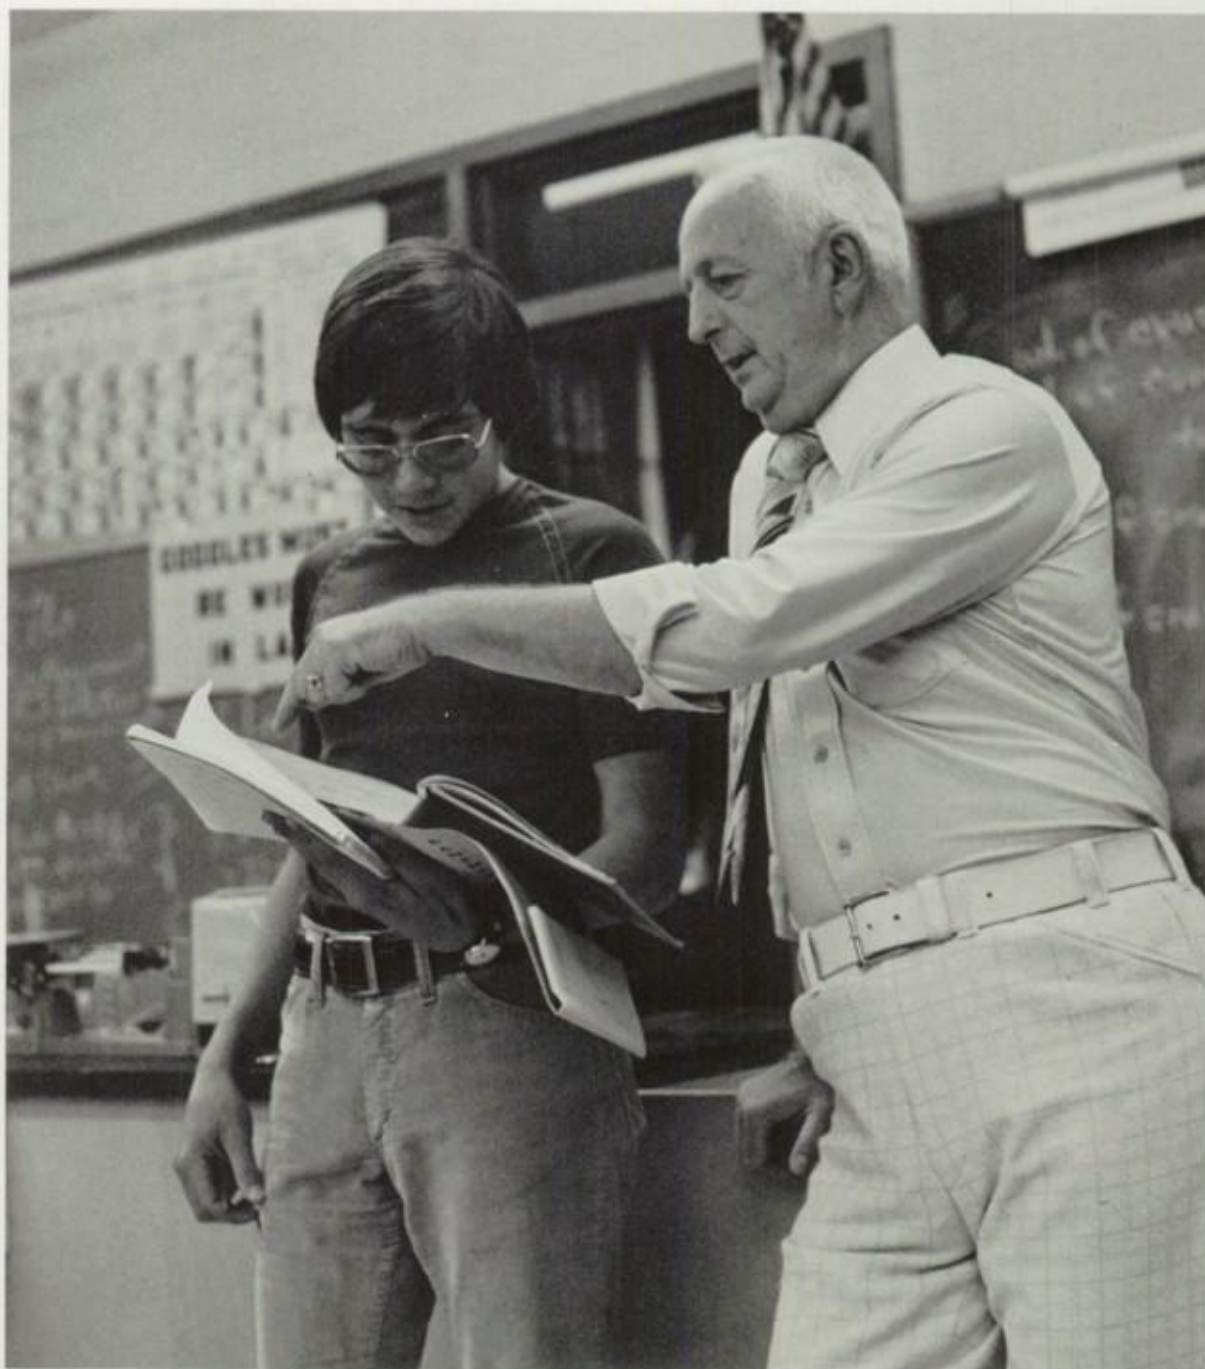

Top: Loosening up those muscles is a good way to start class. **Above:** Careful! Touching the net might cost your team the point. **Left:** Getting the ball through the net sometimes requires extra effort. **Below:** Fall and Spring mean that P.E. classes move outside.

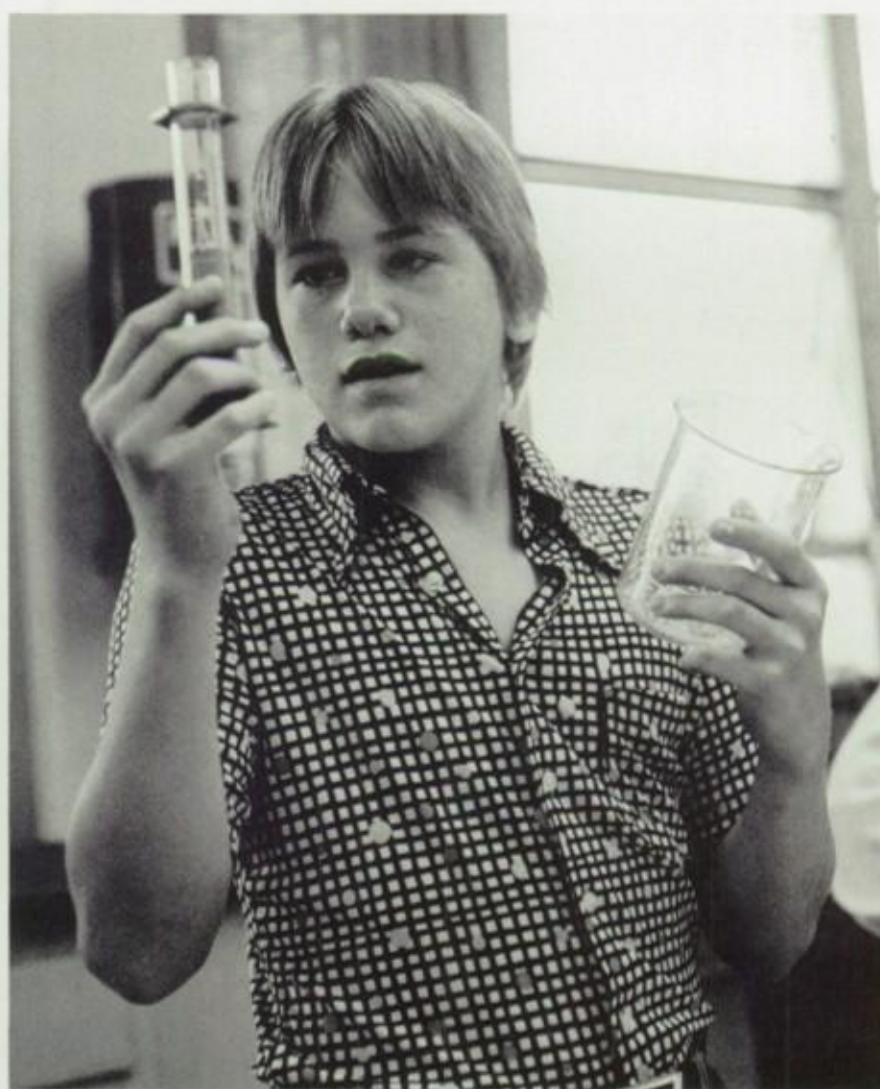

Science Keeps Minds Active

Test tubes, Bunsen Burners, and dissecting kits are not the only tools at the disposal of members of the science department. Teachers work daily with lab animals, microscopic life and organic elements in their quest to educate the students of Proviso West. Whenever students need to know the answer to a question that deals with chemistry, physics, biology, or general science, they can look with confidence to the members of the science department.

Right: Mr. Jack Ulery points out the answer to a perplexing question. **Below:** Nanette Vandevender is flanked by two students who try to help her unravel a magnetic problem.

Top: John Sinde tries to get the proper balance for the proper experiment results. **Left:** Making sure the right amount of chemical is added or extracted is crucial to any experiment. **Above:** The test tube and beaker become familiar equipment to students involved in chemistry experiments.

Social Studies Stimulates And Broadens Ideas

World Wars I and II, the Civil War, maps, the Constitution, and Laissez-Faire all come into focus under the leadership of the members of the Social Studies department. Members of the department once again took part in the CORE Studies and American Studies programs. One unique offering of the department continues to be psychology, where Freud, Maslow, and Pavlov become common names, known to all students.

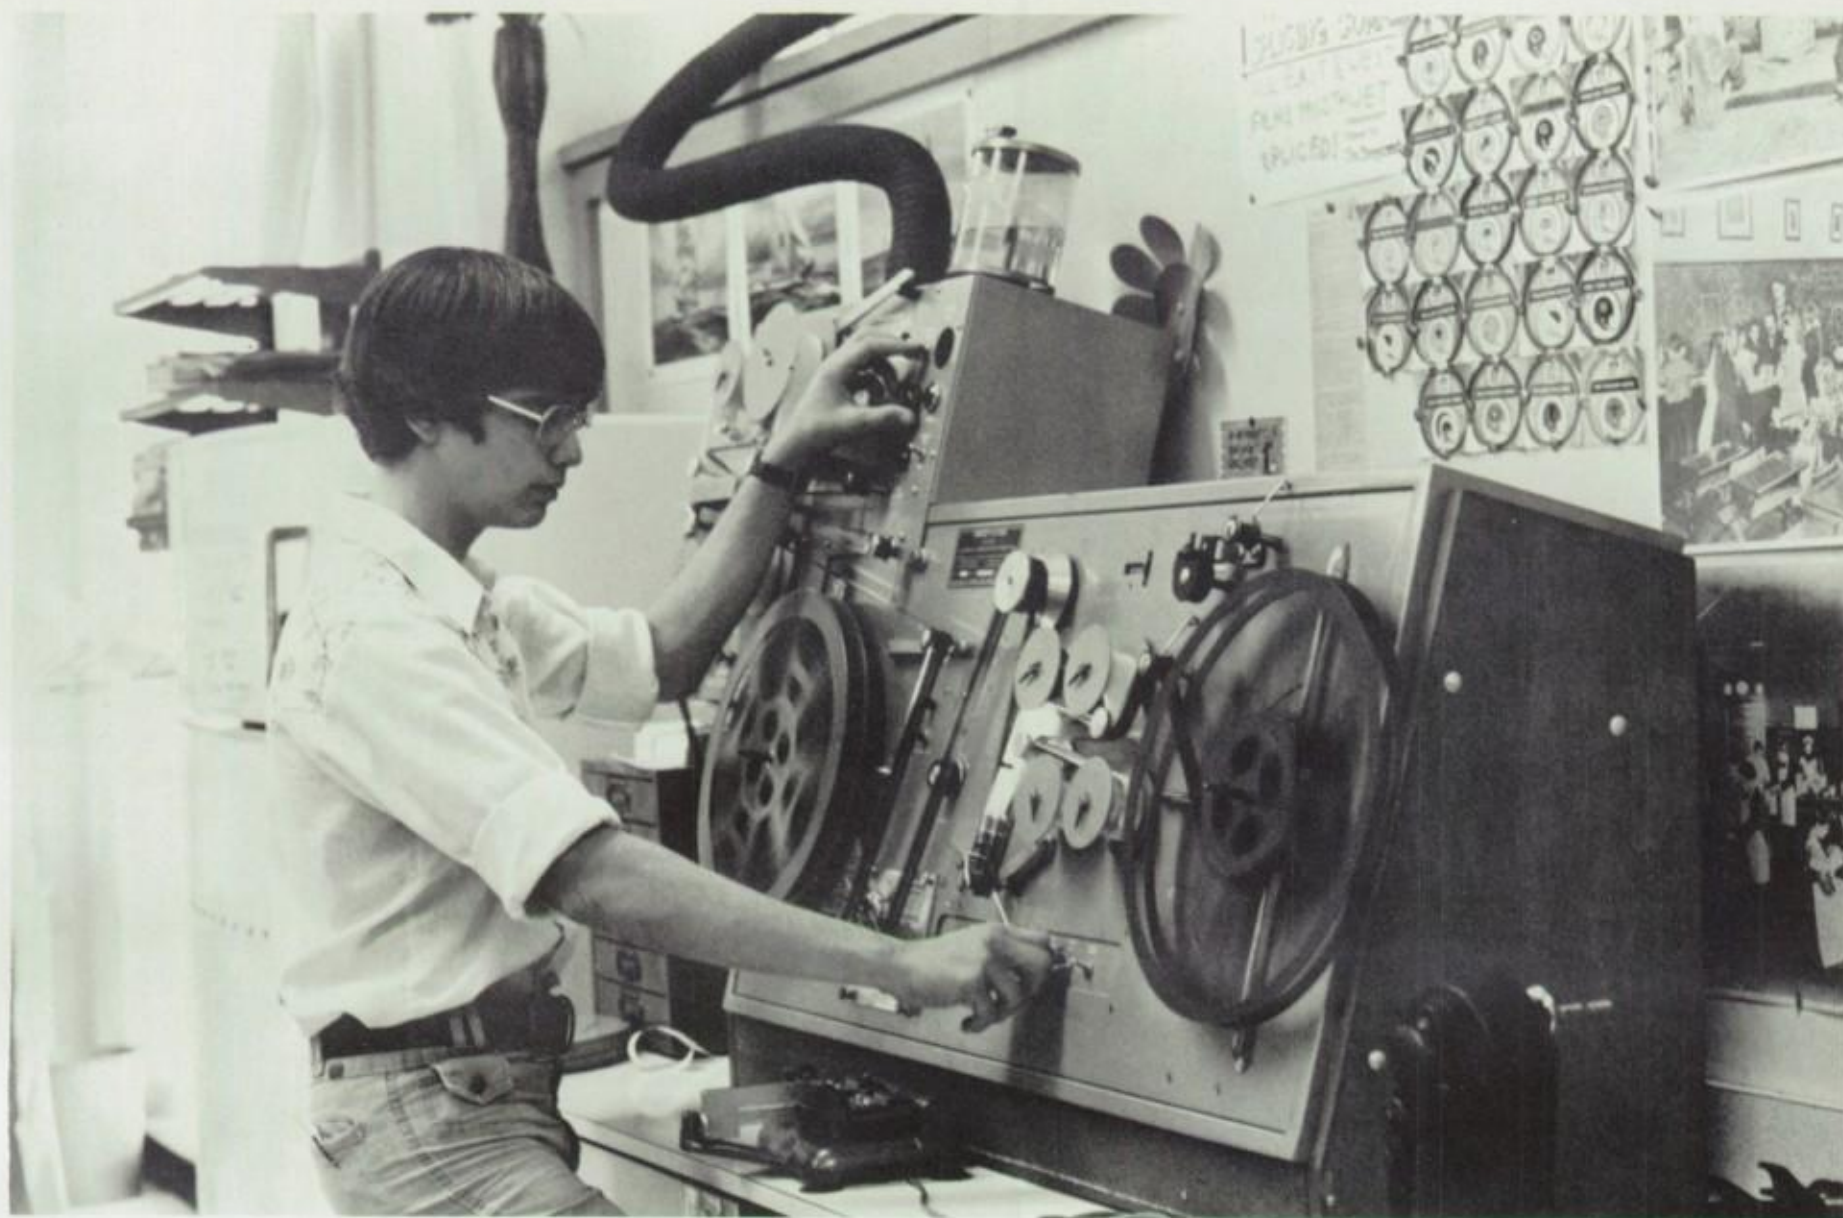

Special Services Assist West

Proviso is able to cope with special problems and situations thanks to the help of the special services. The library staff keeps thousands of books, records, and periodicals in order so that eager students can find information to supplement their class learning. Audio-Visual makes numerous equipment, like record players, projectors, recorders, and closed circuit television, available to faculty and students. The nurse's office provides a place of comfort and help to the injured or ill student.

Everyday the people involved in these special services find themselves involved in helping the students of West.

Above: The library provides a vast amount of material for the student who wants to take advantage of it. **Right:** Excessive theft of library materials made the new checking mechanism a necessity.

Top: Splicing film is just one service that the Audio-Visual staff performs. **Left:** School nurses deserve credit for doing their job well as this student aide seems to be pointing out. **Above:** Mr. Jedlicka finds himself always busy keeping the A-V department serving West.

Band Receives Bataan Award

Proviso West's bands continued to show their outstanding talents throughout the past year. In September, the Proviso West Marching Panthers, Panth'rettes, Flag Corps, and Color Guard participated in the annual Bataan Day Parade in Maywood. The Band received the award for Best Musical Unit, which involved a check for \$300 to be used to benefit all those involved in the Proviso West Band program.

The Band also appeared on television in the Chicago State Street Christmas Parade held in December.

Mr. Carroll Simmons and Band President, Dave Drapalik pose proudly with their Bataan Day trophy that declares them the best musical unit in the annual parade.

West Orchestra Continues To Excel

This year the Proviso West Orchestra made its 4th trip to Champaign, Ill. on February 12. Selections played at this concert were **Dream of Scipione** by Mozart, **Fantasia on Alleluia Hymn** by Jacobs, and **Suite for String** by Purcell. The orchestra also gave a spring concert and entered the annual music contest.

Madrigals Bring Christmas Spirit

Once again Proviso's Best singers welcomed in the Christmas season with their 16 singers and two Jesters selected only by audition. The Madrigals are the very best singers at West. The fourteenth century medieval costumes added much color to the singers, but the elegance of the costumes was surpassed by the exceptional singing. During the year the Madrigals have sung at various shopping centers and retirement homes. Conductor of the group is Mr. Fred Smalley.

MADRIGALS. Jesters: Maryann Beccasio, Mike Fitzgerald. **Row One:** Bonnie Martin, Kerry Smith, Kenneth Robinson, Renee Bone. **Row Two:** Walter Mack, Alison Adkins, Mary Palermini, Sue Dearing. **Row Three:**

West Vocalists Unite To Form Concert Choir

The traditional Robing Ceremony officially opened the Concert Choir's 76-77 season. During the ceremony, new members were welcomed into the choir. Following the ceremony, the newly instated choir performed a series of selections for the audience of relatives and friends.

Throughout the school year, Concert Choir, directed by Mr. Fred Smalley, performed on various occasions. For the West student body, the Christmas vacation began in the festive spirit of the season thanks to the seasonal tribute in song performed by the Concert Choir at the Christmas assembly.

Forensics Hosts 1977 Contest

Reader's Theatre once again proved the outstanding merits of its members at the Thornwood Individual Events Contest on Jan 22, with a 4th place award out of 25 schools. Other senior members, including Sharon Owen taking 4th place in Radio out of 92 contestants, continue to increase Proviso's rank in speech events. April Hochovar, Alison Adkins, and Mirjana took 1st, 2nd, and 3rd places in this year's local Voice of Democracy Contest. Proviso West High School Individual Events team was host for the 1977 I.E. Contest in February. Being chosen to host the contest is an honor for the school. Both Sharon Owen and Dana Agliata ranked high enough in the contest to be eligible for state competition.

Tech Guild Aids Thespians

Have you been at a school play lately? Have you seen the props and background scenes? Well, the credit goes to the Tech Guild. Before a play can begin, the Tech Guild spends many hours designing, making, and arranging the props, and background scenes, so the play can be a success. Outstanding members of Tech Guild were recognized for their achievements at the annual spring banquet. Mr. Robert Grothe presented to these members Tech Awards for exceptional work in lighting, set design, and other fields.

While technical guild members (background) work on stage setting, Proviso West High School players rehearse a scene from the fall play "Death Takes a Holiday" that was presented in 6 performances in the Little Theater. "Then it is a bargain," says Death (left) Dave Venetucci, to Ken Rubin (center) and Kathie Greco (right). In background, tech guild members are Pam Lenc, and Ron Enslinger.

Thespians Hold 'Academy Awards'

Thespians is a select group of a few imaginative and talented actors, actresses and stage crew members. To be in Thespians, a student must act in two plays or be a tech crew member and leader for two plays. This year Thespians put on "Death Takes a Holiday" directed by Mr. Wygandt, "Ballad of the Sad Cafe", this year's contest play directed by Mr. Grothe, and "An Evening of One Acts", directed by Mr. Wygandt. Thespians had many other activities besides the school plays. For example, the Fall Induction Ceremony, the state Thespian convention at which a Proviso student ran for office, and a spring end-of-year Banquet. The Banquet was held at Lilac Lodge and was a mock Academy Awards, with students voting for others on awards. New Thespians are picked every spring by the sponsors- Mrs. Grothe, Miss Pelc, and Mr. Weygandt.

"Then it is a bargain," says Death (Dave Venetucci) to Ken Rubin and Kathie Greco. (Right)

NHS Accepts New Members

The Sixteenth Annual Induction for the Ceremony and Reception for National Honor Society proved to be very successful again this year. Speakers at the November 18th ceremony were Donna Czaplewski, Karen Lussier, Paula Tobinski, Sharon Owen, and Jennifer Goletz.

Introducing the speakers for the ceremony was Frank Papatheofanis. Special guests were Mr. Arthur E. Vallicelli, Principal of Proviso West High School and Dr. Charles C. Holt, Superintendent of Proviso Township High School.

This years N.H.S. officers were Frank Papatheofanis, President; Chris Swider, Vice-President; Kenneth Pojman, Secretary; David Koca, Treasurer. Once again, Mr. James Cameron accepted the responsibility of Faculty Advisor.

Student Council Aids Channel 11

This year Student Council started with success during Charity week by donating \$1999.50 to Channel 11 for purchasing new shows. Mark Ververka, '76-'77 president appeared on television along with Peter O'Reilly and Tom Konopiats to present the check. The next event was Homecoming which was entitled "Beatlemania" and the dance was "Magical Mystery Tour". Two new events which student council participated in were a radio program which was broadcast on an Elmhurst station and the election of an Executive Board member, Diane Bieber, to the N.E.D. office of Secretary. For the annual Christmas project, the Executive Board held a party at the Marryville Academy children's home. Student Council is a contemporary organization which will continue to grow and progress each year.

Interested Girls Join Key Club

Key Club at Proviso took on a new look this year by adding a few interested girls to a formerly all male organization. Activities varied as usual with the club helping to raise school spirit, aiding in community-minded affairs, and working closely with the Westchester Kiwanis Club. The biggest event of the year was the November "Almost Anything Goes." It involved teams from both faculty and students. The Homecoming skit presented a visit from the Beatles and at Christmas Santa arrived with gifts for the teachers. In the community, the club helped with Peanut Day, Pancake Breakfasts, and blood drives. Overall Mr. Clish said, "This is the hardest working group of people I've ever had in my six years as sponsor."

Panth'rettes Are Reigning Champs

The Proviso West Panth'rettes, with the help of their new adviser, Mrs. Laurel Waszak, have worked hard to bring success to the '76-'77 school year. The reigning state champions have performed at basketball and football games, pep assemblies, and local parades. Also, this year the Panth'rettes were seen in the State Street Christmas Parade, the Chicago Bulls Basketball Half-Time Show, and on a special news report on WLS-TV. For the first time in Panth'rettes' history, the team held their first competition sponsored by 'Half-Time U.S.A.'

Spirit Shows In Cheerleaders

Cheering the teams on and keeping the hopes of the crowd high is just part of the job a cheerleader does. At all basketball, football, wrestling, soccer, and gymnastics games, you can find the West cheerleaders yelling the teams on to victory.

Each year the cheerleaders attend a cheerleading camp during the summer to learn some new tactics. This past summer, Rayetta Cullerton and Karen Lussier received special awards during the summer session.

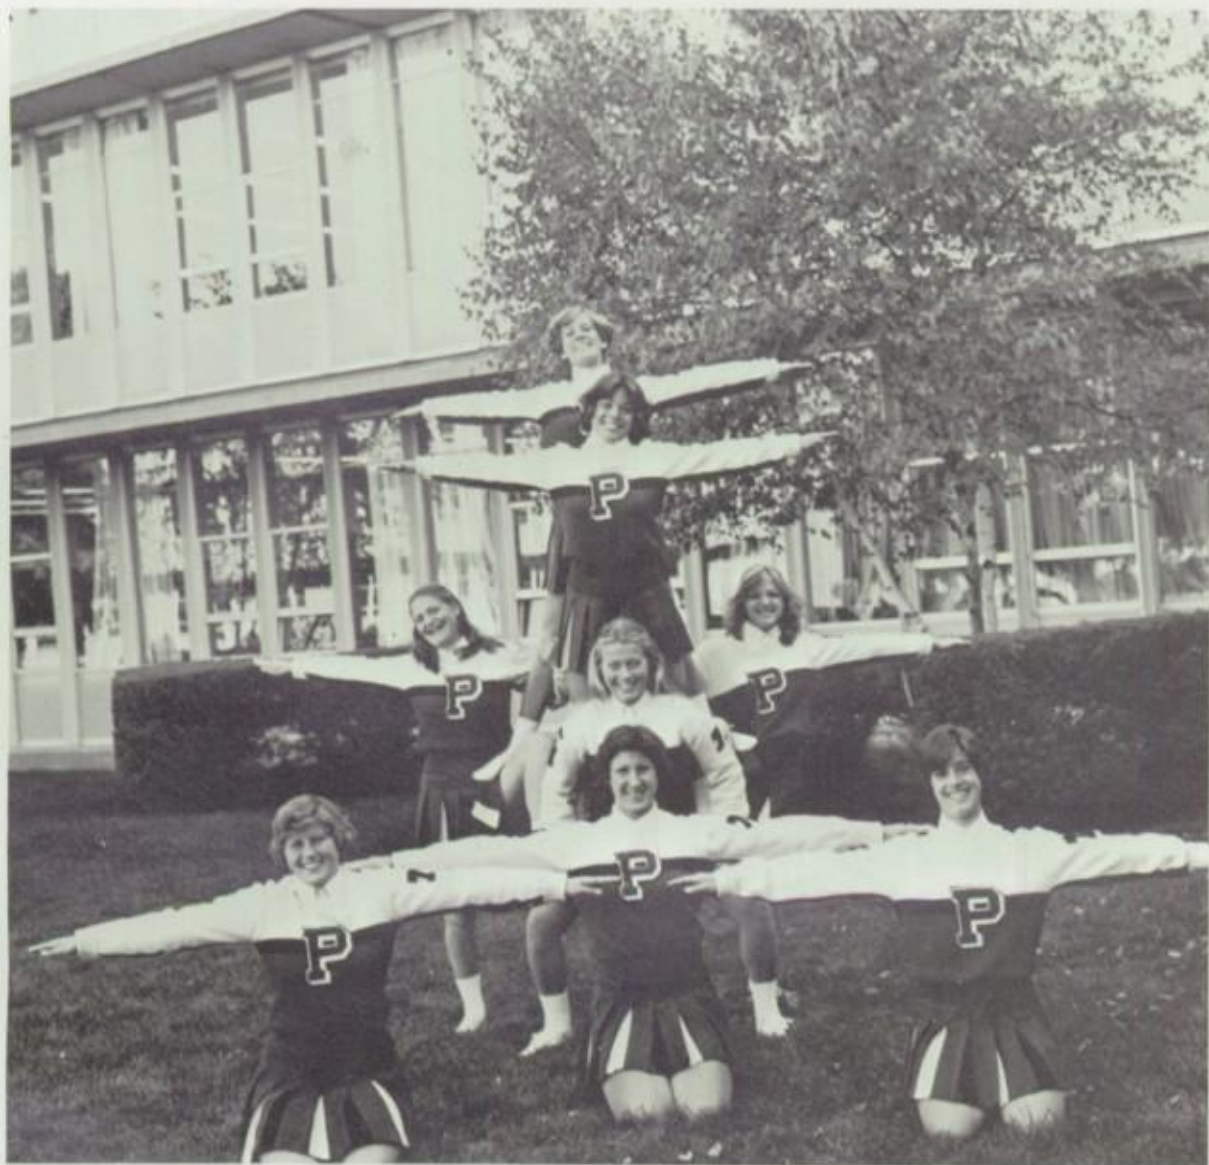

A highlight of the 76-77 school year was when the Varsity squad progressed to tournament competition.

Pacer Showcase Is Dedicated

This year the Pacerettes did something really special. They built a showcase in memory of Danny Jones. He was a former Pacer who died by falling through the ice while practicing with another teammate Mike Robins. They also had a Pacerette hockey game between periods of the Alumni game. Girls with brothers on the Alumni team played against the girls with brothers or friends on the Proviso team. The score was 4-1 in favor of the Alumni Girls team.

Usherettes not only usher at plays, but they also usher at sports events. The usherettes bought tee shirts this year which they wore at sports events. They scheduled a Christmas party and a carnation sale.

TGWS Girls Are Invaluable

TGWS Hostesses are invaluable to Track, Cross Country, Gymnastics, Wrestling, and Soccer coaches and players. They assist coaches by scoring and recording for the events. The five officers conduct the monthly meetings, keep records of service, and train new members for the duties. Awards are presented at the end of the year to members who have served the purpose of the club. First year members receive a patch for their jacket or sweater, second year members receive a silver charm engraved with the club's name, and third year members earn an enameled pin. The two social events that highlighted their school year were an outdoor cookout in September and a Christmas party.

Club Members Develop Own Interests

The Bicentennial year proved to be an exciting one for members of the Stamp and Coin Club who acquired and displayed bicentennial coins, commemorative postage stamps, the new \$2 bill, and special medals and first day covers. At informal meetings throughout the school year, philatelists, or stamp collectors, and numismatists, or coin collectors, traded, studied, and admired collections belonging to others. Throughout the year, club members were able to develop their own interests as well as enjoy the fellowship of others who were interested in similar areas of stamp or coin collecting.

Orchesis Shows Dance Creativity

Orchesis is a club that gives girls who take an interest in dancing the opportunity to express themselves creatively to music. Orchesis meets every Tuesday and Thursday after school in the dance studio. They also present an annual spring show, which is worked on all year by members. Orchesis is open to any girl or boy who is creative; experience is not necessary.

Selected Girls Go Downstate

During first semester, music could be heard in the halls of A basement, as girls in Choreography prepared their dances for the annual concert. Choreography is a dance class for girls who wish to expand their knowledge in the field of dance. Every girl tries out the previous spring by creating her own dance composition to music. She is then judged on her creativity and originality. The class replaces a regular gym class during the first semester. The annual dance show took place on January 20, 21, and 22. The girls choreograph their own dances, construct sets, and design costumes with the help of their sponsor, Mrs. Laurel Waszak. A few selected girls had the opportunity to go down state to ISU to attend a dance workshop and concert.

Cold Winter Aids Skiers

Proviso's Ski Club was thankful for the cold, snowy winter as they enjoyed numerous weekends on the slopes. Many Fridays during the winter, Proviso ski buffs could be seen with their skis, poles, boots, and bindings in tow as they waited for the bus to take them up north to snow country.

Afro-Americans Form Club

The Afro-American Club of Proviso West formed late in the first semester of the 1976-77 school year. A group of interested students asked Miss Cynthia Phillips to sponsor the organization. Mr. Charles Phillips and Mr. Gerald Wallace also acted as sponsors. The purpose of the new club is to promote the interests and understanding of Black people.

FISHING CLUB. **Front Row:** John Gordon, Steve Dusanek, Tom Hohman, treasurer; Darwin Currens, president; Jim Schramek, secretary; Dom Mondo, vice-president. **Row Two:** Frances Guido, Karen Blankenship, Mike Lalla, Tom Schramm, Dave Hack, Paulette Oddo, Vicky Soulides, Reha Guadagnoli, Mr. Paladino, Mr. Gruner, sponsor; Joe Coma, Bob Furio.

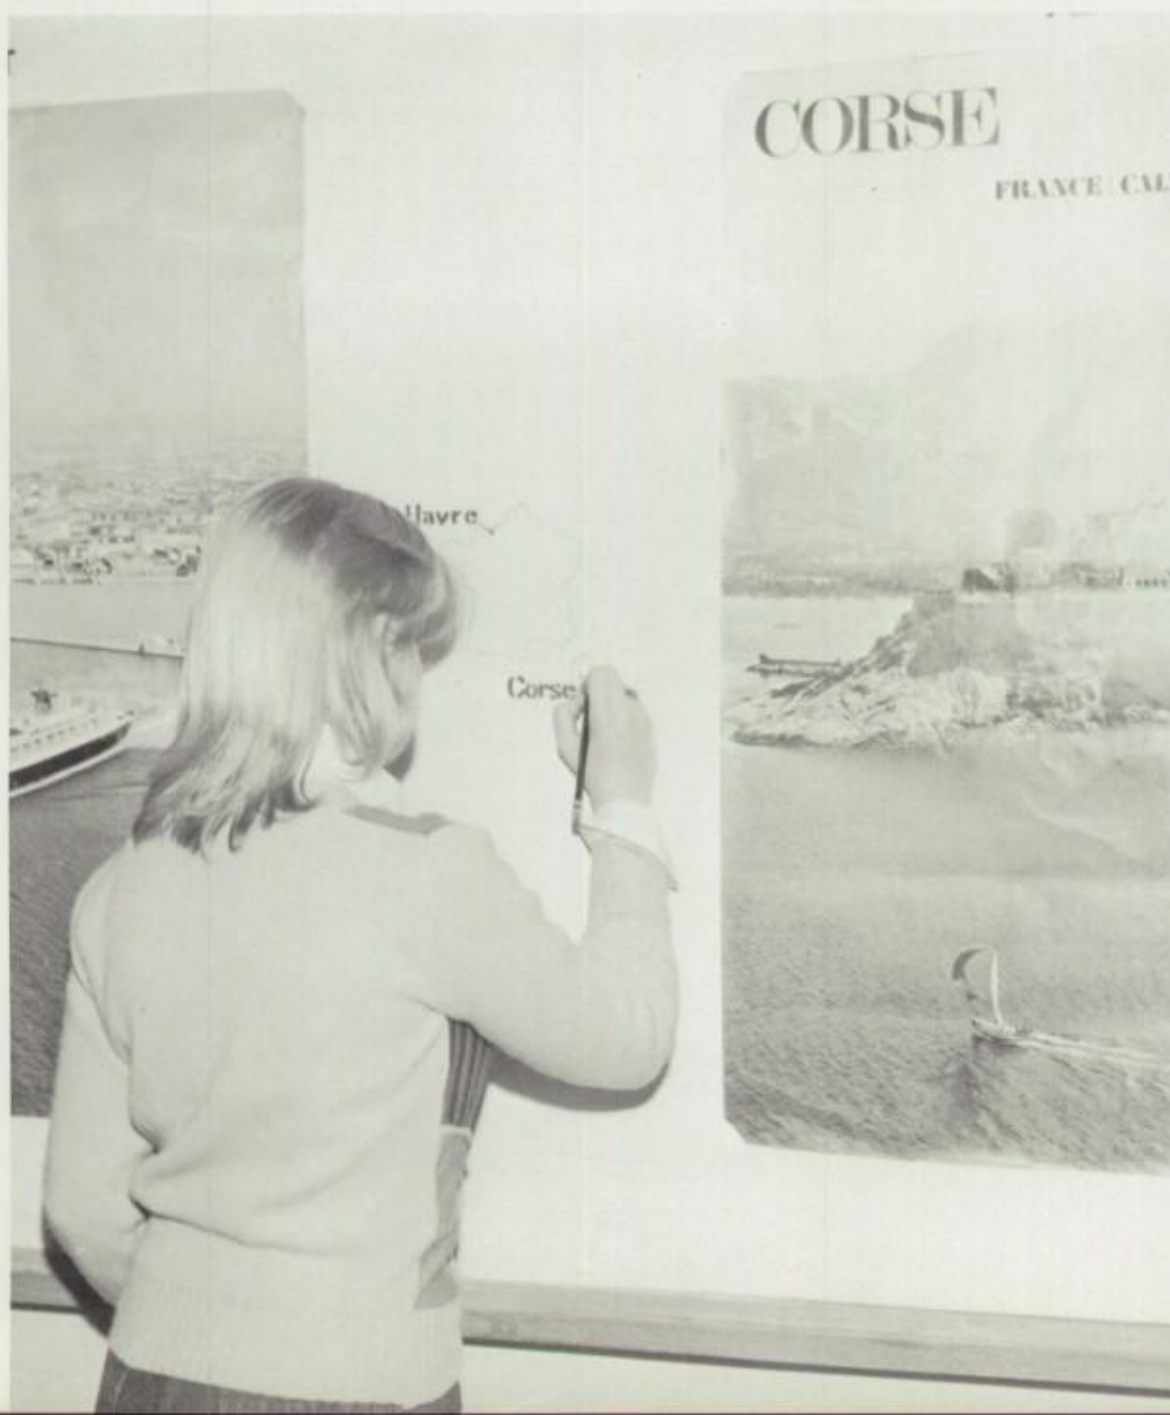

Fishing Clubbers Try New Lures

This year, the Hook, Line, and Sinkers showed everyone that they were truly a fishing club. The Club made three trips to Pyramid State Park in Southern Illinois. There the bass fishing was terrific. Mr. Grunner, an earth science teacher, showed the Hook, Line, and Sinkers how to really catch fish by catching a 6 pound large mouth on the second trip. The club also made new types of fishing lures, which members used on many of the fishing trips.

den, Sherry Melichar, Julie Silunas, Robert Moreschi, Leslie Chase, Richard Coyne, Cathy Battle, Monica Banas, Karen Polak, Cathy Riedl, Karen Elftmann.

French Club Remains Active

French Club did many things this year. The club won second place in the car division of the float contest at West's Homecoming. French clubbers also participated in the Dec-A-Door contest during the Christmas season. The club, which is interested in promoting French culture, planned an annual Fondue party and a trip to a French restaurant in the Spring.

German Car Wins Prize

For people who love German food, German club is for you. They ate at a German restaurant and went to the Museum of Science and Industry to see the Christmas displays. This year German club won first place for their Homecoming car float entry. They also had a Halloween party, a picnic in the spring, and they went on their annual trip to Milwaukee.

Lettermen Hold 'Super Stars'

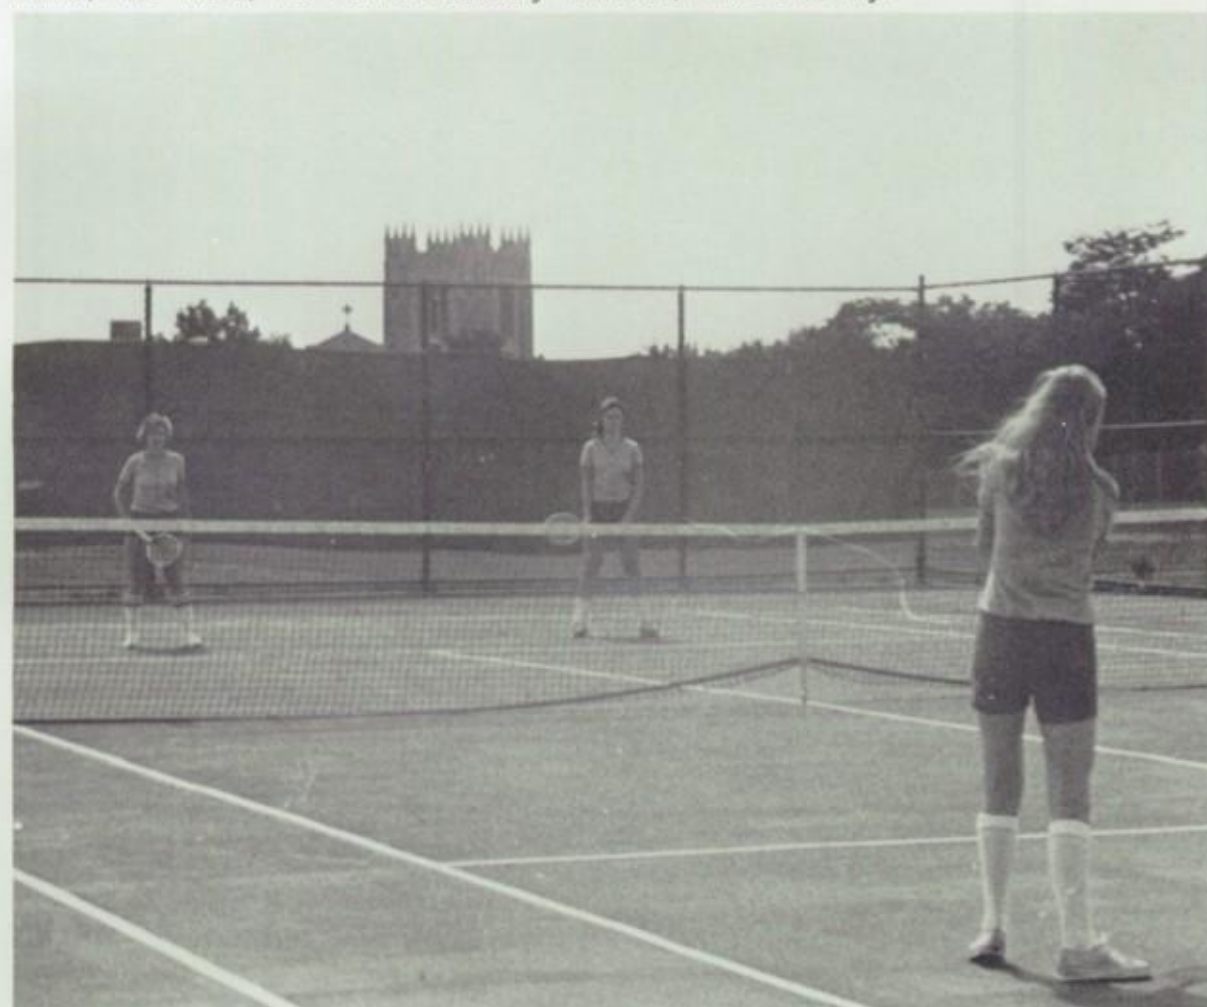

This year, the Letterman's Club did something different. They held a 'Super Stars' day in March. The athletic contests were open to both student and faculty teams. Events included volleyball, relays, softball throws, a tug-of-war, swim relays, and an obstacle course relay. The event proved to be exciting and entertaining for all involved. This year, the Lettermen were under the direction of Mr. C. Phillips.

TENNIS CLUB. **Front Row:** Jim Klein, Gerardo Barrientos, Todd Frandsen. **Row Two:** Debbie Alles, Barb Fraser, Wendy Larson, Bev Polak, Joe Nidea, Tony Nidea. **Row Three:** Pam Fraser, Hilda Ambron, Karen Hlinka, Luis Nidea, Pat Gomez-Secretary-Treasurer, Mike Sweendy.

Raquet Fans Play Tennis

Tennis Club welcomes new members with their annual Membership Week. In the spring and fall out on the courts, and in the winter in the fieldhouse they participate in free play, round robins, and tournaments. They also hold a slash party during the year.

CINE. Front Row: Mr. A. R. Jedlicka, Robert Martini, Gary Motsinger, Jim Waters, Matt Kuhn. **Row Two:** Joe Matrisciano, Ron Klinge, Mike Bicek, Joe Wolski. **Row Three:** Tom Cohan, Bob Prazak, Kevin Mon-

CINE Offers Varied Activity

Special projects and activities highlighted the CINE club's year. Among the special projects were the audio recording of such school programs as the swim show, the dance programs, school plays, and concerts given by the West Choirs or bands. Other projects included the video taping and playback of educational programs, classroom projects, and athletic events.

Club activities included a senior farewell party and the presentation of Cine's annual scholarship award. The scholarship is awarded each year to a student who has been a Cine member for at least two years and who plans to attend college or a trade school.

Camera Buffs Develop Talent

New Camera Club members as well as old members learned new techniques in camera club this year. Members reviewed the processes involved in developing and printing black and white pictures and worked on developing and printing color pictures. The new enlarger provided by the Booster Club proved to be a great help to the Camera Club members.

Photography has become an exciting hobby for the members of the Camera Club, led by Mr. William Haas. Again this year, members had an opportunity to enter their pictures in several photo contests in order to gain both experience and recognition for good work in photography.

Chess Buffs Learn and Play

The Chess Team this year became one of Proviso West's most outstanding clubs. The Chess Team with only about twenty-five members meets Tuesday and Thursday nights after school.

Mr. Stilwell and Mr. Marino feel that their club will continue on their winning way.

Mural Continues Picturing West

Working furiously to meet deadlines, the Mural staff once again succeeded in getting out the book. This year's staff under the direction of Don Moore, editor, and Mrs. Bosky, advisor, was a blend of veteran yearbook workers and new members. Because the staff was made up of only a dedicated few, many members had to work harder than in past years. The end result, though, proved to be another fine yearbook that West can be proud of. This year's cover design is the work of senior Lee Ann Naylor.

Profile Expands List Of Honors With Medalist

Proviso's nationally-recognized **Profile** added some prestige to its list of accomplishments. The **Profile** was used as an example of an outstanding news-magazine at conventions in New York and Oklahoma. **Profile** was also featured in the November issue of **Scholastic Editor** and the Columbia Scholastic Press Associations **Newspaper Fundamentals Scorebook**, which goes to schools all over the nation.

Profile was ranked in the 'Medalist' category for high school news-magazines. 'Medalist' is used to designate less than 10% of all high school publications in the United States. Any paper receiving a 'Medalist' ranking must be specially selected by the judges because of outstanding qualities.

Ecology Club Gets Involved

The Ecology Club is a club for any student at Proviso West who enjoys working for the preservation of wild-life, who enjoys the outdoors, and who enjoys the study of the environment. Their craft, candy and film projects help them to raise money to contribute to organizations such as SAVE the SEAL and SAVE the WHALE Foundations. The club's pollution study and work with the nature center has helped them to realize the importance of the land. SAVE the PRAIRIE is another activity that the Ecology Club is involved in.

Stereo Club Forms At West

Stereo Club is a new and popular organization at Proviso West. Members had the opportunity this past year to trade record albums and popular tapes. Under the direction of Mr. Caponigro, the club members also learned how to repair 8-track tapes. The club members hope to arrange music related field trips in future years.

West Students Show Interest In Government

Youth in Government continued to be a popular club during the '76-'77 school year. The members were able to participate in meetings with other schools during December and January. At these meetings the group members discussed governmental bills that they had worked on. The highlight of the year for Youth in Government was the three day meeting during March in Springfield, where the youth legislators were able to assume the roles of representatives, senators, and members of the executive and judicial branches of state government.

Bowling Expands

This year Girls Bowling was divided into Intramurals and Interscholastics. Intramural bowling was open to any girl who is a student at P.W. They bowled every Wed. afternoon from mid-Sept. to the end of January. The girls formed five person teams and competed for trophies.

The Interscholastic team was composed of 10-15 top intramural bowlers. This team had extra practices and bowled against other schools. Their conference meets were against Lyons, Hinsdale Central, Downers Grove North, and York. They also bowled non-conference against Morton West.

Girls' League Has Active Year

Girls League had many activities throughout the year. To welcome new members Girls League had an ice cream social. They entered a car in this year's Homecoming Parade. Every month there was a meeting; by attending the members earned loyalty points. During the year bake sales were held to raise money for the club. Girls League presented their annual father-daughter banquet and dance entitled, 'King of My Heart.' In the winter Girls League sold Christmas candles for charity, and participated in the Dec-a-Door contest. In February they held a Valentine post office and had a carnation sale. A pizza party was held in March; they also hosted workshops for the schools in the Suburban Conference. In the spring they had their mother-daughter banquet and a fashion show. In spring they also had their annual officer elections.

HERO And O.O. Gain Experience On The Job

Office Occupations is a work study program for girls who want to become secretaries and have general office related careers. O.O. also has many activities; they have gone to McDonalds Plaza in Oak Brook, and to the IBM Word Processing center in Chicago. They also did a service project for Multiple Sclerosis. O.O. attends and elects officers in the Area IX conference and in two Springfield State Conferences.

HERO students have many activities throughout the year, which are related to home economics. In fall they sponsored the March of Dimes Walk-a-thon, and sold candy. HERO students also prepared and served a pancake breakfast to staff members. They went on a number of field trips, which included a visit to Triton College, the Hyatt House, the Conrad Hilton, Tribune Towers, and the United Flight Kitchens. In November they sold fresh grapefruit and oranges. They also have participated in rallies and regional rallies. HERO students also have many fun outings and activities together. HERO is an active and very interesting club.

LABORATORY ASSISTANTS. Jan Martin, Sue Spiewak, Barb Soto **Row Two:** Dave Piggot, Dave Lipari, Bob Pasdiora.

Lab Assistants Do Vital Tasks

The science laboratory assistants are the 'behind-the-scene' right arms of the science department. These students take care of unpacking and storing equipment, gathering equipment and supplies for specific lab experiments, mixing chemical solutions for class use, cleaning equipment after use in classes, and maintaining and repairing laboratory equipment. Through these vital tasks, the lab assistants allow the teachers more time for their class and lab preparations and more time to spend in assisting their students directly. The real people who benefit from the labors of the lab assistants are the students who are enrolled in science classes. The assistants themselves benefit also by being exposed to and learning many skills and lab techniques which are not part of regular instruction in high school science courses.

LIBRARY AIDES. **Front Row:** Mrs. Swanson, Sue Dugo, Patricia Anderson, Jodi Yuenger, Debbie Hartman, Linda Muzik. **Row Two:** Mayra Alonso, Terri Donnamaria, Janet Apanovich, Peter Krinner, Karen Stetkus, Chris Rubio. **Row Three:** Mrs. Hanson, Nancy Hogan, Sue Sobotka, Linda Schaffner, Kathy Potocek, Liz Stuebner, Denise Keane, Mrs. Dirks. **Row Four:** Chris Piesiecki, Barb Fleming, Laura Solava, Vesna Martich, Jerry Mraz, Linda Majcher, Terri Lechwar. **Row Five:** Lynn Marino, Dave Dote, Debbie Ray, Frank C. Uherek, Sue Lynch, Juliann Heavin, Alice Williams, Christine Budek.

Aides Help Run West Library

The library assistants perform many valuable and indispensable services for their school. It would be impossible for the librarians to keep track of the thousands of books, magazines, pamphlets, microfilm reels, and phonograph records, as well as the library viewing and listening equipment without their help. These volunteers give up their study periods and other free time in order to serve their school and their peers. They check in and out all material used in the library. They also shelve books and magazines and try to keep them in good order. Their help enables these valuable resources to be available at all times to all students and faculty.

Cats Take 1st In Round Two

Behind the outstanding hitting of Steve McCuiston and the exceptional pitching of Rick Wlezen the Varsity Cats ended up with a 7-1 second round record last spring.

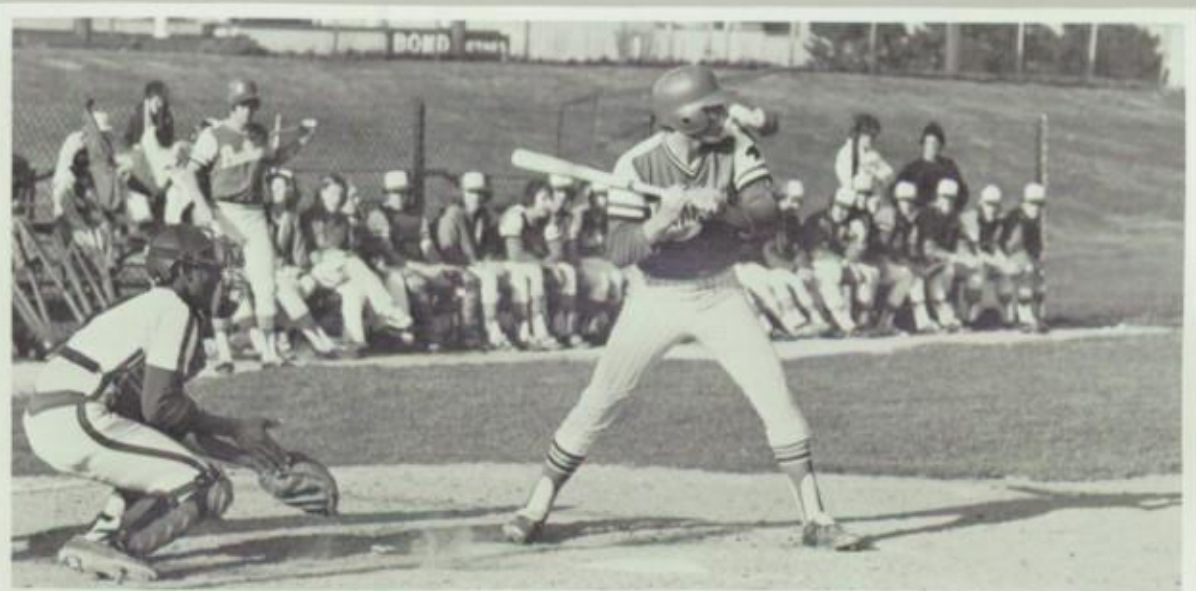

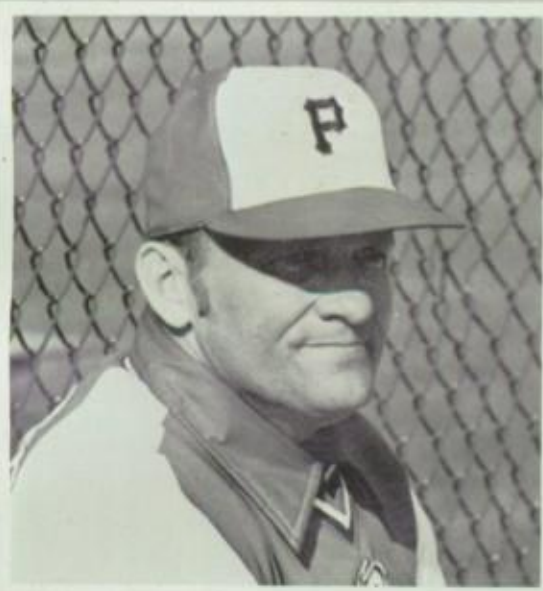

After a slow start the Cats came back with two outstanding extra innings games against Hinsdale and Oak Park. Coach Sutherland looks for a good season this year with the addition of last years Sophomore squad. The Cats will open up this season hoping to make it to state.

SOPHOMORE BASEBALL. **Front Row:** Pedro Camacho, Perry Higa, Jim Fisher, John Shweers, Mark Gobetz, Brad Meath, Mark Siwiec, Keven Singer. **Row Two:** Coach Lowell Lucas, Mike Reynolds, Dean Lev, Steve Krazykowski, Jeff Hubbard, Edvardo Fernandez, Bill Anglesano, Dan Klages, Pat O'Reilly, Pat O'Connor.

Lack Of Umps Okay For Cats

Winning the conference championship was just one of the highlights the Soph. Cats had in their season.

The whole team worked hard but some of the outstanding players were Jim Fisher, Pat O'Conner, and Pedro Camancho. Outstanding pitching was due to John Schweers, Pat O'Reilly.

Coach Praises Frosh Baseball

"An excellent young team with a real chance to be future champions!" Those were the words of Coach Ed Yonkus used to describe his Freshman team. The team placed second with 11 wins and only 5 losses. Coach Yonkus says that the Freshman team had a good year, and he is looking forward to a better one next year.

New Coach For Girls' Softball

This season, girls softball has a new coach, Miss Jean Elg. Even though some information on team performance was lacking, Miss Elg feels it would be a challenge to equal last years record. The team had its best season ever, for they were the first girls's team in any interscholastic sport to win a regional championship and advance to the sectional finals. Miss Elg hopes this season will bring the state championship to Proviso West.

Girl Gymnasts Change Season

"It will be difficult to prepare for this upcoming year with such little time left to practice," said coach Jean Elg who was commenting about the change of seasons for the Girls Gymnastics meets. This year the season starts in the fall instead of the spring, which leaves the team little time for preparation.

Sue Letizia took first place on the optional beam and uneven parallel bars at the Conference meet. The Girls Gymnastics team finished the season with an overall record of 7-2.

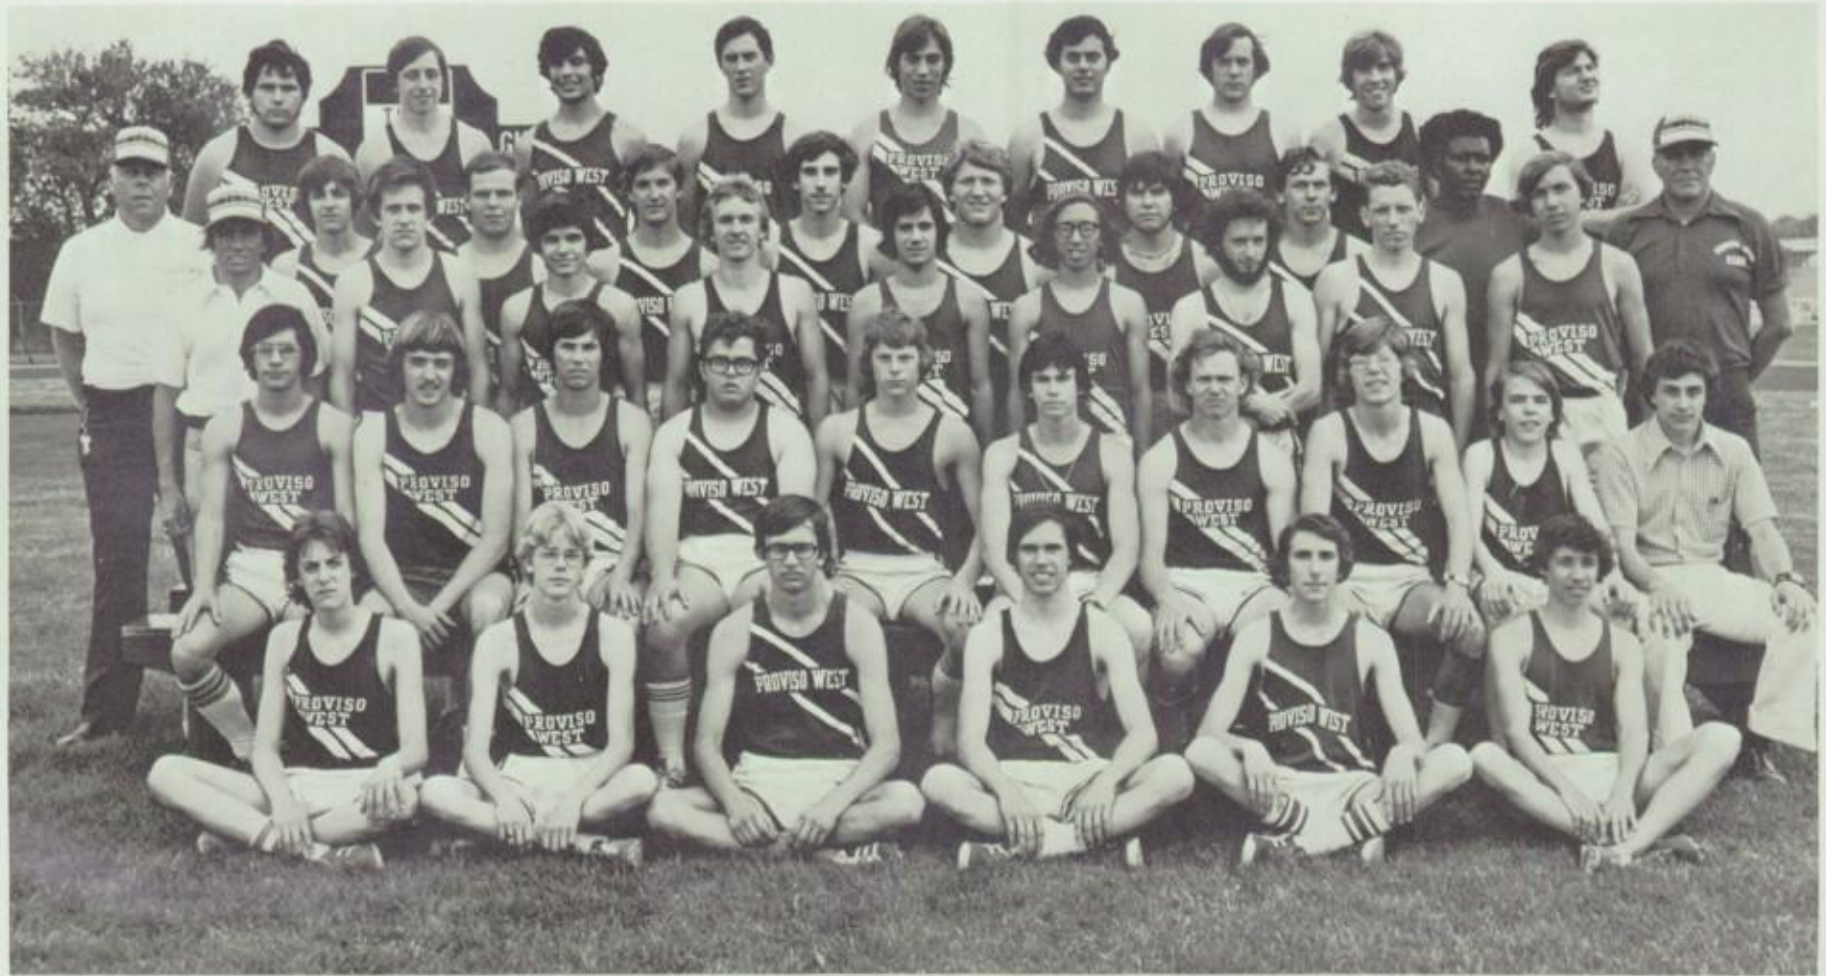

Eight Qualify For State Meet

Qualifying eight boys for the state finals was just one of the highlights Varsity Track had this year. A fifth place finish out of nineteen teams were due to hard, persistent effort by these boys.

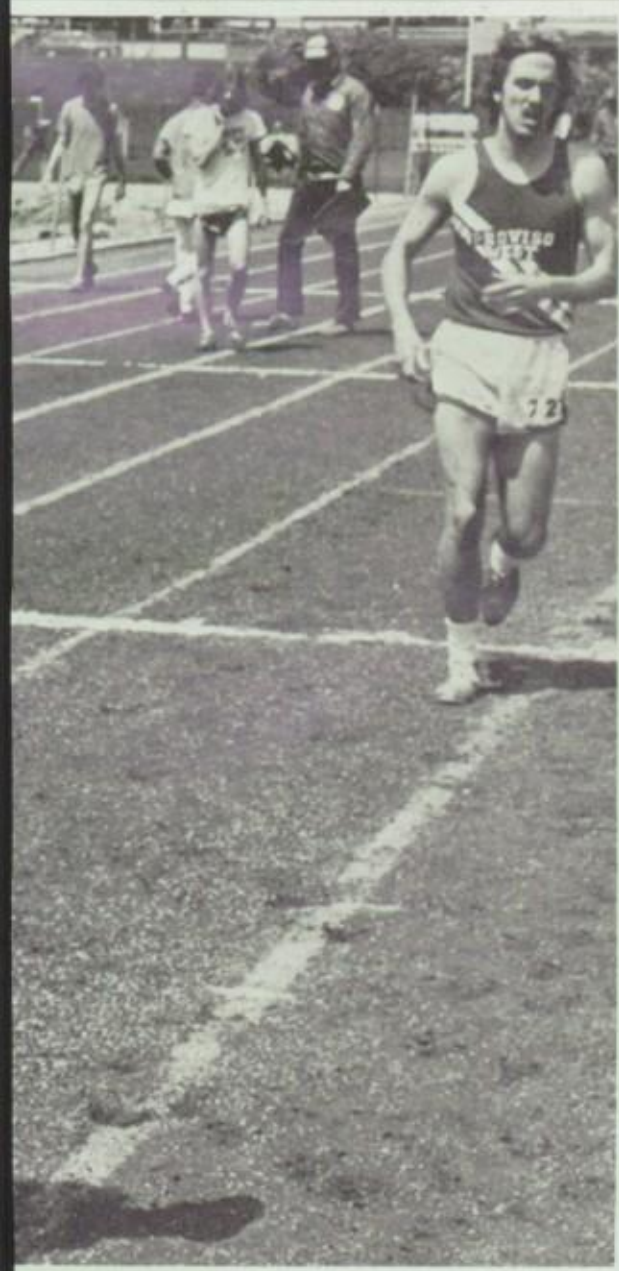

Coach Don Green recalls the meet in which five individuals and a relay team qualified for the state competition. Coach Green replied that he has a strong young team and is looking forward to next year.

Green Sets Track Records

Leading the Proviso West sophomore track team in points was Brett Green who set 5 shotput records, taking a first place in the Maine west Sophomore Track meet. Another highlight was the second place that the Soph's took in the Glenbard West Soph. Invitational.

Left: Brett Green is putting the shot for 1 of his 5 records
Upper Right: Mike Geraci gets the baton from Steve Reif.
Lower Right: Dave Potler and Ron Roman clear the hurdles.

Hard Practice Rewards Frosh

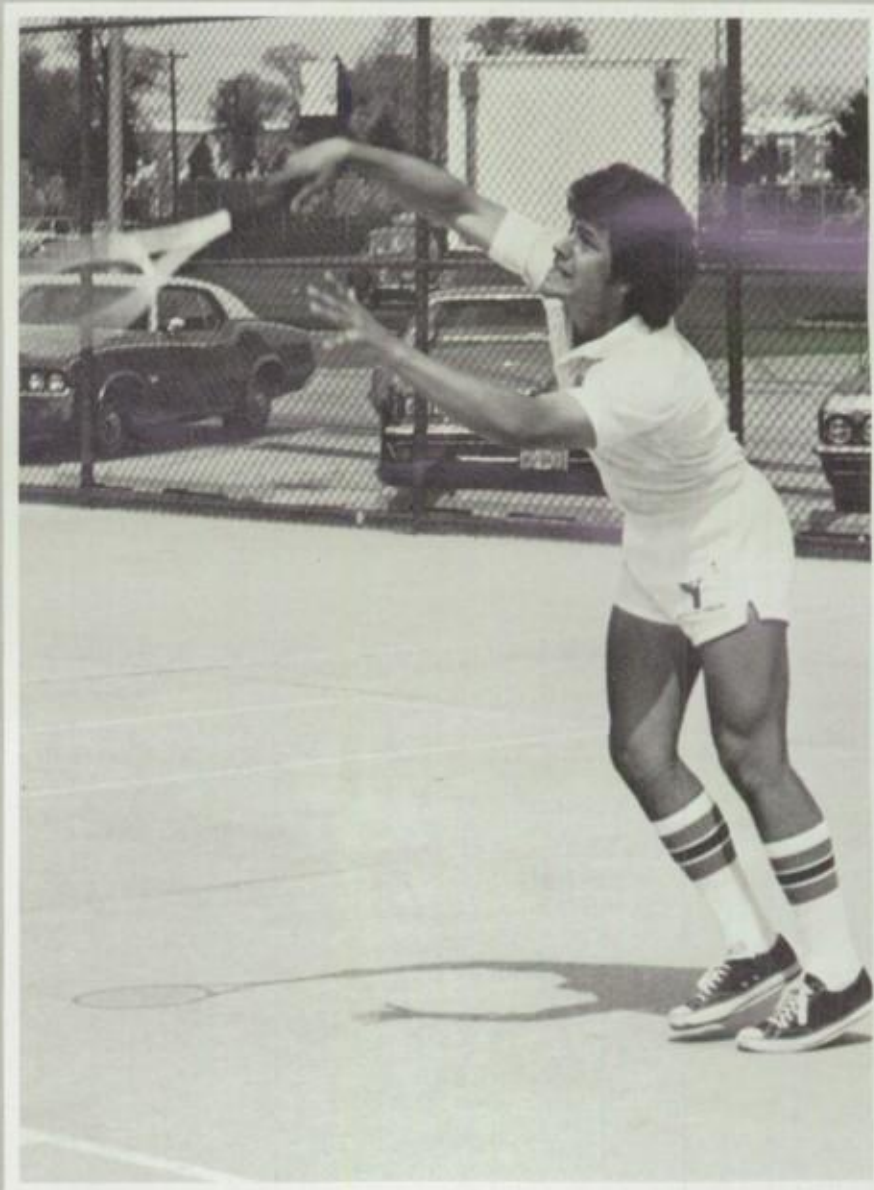

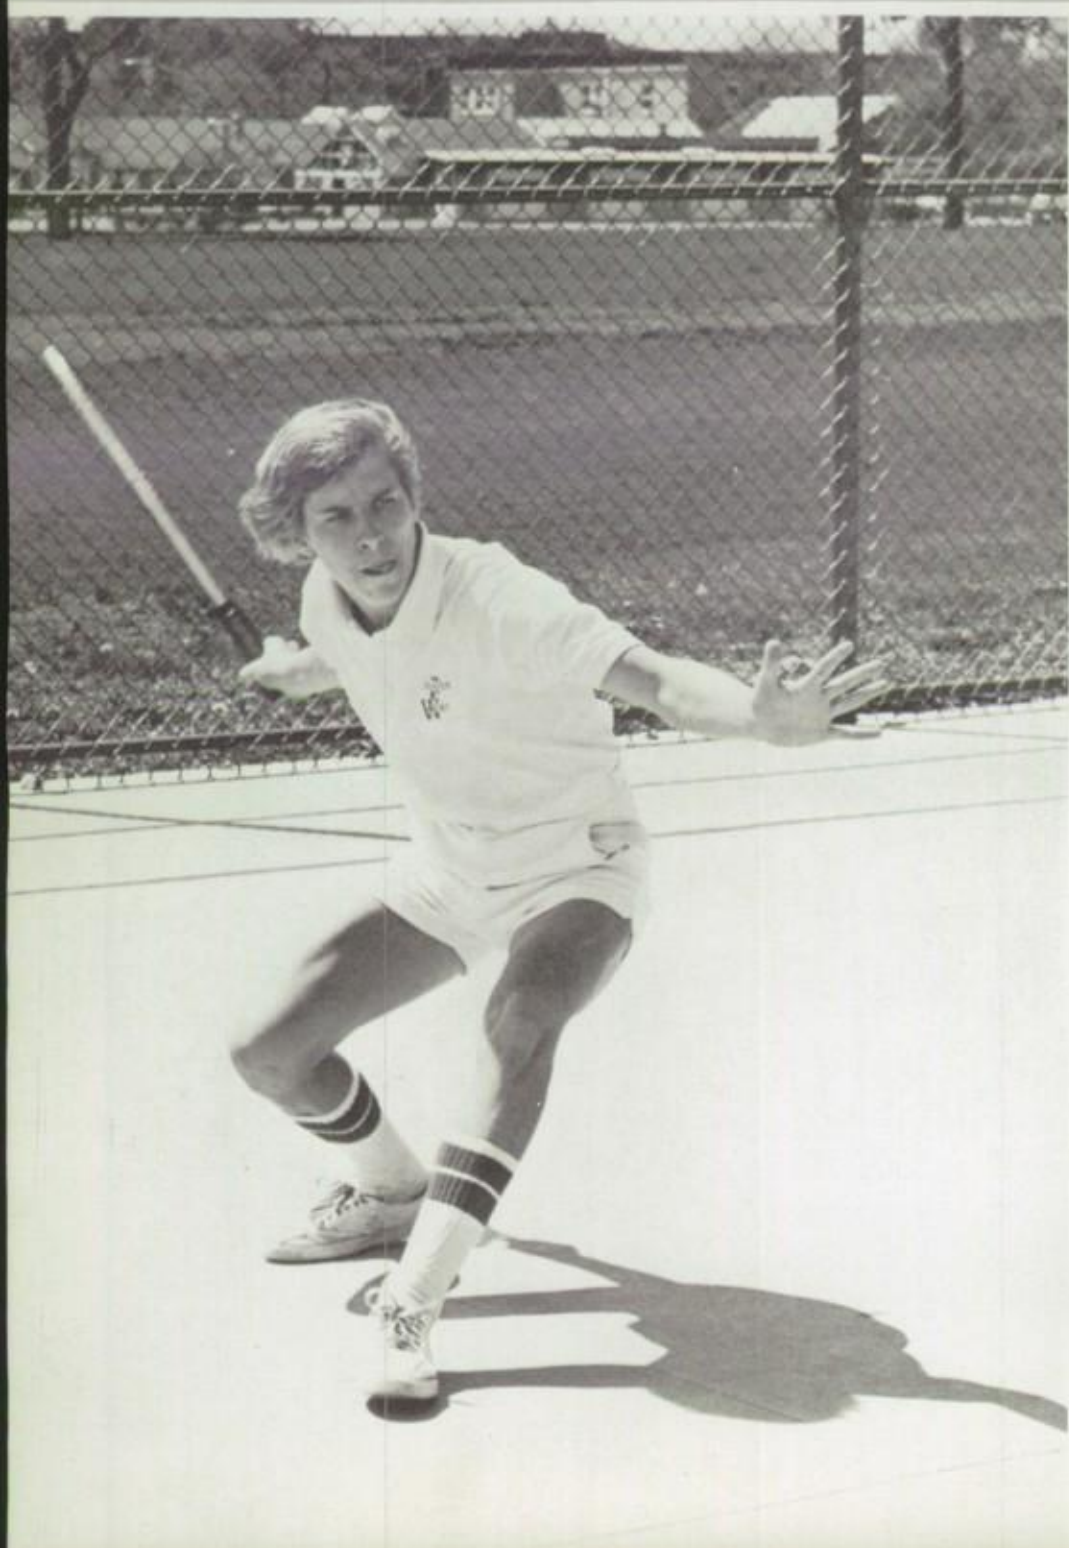

Frosh tracksters spent long hours developing strength and speed during their innumerable practice sessions. 440 and 880 practitioners worked side by side with high jumpers and pole vaulters in their relentless pursuit of a new freshman or possibly a new school track record. Each entering group of freshman always looks promising. This year's group is sure to develop into one of the finest varsity groups in the school's history.

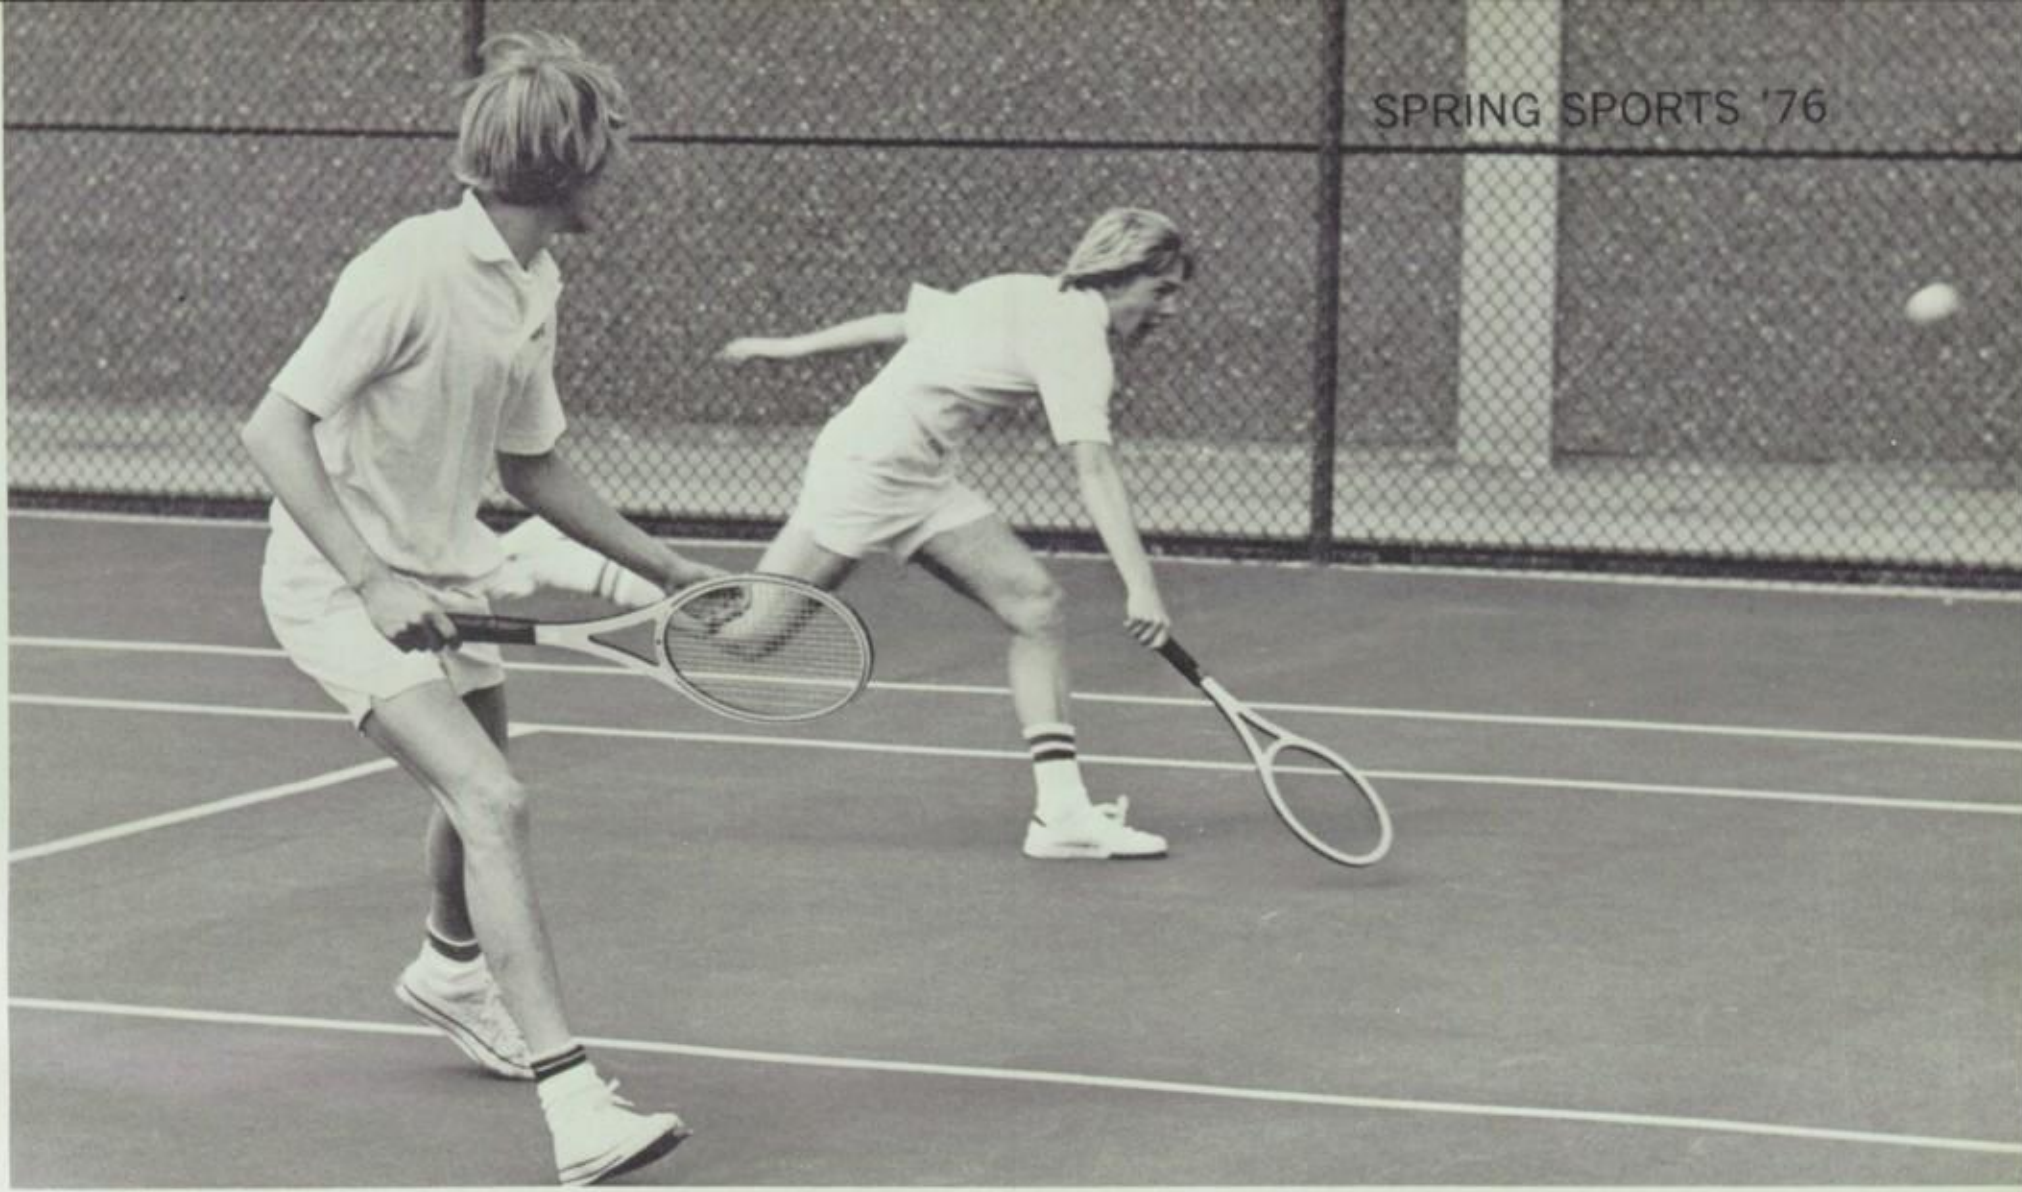

FRESHMAN TRACK. **Front Row:** Kevin Trochelman, Robt. Varsity Tennis Faces Problems

Rich Daniels, Steve Frandsen, and Chris Swider were just a part of the varsity tennis team which placed second in the invitational. As Individuals they were exceptional, but as a team they could not get things rolling. Steve Frandsen had a 11-4 record and Chris Swider won two points in the district by winning his first match. Coach Braucher considered this year very successful considering there was only one returning letterman from '75.

Frosh Tennis Has Improved

At the end of the Frosh Tennis season there were still 35 team members as opposed to a marked fall off in previous years. Highlights of the season included 5-0 victories over Timothy Christian, West Lyden and St. Joseph. The Freshman doubles teams gained a first place tie among 14 other teams in the Proviso East Freshman Doubled Tournament. The team had a conference finish of 8th, a conference record of 1-8 and an overall record of 6-9.

Some of the outstanding members of the team include Dale Everhard and Bob Beshk who placed 1st and 2nd in singles.

"The team record was not as good as last years but the team did improve," stated Coach Fitzgerald.

GIRLS TRACK. **Front Row:** Michelle DeVita, Linda Chirbas, Pat Weging, Joanne Elia, Mary DiFiglio, Michelle Prazak, Pam Quednau, Nancy Modica, Karen Hlinka, Denise Launius, Irene Hudek, Vicki Krob, Paula Damso, Eileen McHugh, Mary Scheu. **Row 2:** Rose Ann Caruso, Dawn Pawlowski, Jackie Andrews, Patty Caruso, Jan Murray, Diane Koehnemann, Barb Saner, Sue Cosmos, Heidi Johnson, Linda Muzik, Mary Groom, Roxanne Mildica, Carol McHugh, Denise Carrigan, Coach Carr, Assistant Coach Prest. **Row 3:** Sue Sereika, Sandy Mazor, Barb Mueller, Kathy Abdul, Rita Vanags, Lisa Cannataro, Pat McKinnon, Cathy Battle, Charlotte Hagel, Dodie Catalano, Monica Banas, Laura Peluso, Judy Gray, Cheryl Jindrich, Sharon Touros, Carla Adams.

Cat's Mueller Places 4th

The spring of '76 proved to be another competitive year for Girls Track. The team as a whole placed 5th at the conference meet, and for the first year the girls had members on the team for four years. One such member was Barb Mueller, '76. In the District Meet she placed 4th in the 100 yd. dash and was voted "Most Valuable Runner in 1976. Another member of the track team, Eileen McHugh '78 was voted "Most Improved Runner".

The team worked very hard this past year, and Coach Carr states that she was very satisfied with the work of the team even though she would have liked to have seen more of the girls qualify for state competition.

Best Season With Dwyer

This year's Varsity football team produced the best season Proviso West has had since Coach Yonkus came here. Finishing 5 and 4 put the Panthers in a tie for 3rd in the tough West Suburban Conference. This was the year Proviso had some outstanding players. The Cats had 6 all-conference players; Scott Ross, Pat Yonkus, Marty Haggarty, Jeff Suva, Mike Mestek and Ken Caithemer. The one we're most proud of though, is our ALL-STATE Fullback Dave Dwyer.

So, let's hear it for the Panthers. Maybe they have set a winning tradition here at Proviso.

Young Team Looks Good

Plagued by the problems that face a young team, the Sophomore Panthers started the 1976 season slow; but as the season rolled on they improved.

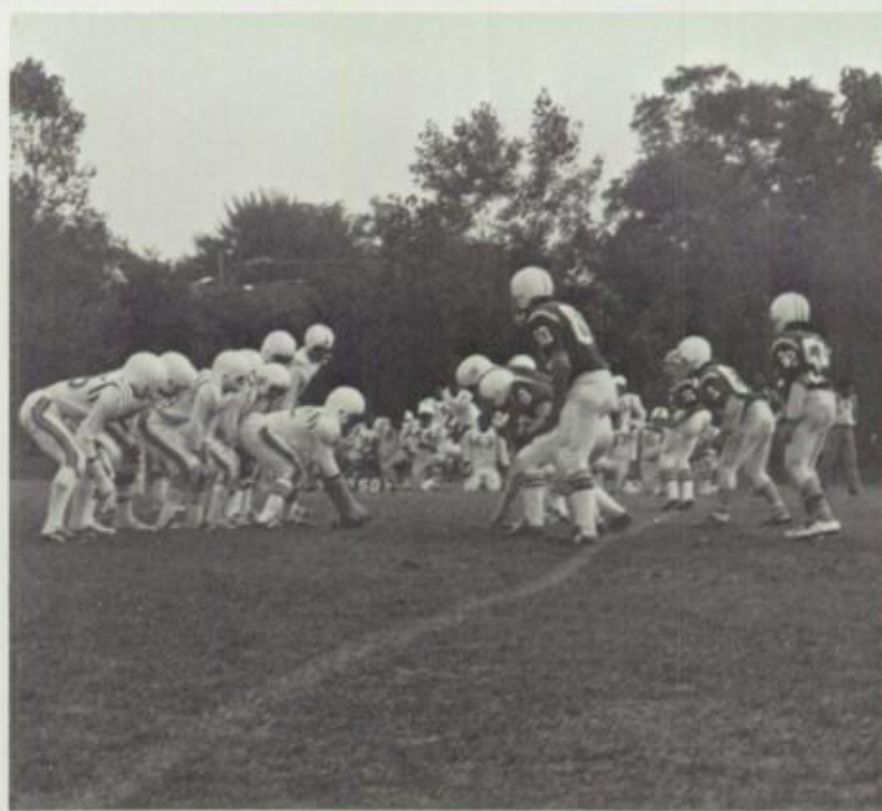

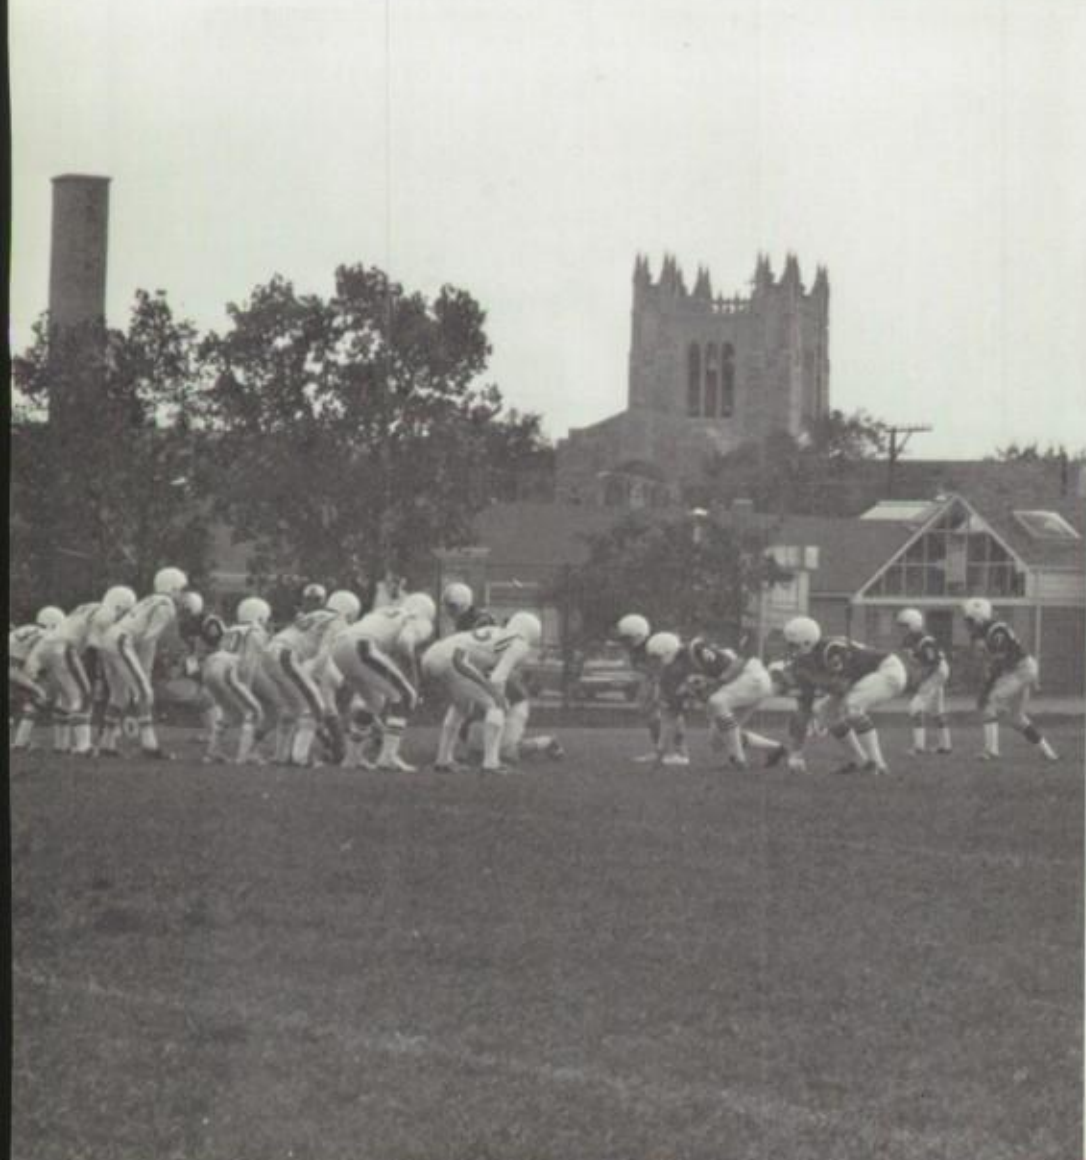

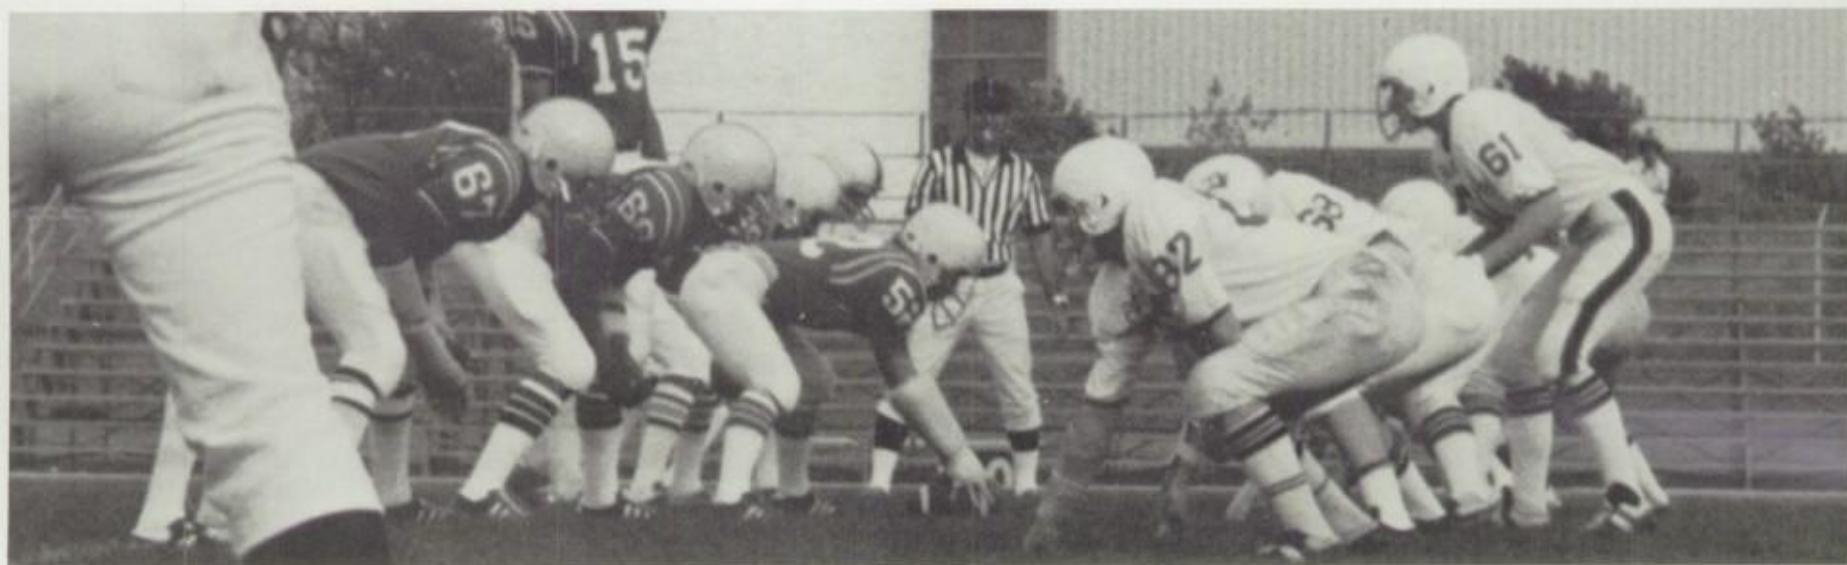

With outstanding runner Sam Marino and good quarterbacking by Mike Matusik, the panthers ended the season with a strong victory against Riverside-Brookfield. Mr. Helms liked what he saw that game and he felt that the team had excellent ability.

Two Stars Shine For Cats

With two all conference players, the Varsity soccer squad took third in the conference and missed first place by one game. All conference defenseman Ron Niemer played a more aggressive season than any other Panther Soccer player. All conference offense player Mickey Jerding was also a nominee for all state.

The Panthers had a good season but they could have taken more high honors with just a few more wins. Mr. Yeager hopes for a good season next year and he feels he will have a good team.

Cross Country Finishes Fourth

Burt Becker, co-captain and number 1 man the whole season, paced the Panthers to a fourth place conference finish. The Panthers had a record of 6-2. Another top man on the team was Mike Knitter who placed 12th in the conference meet. The team placed 6th in the sectional championship.

Varsity Golfers Take First

Breaking three school records and becoming the first golf team in the history of the school to win the West Suburban Conference championship were just some of the highlights the Varsity golfers experienced this season.

Senior Dave Erickson placed fourth in the state; Dave and others like Keith Thomas, Jeff Gentile, Craig Dama, Chuck Seen, and Dan Bucek were probably the best golfers the Cats have seen in a long while. The team showed their strength against Hinsdale Central, a power team, by beating them for the second time in three years. They finished with a 7-1 record for the first place finish and Coach Fiorvanti says, "When you have totally dedicated players who pay the price through plain old-fashioned hard work, winning and being the best team ever in our school."

Left: Terry Whitlock watching a putt go in. **Right:** Dave Gentile following through on a putt.

Soph Golfers Finish Fourth

With a conference record of 4-4, and a conference finish of fourth place, the sophomore golfers did as good or even better than expected. Ed Lechelt, Bob Cabay, and freshman Tom Schneider paced the golfers scoring consistently in every game. The team did good in the tough west suburban conference. Coach Sawasko recalls the most outstanding game in which the winner and the loser was separated by only four strokes.

Girl Racketers Have Potential

Mrs. Jody Hager, Coach of the Girls Tennis Team commented "We have a young, strong team with real potential to be winners. The team finished with a record of one and six. Outstanding members of the team were Micki McEvoy, Nancy Cunningham, Marie Gianas, Theresa Fleming, Laura Shue. Micki McEvoy went farther in competition than any girl yet. She won three matches enabling her to play in the semi-finals. Unfortunately she lost. If she had won she would have gone to the state tournament.

Joanna Anos lifts herself practically off of the court in her successful attempt to return the serve.

Individual Members Break Past Swim Records

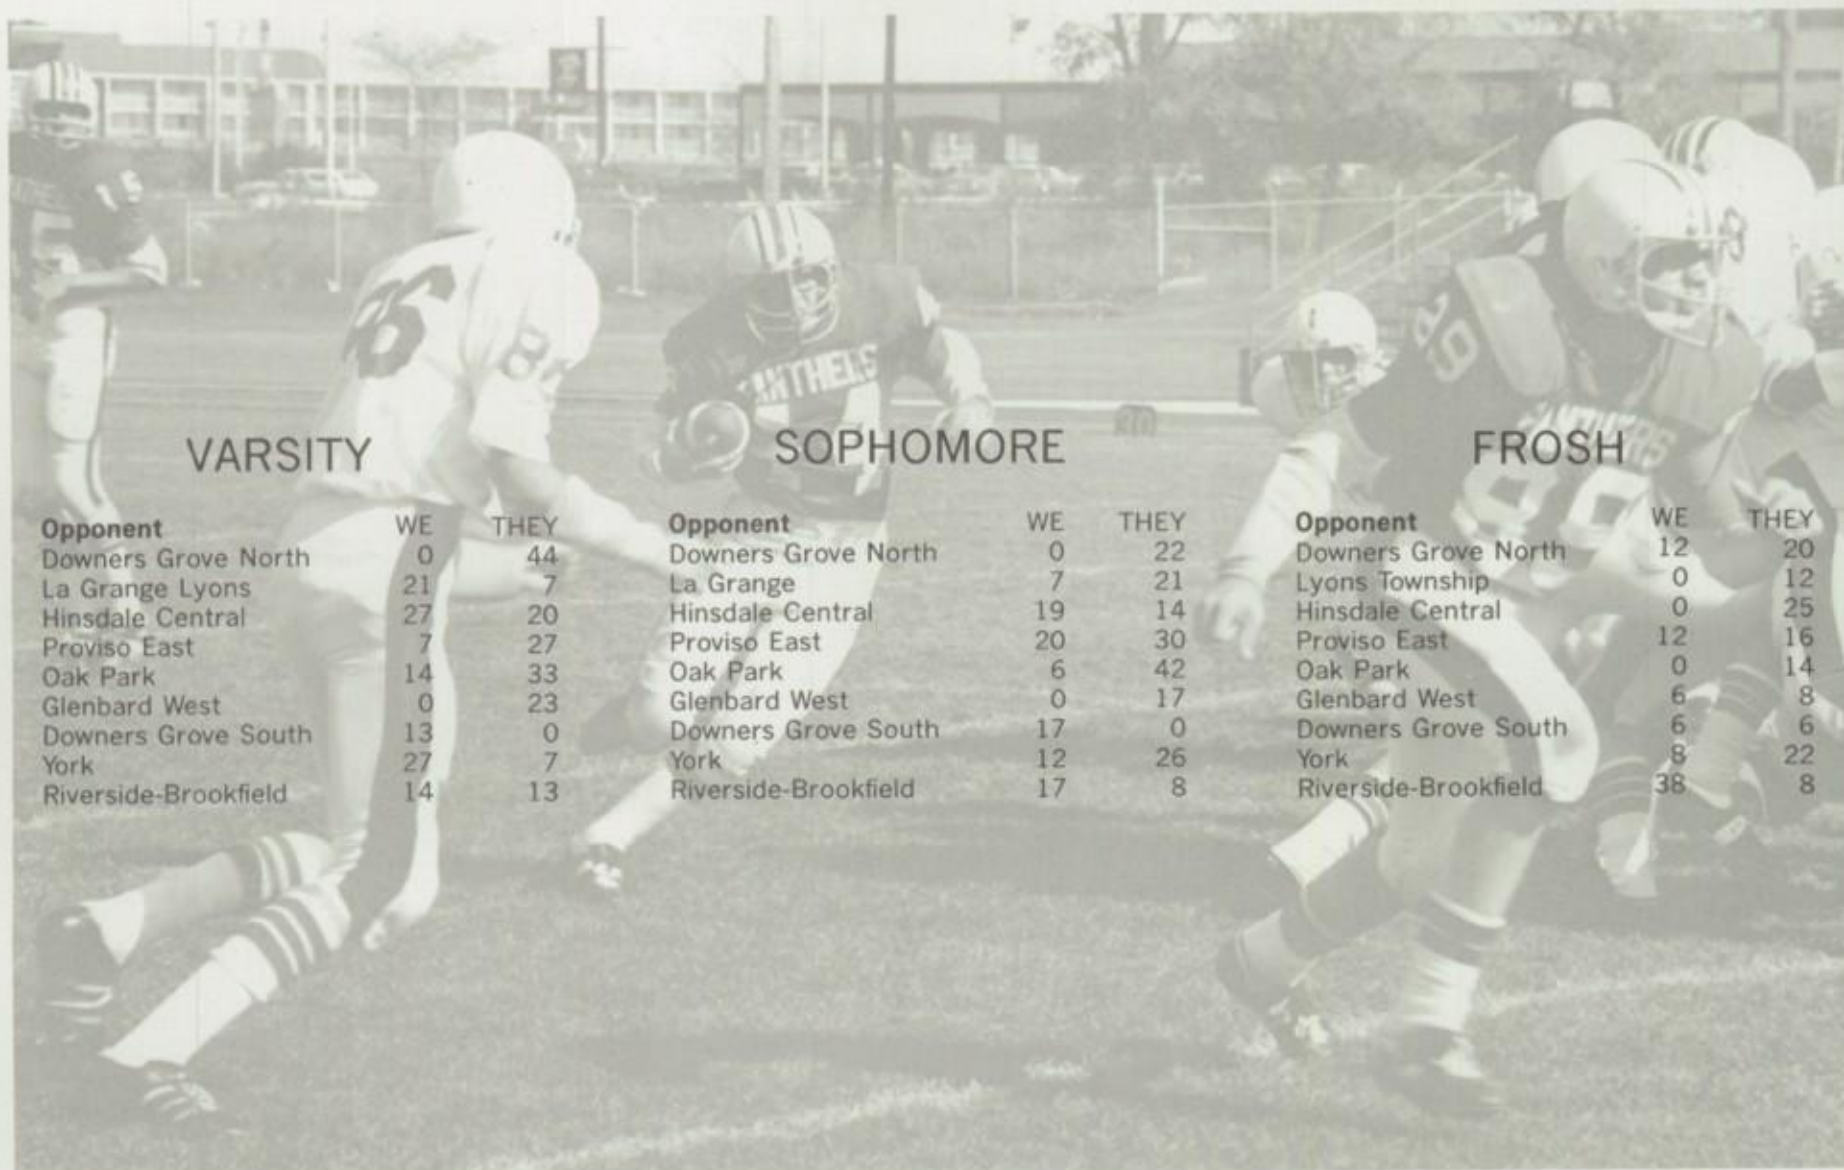

The Girls Swim Team, under the direction of Mrs. Kim Kolze broke every record in Girls swimming from the past years. Although all records were broken, that did not seem to help their record as they finished with one win and seven losses. In one meet the girls lost by a large

margin, but broke 7 out of 11 school records. Mrs. Kolze commented "We did not do as well as they had hoped to, but we have a strong team and should do better next year".

GIRLS SWIM TEAM. **Front Row:** Diane Pakenas, Cheryl Colvett, Kathy Soper, Dawn Benning, Mary Beth Kennedy, Lisa Schjerven, Elizabeth Kuczwar, Carol Tomczyk, Dawn Wilbur, Maryanne Hodgson. **Row 2:** Millie Hartnett, Karen Dunn, Sue Ricchuitto, Lynn Farrell, Nancy O'Brien, Anne Spencer, Dodie Catalano, Anne Kennedy, Denise Bagnulo, Kathe Weber. **Row 3:** Nora Hyde, Diana Zarek, Tommie Flecken, Charlotte Hagel, Gina Trezzo, Laura Peluso, Patti Mandarino, Lori Olsen, Shari Buniak. **Row 4:** Kathy Haggerty, Jane Lorenzen, Lisa Tollefsen, Claudia Georgas (Captain), Pat O'Connor (Co-Capt.), Monica Spencer, Lilly Perez, Chris Eckles, Mrs. Kim Kolze.

Best Record In History

The year 1976 brought much to Proviso West. For the basketball team the most important thing was a 20 win season. With players like Steve McCuiston, Ralph Bonfiglio, and Jerry Daniels the Panthers were able to successfully become a basketball power in Illinois.

Coach Lucas was proud of this year's team which had a second place sectional championship. He was also very proud of All-State guard Steve McCuiston. Mac was voted to five out of six all-state teams in Illinois and was a member of the all conference team and the all area team. Steve is the first basketball player from West to make an all-state team. West is proud of the Panthers and of Steve McCuiston.

Good Season For Cubs

The Sophomore Panther Cubs, under direction of Mr. Bill Sutherland, had an exceptional season this year. With several key players, the Panther Cubs had a little trouble through the season. Key players like Bob Concannon and Craig Thomas at guard, and Joe May, who had over 300 points and 300 rebounds, were an important factor in an exceptional Sophomore season.

The season opened slowly for the Panthers, but then picked up as time passed. At the end of the season, the Panther Cubs won 16 out of the last 17 games.

Frosh Show Good Potential

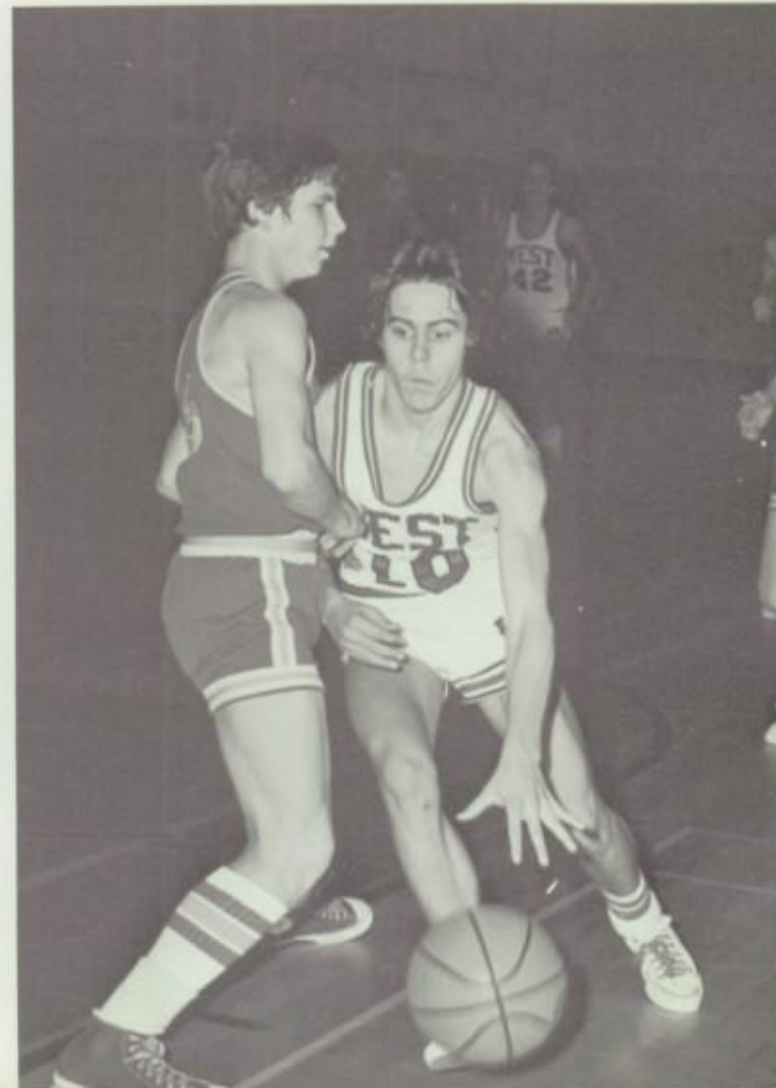

After an average season, the Freshman Basketball team has a good future ahead. With the "B" team's new coach Mr. Zilanovich, and "A" coach Mr. Mc Neive, the Frosh squad have a good chance to be strong season. They'll need a little work, but after some polishing up they'll be a strong contender in the W.S.C.

West Girls Play Volleyball

The Girls Volleyball team, under the direction of Ms. Hager, had a fairly strong season. The girls played against very heavy competition this year. The team consisted of many strong players who will be returning next year. Some of the girls are Nancy Peters, Grace Phillips, Patty Frett, and Betty Frett.

Girl Gymnasts Get New Talent

Miss Jean Elg's 3-5 Girls Gymnastics team finished with a 6th place in their conference. Season highlights included Inta Kugis' third place conference finish on the balance beam and Sue Harrold's placing on the bars.

Most of the girls on this young team were either new to competition or new to the optional level as many of the seasoned performers from last year were lost to graduation.

Boys' Gymnasts Reach State

Boys' Gymnastics had one of the best teams ever seen at Proviso. The Panthers took a fourth place in state competition and finished second in their conference.

The Panthers had great talent this year. State contenders were Dan Smith, all-around; Mark Wanner, all-around; Rich Zarnicki, rings; and Tony Wdowiarz, horse and parallel bars. Because most of the team will be lost to graduation, the varsity gymnastics team will have to begin rebuilding next year.

Yonkus Ranks In State

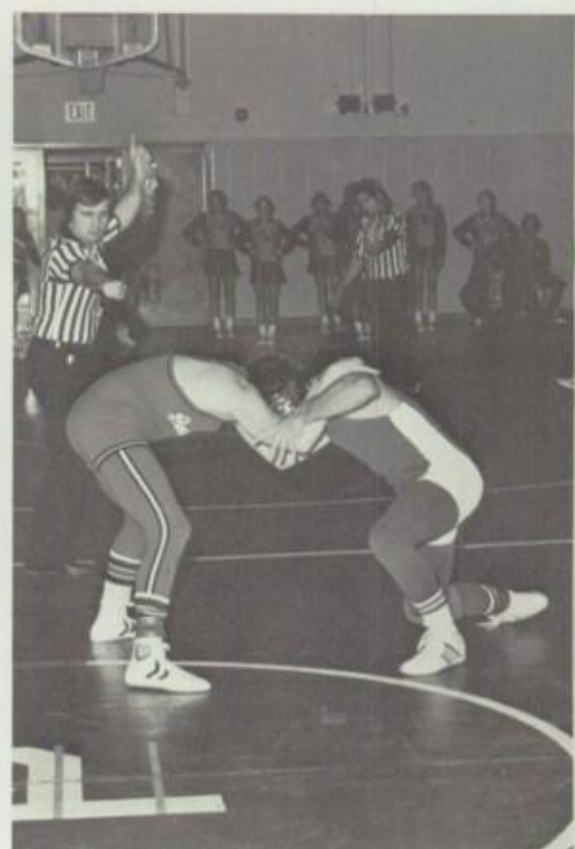

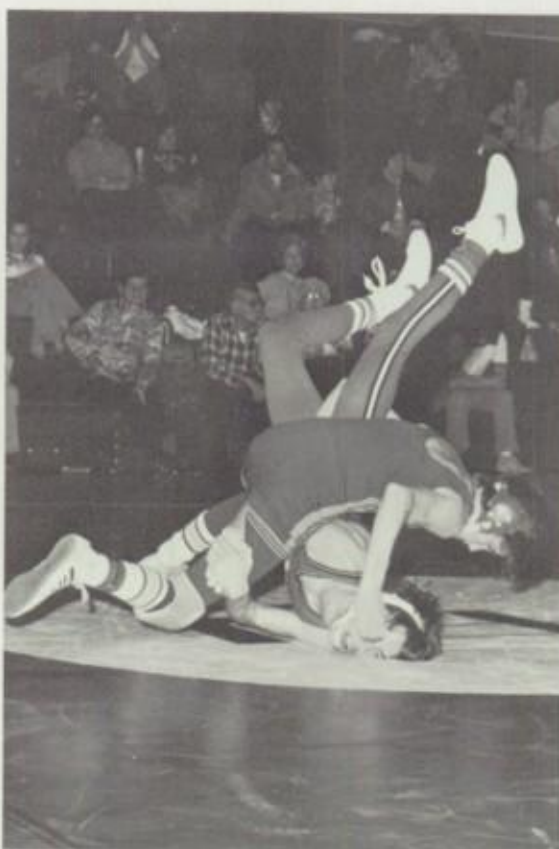

This season was very productive for the wrestling team. Many wrestlers ended up with good conference records, especially Pat Yonkus.

Yonkus ended up with an outstanding record and an all-state nomination. Pat took first in conference in his weight class.

The wrestling team has many returning juniors who will be strong next season. Mr. Current hopes that he can fill the weak spots on the team with new varsity members. He also feels that next season may be better than this year.

Frosh Grapplers Show Talent

"We had some of the finest talent ever at Proviso West, but we lacked the depth to have a great team," stated Coach Fioravanti about the freshman wrestling team. The highlight of their season was having three individual champs in the East Leyden Freshman Wrestling Tournament along with two second place finishes.

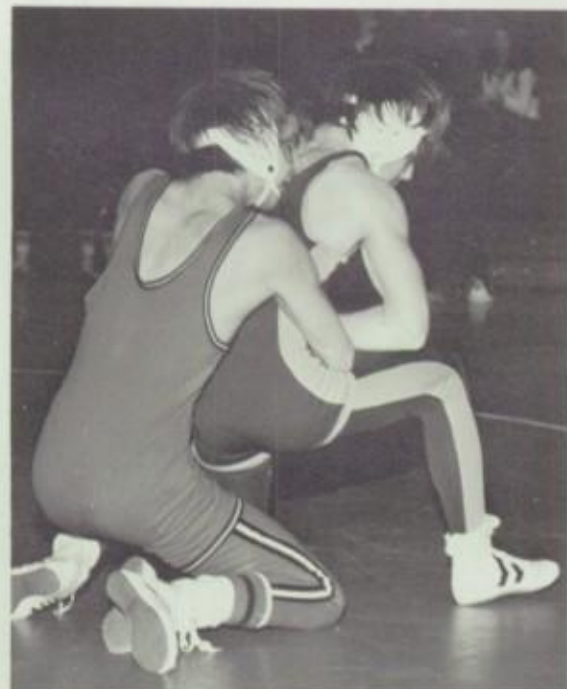

Outstanding freshman wrestlers this season were Steve Deangelis, Mark Perto, and John Alfini, who all finished with 12-1 records. Other standouts included Paul Pivinski, Joe Mahler, John Krawczykowski, Mark Mandarin, Mark Burrows, and Richard Draski.

Swimmers Set Good Pace

The Proviso West Swimming Panthers had a good year, including victories over York and Downers Grove. They finished off the season with a winning 7-5 record. Outstanding swimmers for the year are Bill Colvett, conference champ 50 yd. freestyle and Bob Wede, backstroke and a freestyle. The relay team of Colvett, Bielik, Bieber and Niemer were exceptional. With only five graduating seniors leaving the varsity squad, Proviso's swimmers should really stroke next year.

Girls Get New Coaches

The girls basketball team this year was a very strong one being both aggressive and hustling. The team consisted of many strong players who will be returning next year.

Players like Mickey McEvoy and Maria Molliconi who were high scorers in almost every game added to the team's strength. With new coaches Mrs. Kolze and Mr. Read, the girls basketball team looks like it will be a strong contender for the next few years.

Pacers Get New Coaches

With a new coaching personnel, the Proviso West Pacers showed the same Proviso West hockey power as in years ago.

With the addition of Mr. Gary Gregus as head coach and Mr. Ron Singer as assistant, the Pacers were also given a trophy case in the commons. The case was donated as a Dan Jones memorial.

BOARD OF EDUCATION. Seated: Mr. Robert D. Barrett, Secretary; Mr. George R. Lange; Mr. Robert W. Bentel; Dr. Louis S. Seno, President. Standing: Mr. Dominic Provenzano; Mr. Gerald Jacknow; Mr. Jack Stanley; Dr. Charles C. Holt; Mr. Charles W. Greene.

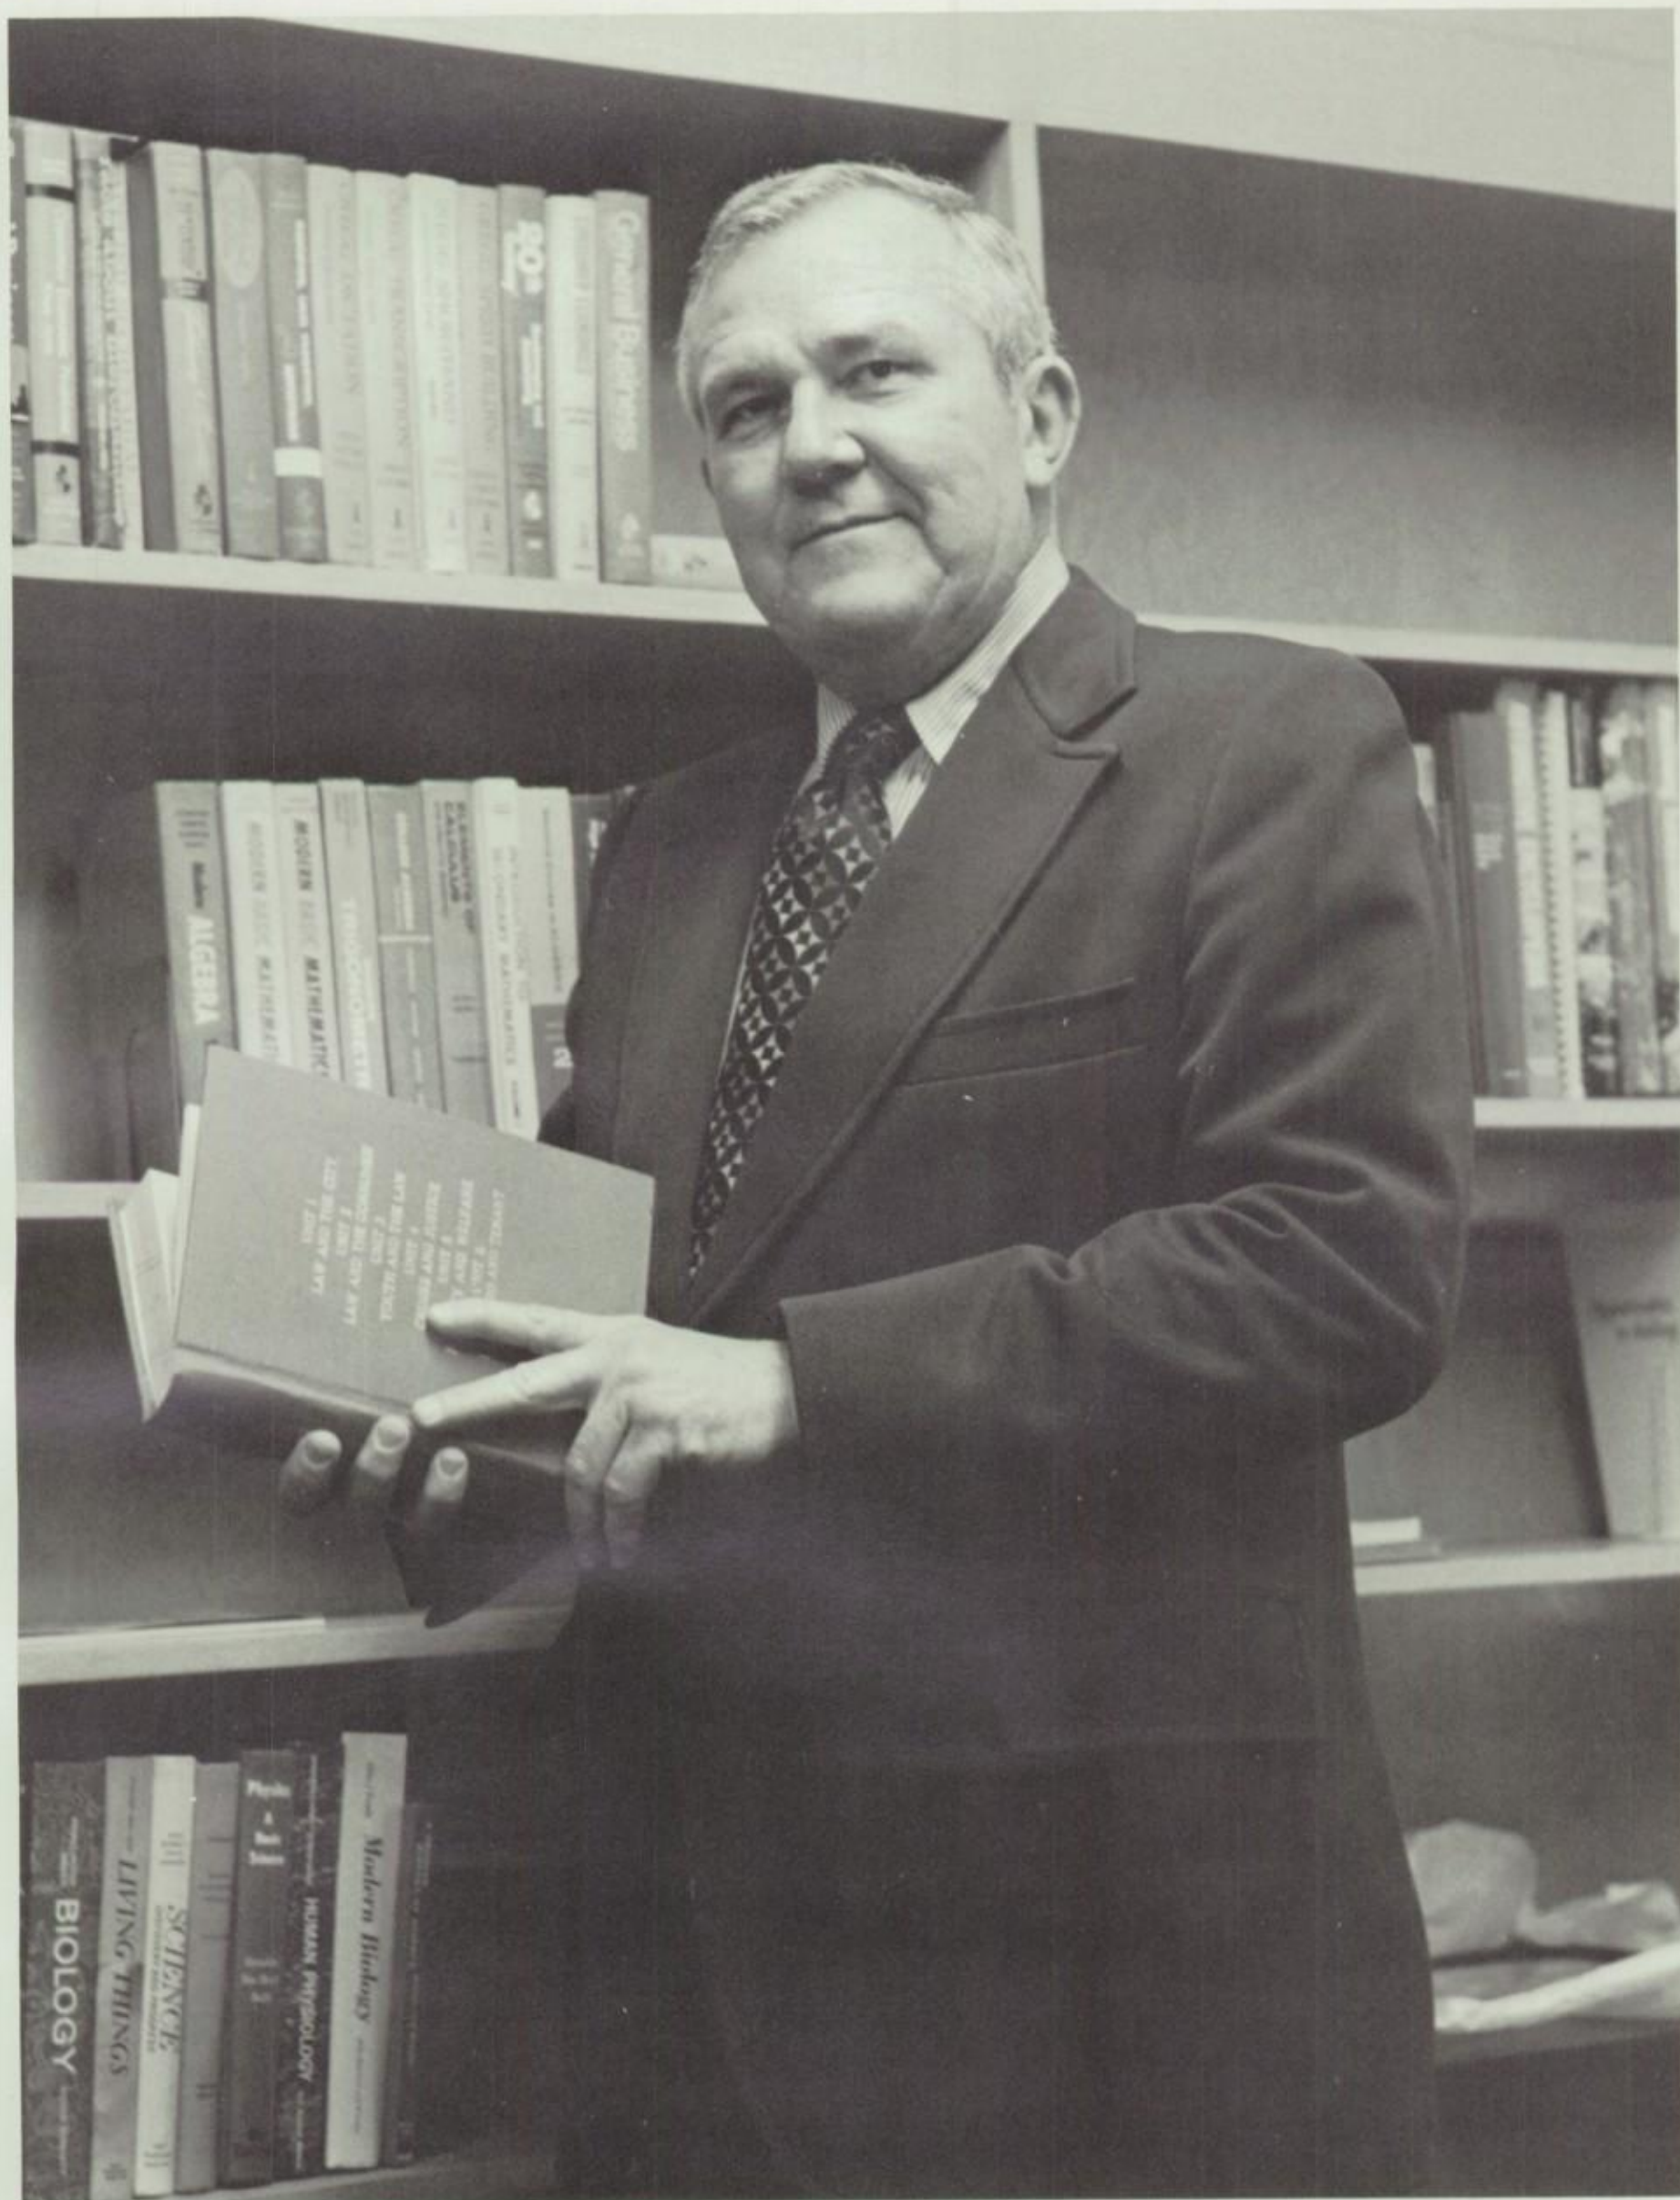

West Faces New Problems

Proviso Township, under the direction of the Board of Education, faced new problems during the 1976-77 school year as the school board and school administrators worked on a plan to meet state requirements for integration. Proviso West was affected by the problems that developed as incoming minority students attempted to blend into the established West routine.

A highlight of the school year was the dedication of the new West stadium which was the scene of all home football games this year and the scene of several other events such as Pep Assemblies.

Unfamiliar Faces Affect West Life

Most of the faces on these pages may be unfamiliar, but their daily work has a great effect on what goes on at West. The complicated business of seeing that curriculum is kept up-to-date and that necessary tests are given at the right times are just two of the tasks that affect West students. The tremendous task of keeping Proviso's business affairs in order is another job that affects West. Even though these faces are unfamiliar, they are very important to Proviso West.

West's Top Six Oversee Proviso

Proviso West's affairs ran smoothly again this year thanks to West's "Top Six." Mr. Arthur Vallicelli worked closely with department chairmen, supervised faculty meetings and in-service programs and represented the school in the West Suburban conference among other things.

Mr. Milano's domain partly included supervising building utilization, data processing, and student scheduling. For Mr. Gusloff, student government and organizations, student teachers, and the freshman class were part of his responsibilities.

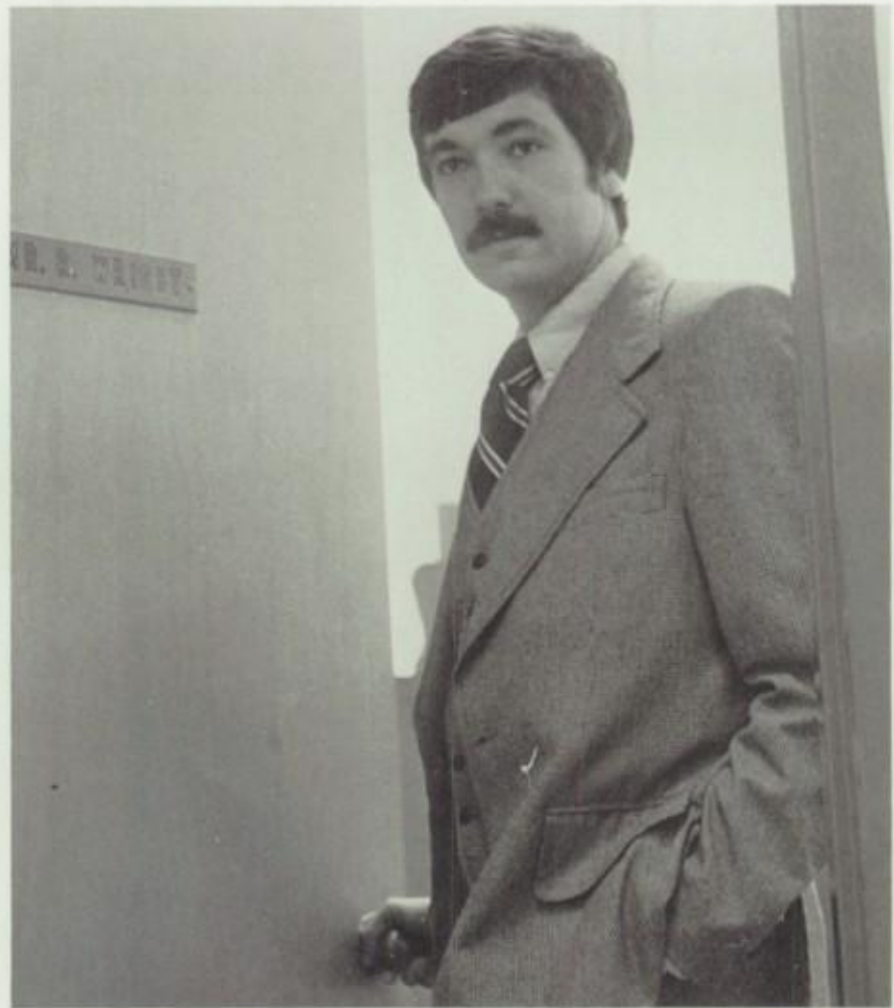

Mr. Stein controlled the junior class, drug abuse, and the fire and disaster committees during this year.

Mr. Merbitz was the senior class dean as well as the man in charge of school safety.

Mr. Wright assisted in the drug abuse program, and was in charge of graduation exercises.

UNDERCLASS

May you always camp in peaceful
dells,
And let friendship be your goal,
And as the years o'er take your
youth,
May wisdom fill your soul,
For as we tread familiar soil,
Our friends we ne'er forget ...

UNDERCLASS

But if we pass by memories,
Forever we'll regret,
So take a little piece of me
And plant it in your heart,
This is the only way that we,
Will never have to part.

Juniors Cram For The Constitution Exam

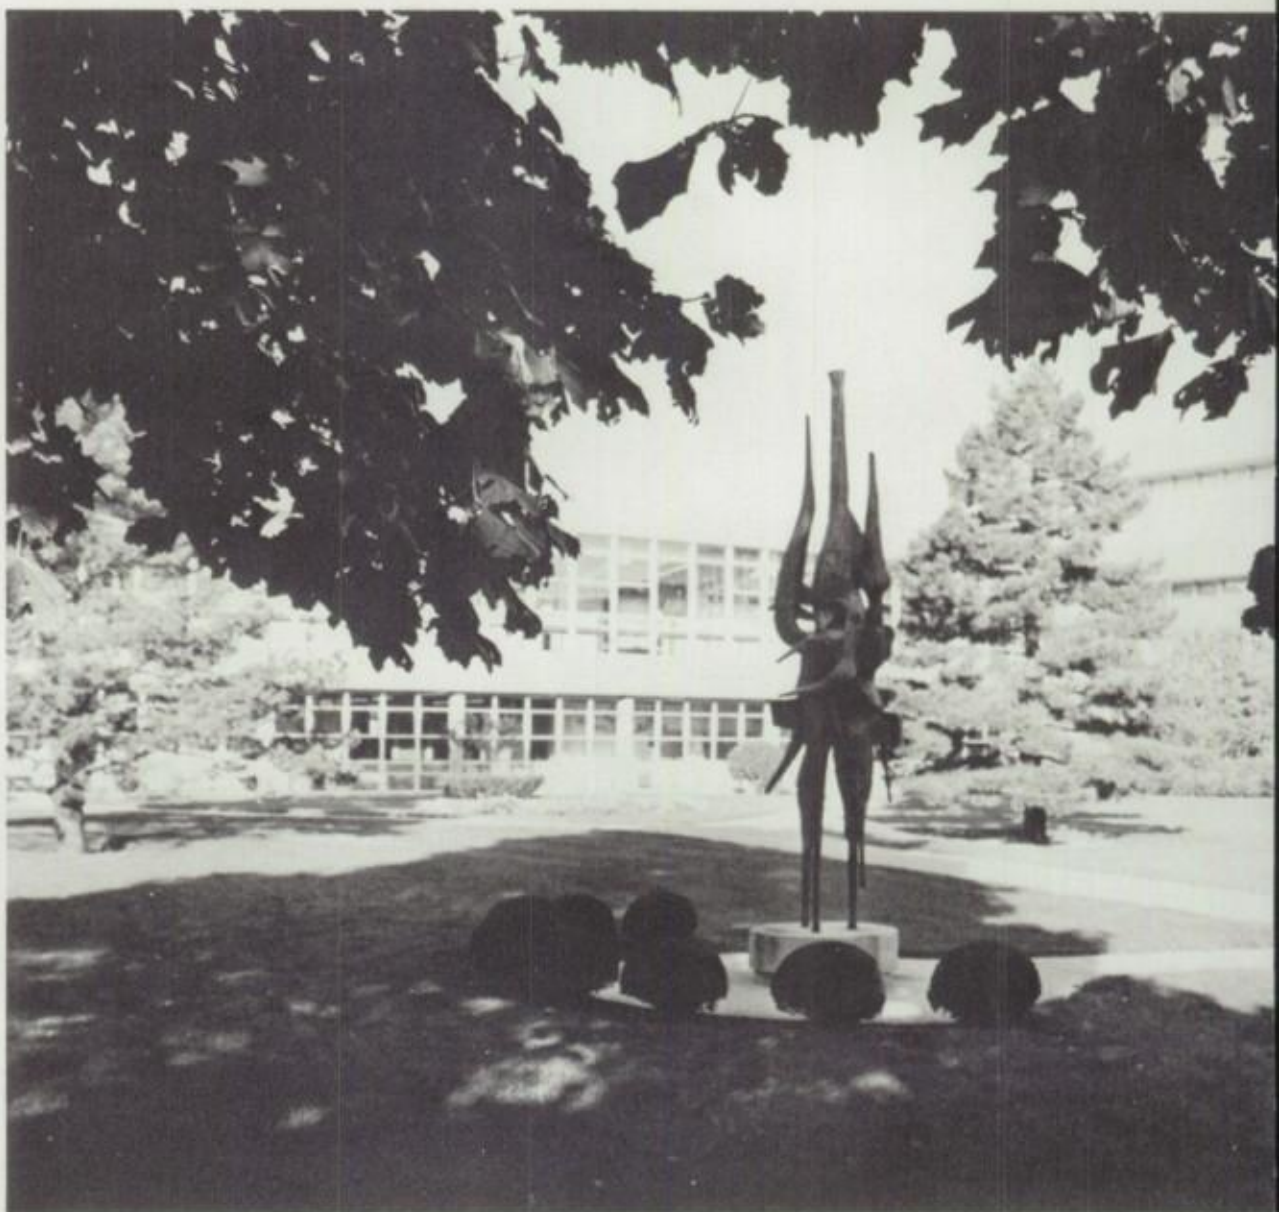

UNDERCLASS

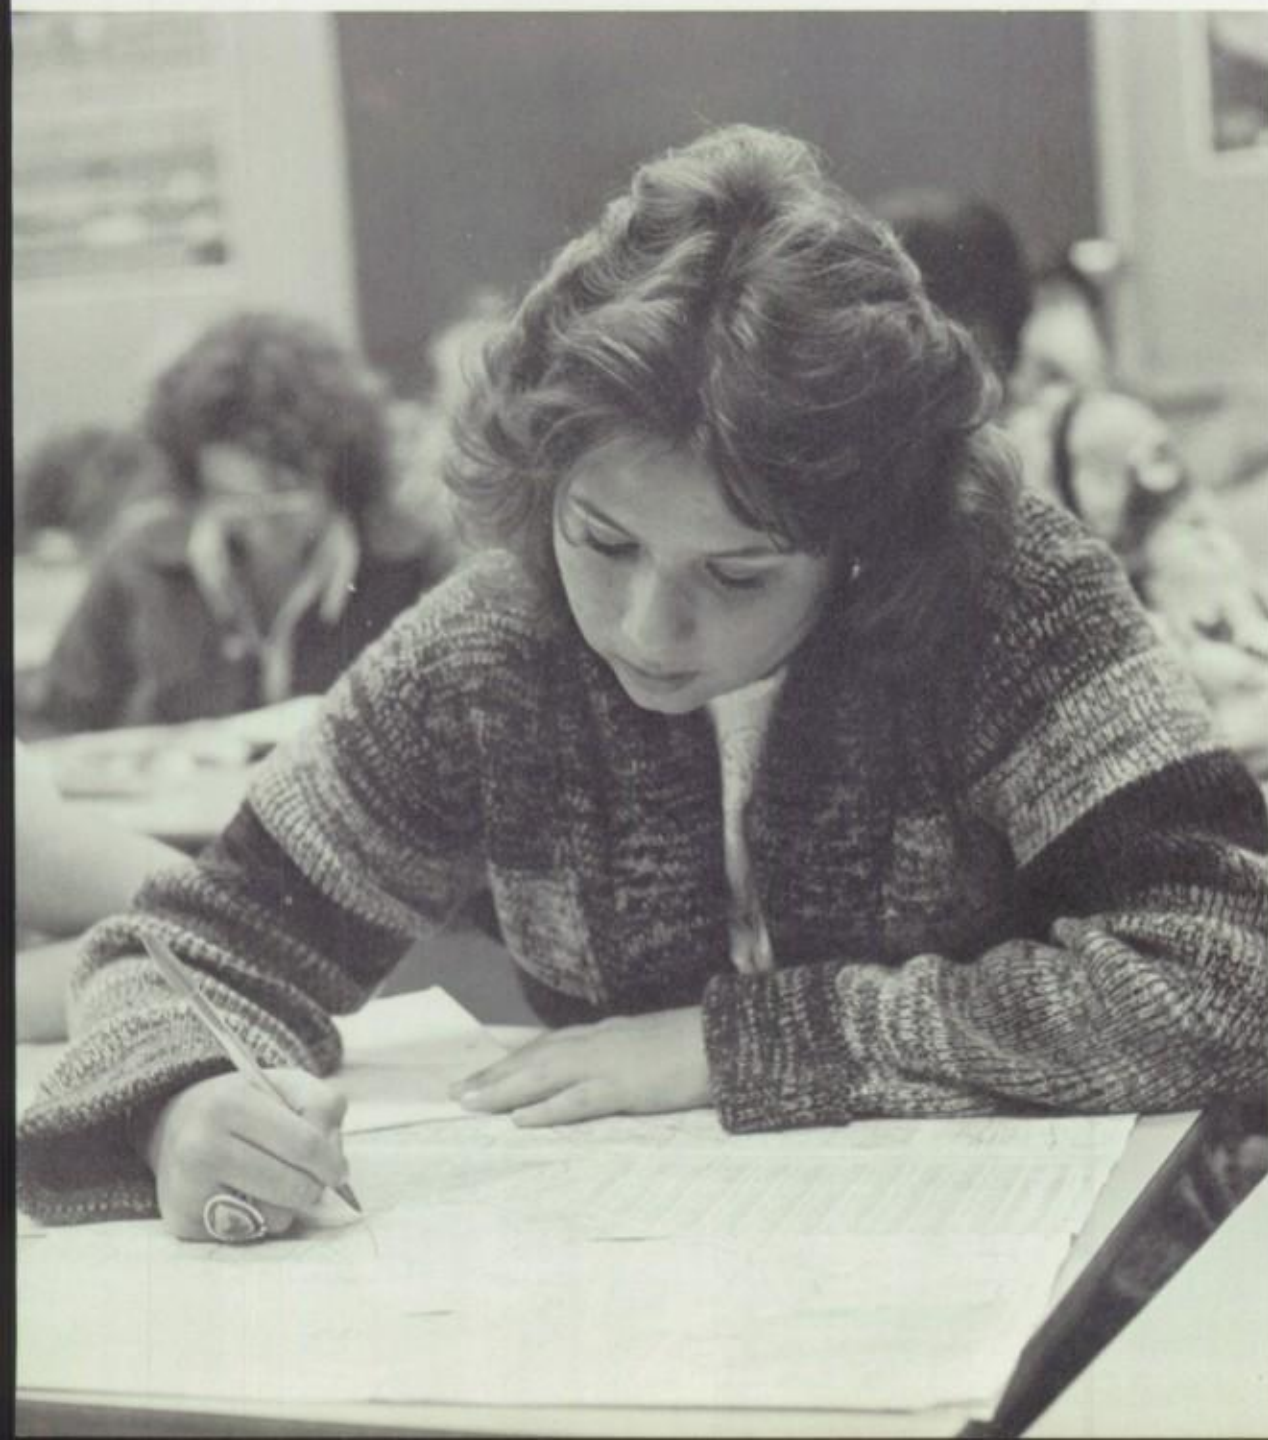

UNDERCLASS

Memories are made of things
That happen everyday
Moments as we live them
Things we do or say
Little bits and pieces
Of laughter mixed with tears
Paragraphs and pages
Written through the years
The friendships we remember
Mistakes that we regret ...

... The ending of a love
 We never could forget
 We can't erase the sadness
 Or edit out the tears
 We can't undo the wrong
 We can't relive the years
 But since memories keep building
 Each day can be the start
 Of making new and happy ones
 To store with in the heart.

SENIORS

The world is ours
For us to see.
What is; what was;
And what might be.

Graduation Lament

Today's the day I graduate;
To this school I will come no more.
This, my goal of the past twelve years,
Is what I've been waiting for.
The days were laced with fun and work
Along with growing up;
I've developed a personality —
I've had to measure up. . . .

Homecoming proves to be a highlight of Senior year.

GOLD CERTIFICATE WINNERS: **Seated:** Honora Kennedy, Joan McDermott, Sharon Owen, Nanette Vandevender, Jill Bellavia, Susan O'Brien, Theresa Donnamaria, Vickie Wede, Karen Navratil. **Standing:** Ken Poj-

man, Frank Papatheofanis, Kenneth Rubin, Kurt Stein, Robert Winiecki, Steve Kahrs, John Ankenbauer, Joe Steinhauser.

The Senior Ice Cream Social proved to be fun for all.

Seniors gained many practical skills during their stay at West.

SENIORS

Joe Steinhauser won the Bausch & Lomb Science Award.

Mr. Gusloff congratulates Jerry Daniels on winning the Maechtle Memorial Award.

Graduation means both a beginning and an end.

Senior Officers: Tim Moore, Treasurer; Mike Fitzgerald, Vice-President.

... I had to succeed with my peers,
And now the struggle is over;
I feel like shedding tears.
I'm going to miss my classmates
And the teachers' constant calls.
I'm going to miss the notes and such
We passed along in the halls.
With the diploma comes a sad thought.
My adolescent years are gone —
Now I must face the future
And the real world.

Students Never Change.

Students at Proviso never change. The same faces every day. The cooking partner who never learned to check the oven. The boy in data processing who always got his cards mixed up. The couple who walked in front of you holding hands and taking two steps an hour all the way through C2nd. The girl whose name you never could remember saying "Hi" to you everyday. Proviso is made up of names and faces, people you knew, your friends and enemies, teachers, counselors, and classmates. Some people never change; maybe in twenty years you'll see them and say, "You haven't changed a bit;" but in your heart you know it'll never be the same. Except next year when September rolls around, the doors will open and let in a new crowd of freshman to enter and learn through another four years.

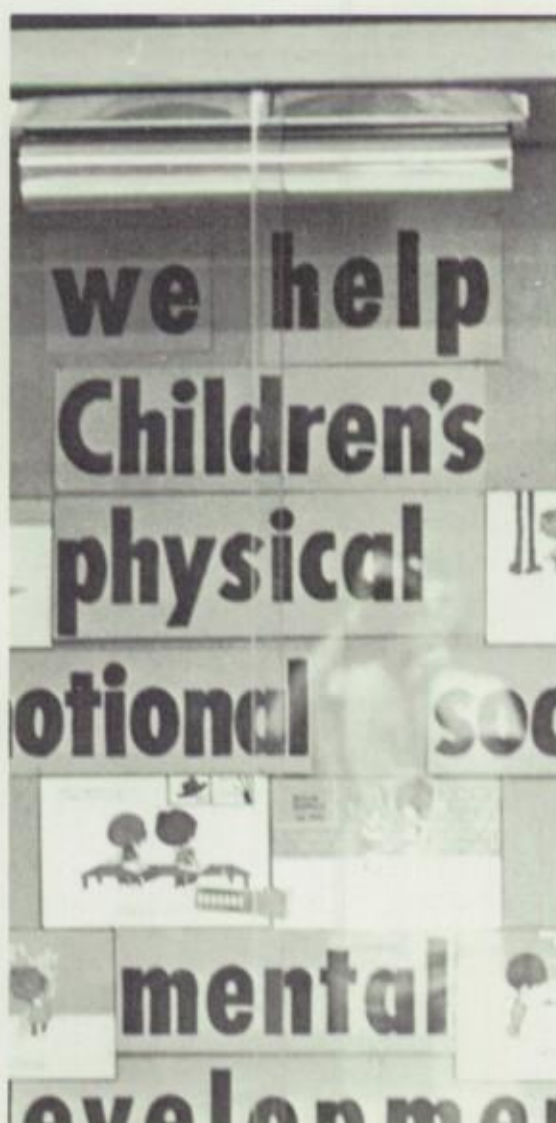

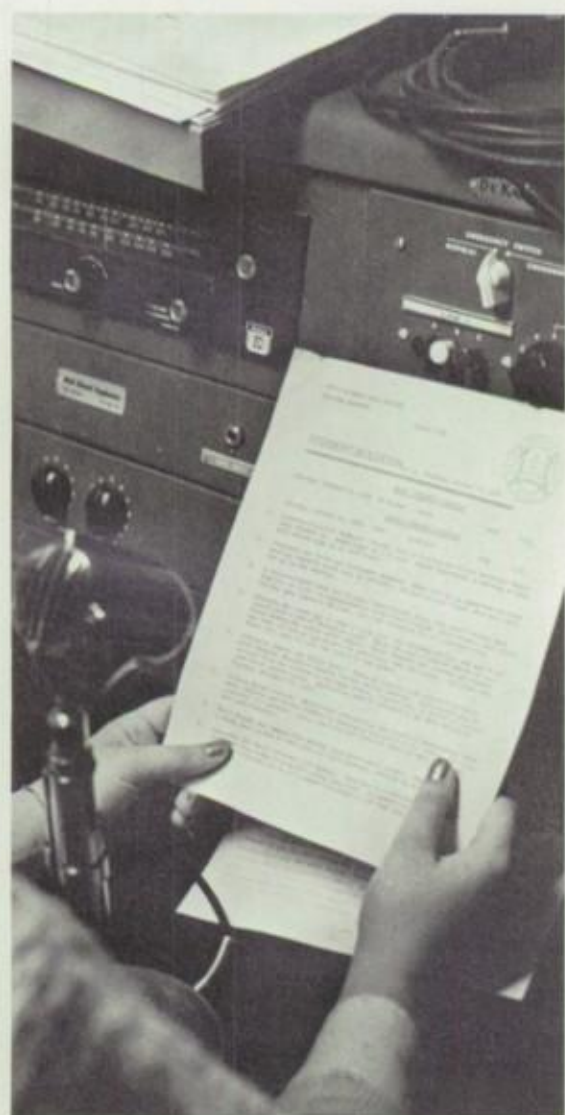

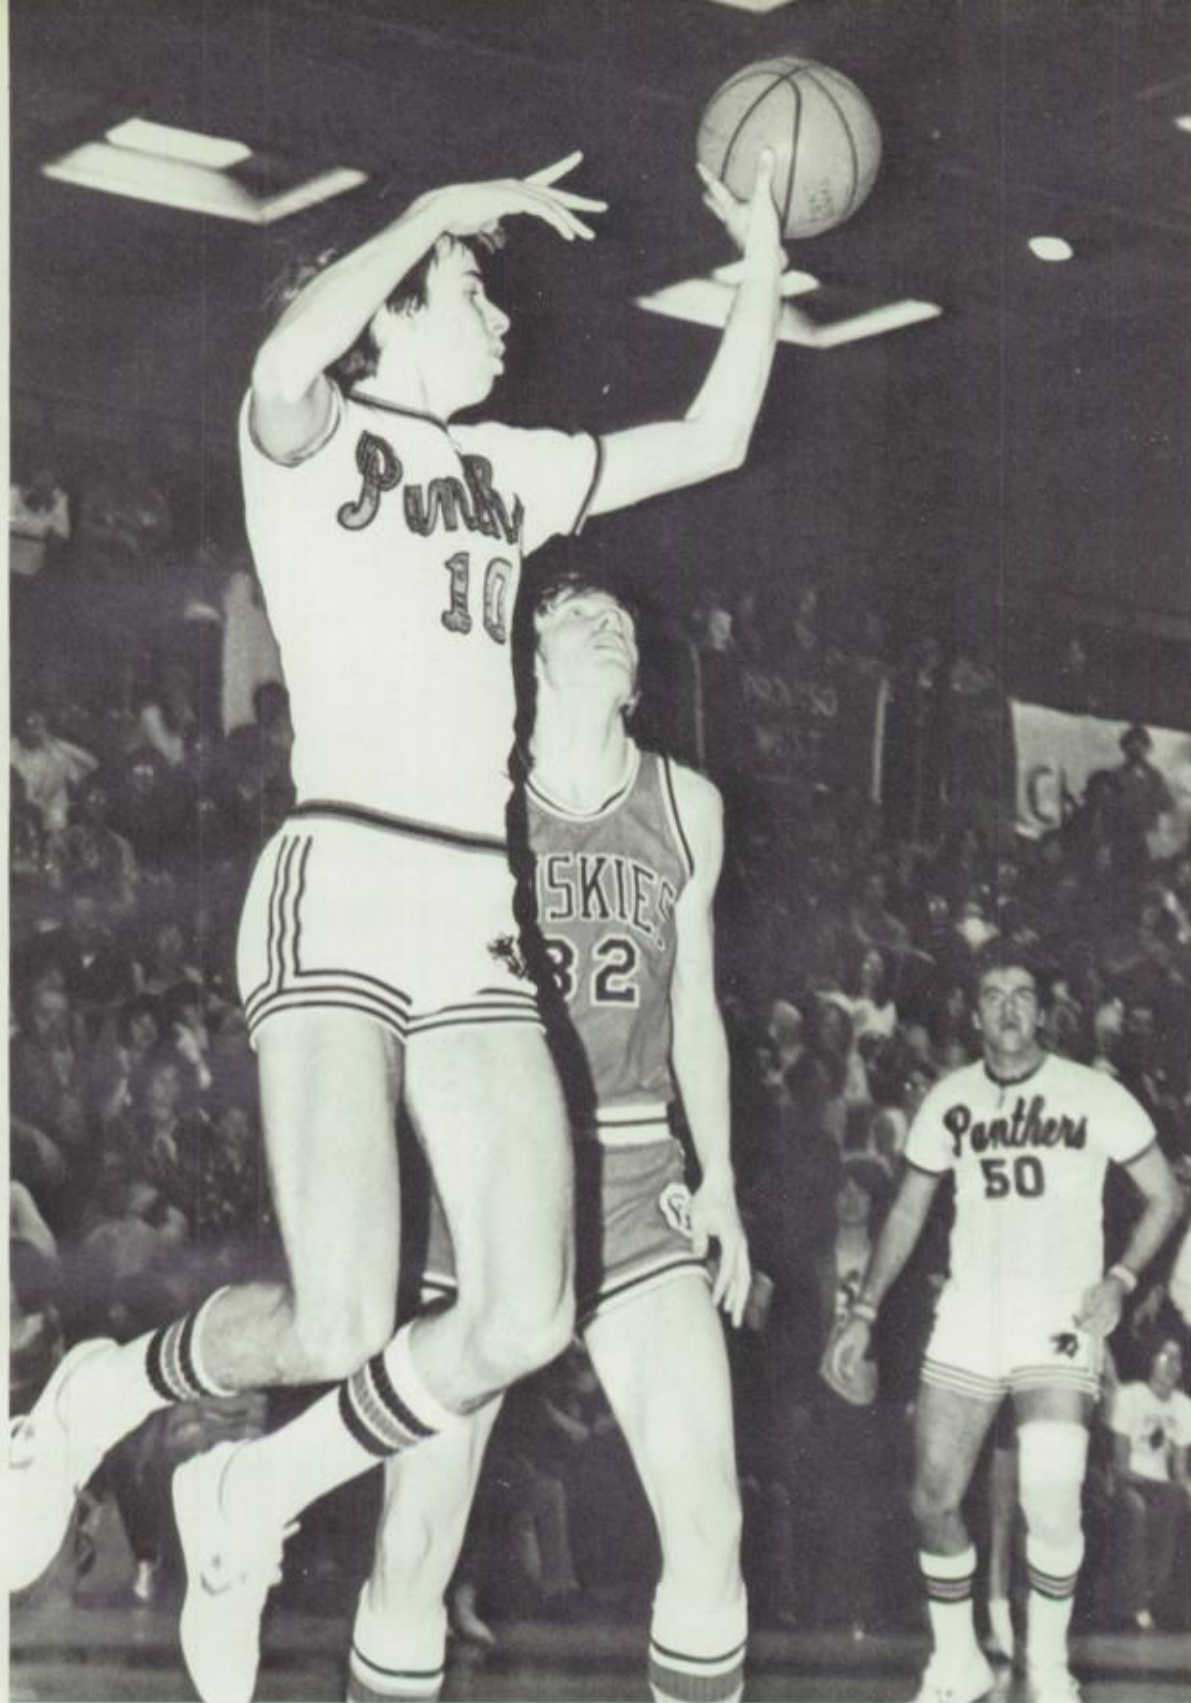

Activities At Proviso Never Change

Activities at Proviso never change. Every fall the same old thing—Homecoming, freshman elections, new clubs, and sports. It seems like every September is the same. Hundreds of clubs scream, "Join me." While freshmen make up their minds the bulletin climbs to 3 or 4 pages every day. Second period loses 20 minutes while announcers read the bulletin; but they get better, don't they? The winter brings the same old annual Christmas assembly, but the faces of the elves change every year. And who knows what Key Club will do. The Spring brings craziness, sundae eating, contests, Senior dress up day week, the baby bounce, and of course the Girls' League Mother-Daughter Banquet, with its annual Spring fashion show.

Memories Are Forever

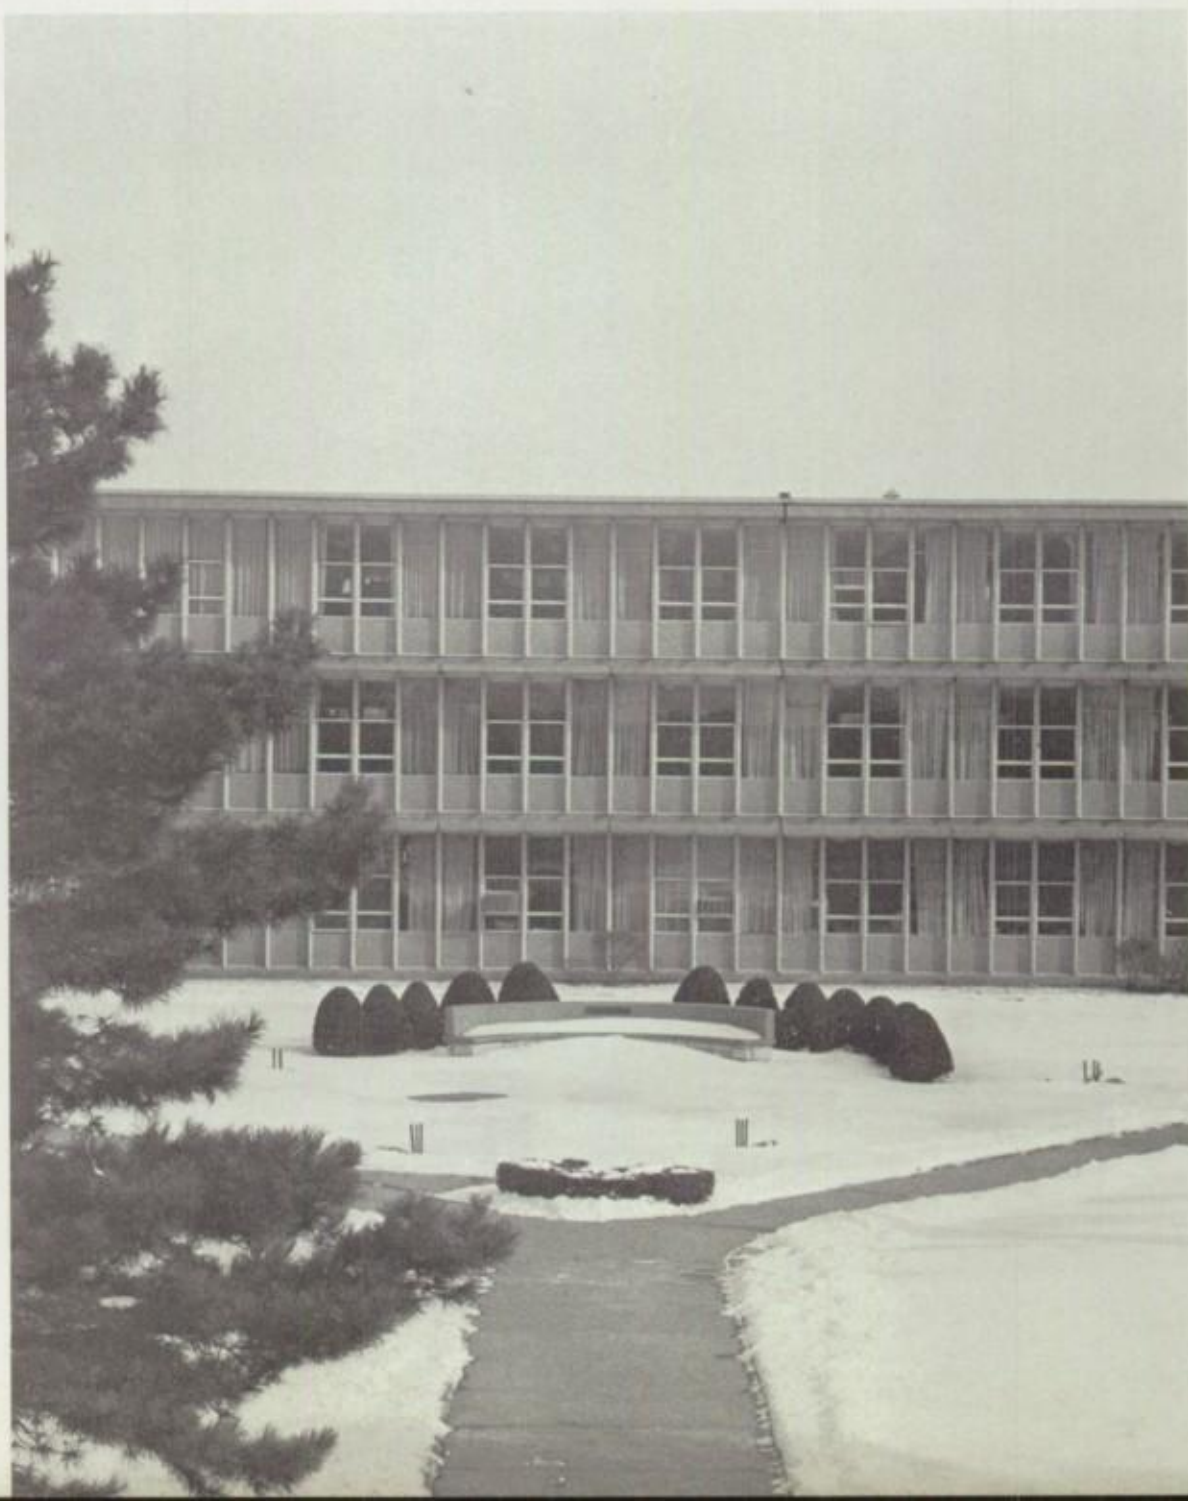

Being a senior is the hope and dream of every underclassman; but some of the seniors wish they would never have to leave. The excitement of going to athletic events and seeing your classmates, being on N.H.S., or just anticipating graduation are some of the great feelings of being a senior. Seniors always look back on their good times and bad times, but they should really look ahead to the future and what's coming. Seniors have a whole life ahead to fulfill the wildest dreams. After graduation everyone will cry because of the separation of their friendships, but after a few long years, the people are just more faces in a crowd. Seniors may lose their friends, but they can never lose the memories of their Proviso West years.

Proviso Never Really Changes

Do you remember how Proviso looked as a freshman? Rows and rows of lockers lining everything, and everytime you turned-another building! Proviso never changes-every year the same images remain. "E" ramp packed with people, all trying to go to lunch at the same time, the student parking lot right after school-three busses and forty cars all leaving, and in a hurry. The buildings have only been connected for a few years, though it seems like forever. Chairs engraved with last year's graffratti fill rooms lined with blackboards. Senior circle with that statue; nobody has yet figured out what it means. Proviso really never changes; graduates come back and say "Nothing's changed"!
